TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of May 2, 2000, is made by **PROCESS SOFTWARE CORPORATION**, a Massachusetts corporation ("Debtor"), in favor of **FOOTHILL CAPITAL CORPORATION**, a California corporation ("Foothill").

RECITALS

A. PEH Worldwide Holdings, LLC, a Delaware limited liability company ("PEH Worldwide"), PSC Holding II Corporation, a Delaware corporation ("Holdings"), Debtor and Foothill have entered into that certain Loan and Security Agreement, of even date herewith (as amended, restated, modified, renewed or extended from time to time, the "Loan Agreement"), pursuant to which Foothill has agreed to make certain financial accommodations to PEH Worldwide and Debtor, and pursuant to which Debtor has granted to Foothill a security interest in (among other things) all of its general intangibles.

B. Pursuant to the Loan Agreement and as one of the conditions precedent to the obligations of Foothill under the Loan Agreement, Debtor has agreed to execute and deliver this Agreement to Foothill for filing with the PTO and with any other relevant recording systems in any domestic jurisdiction, and as further evidence of and to effectuate Foothill's existing security interests in the trademarks and other general intangibles described herein.

ASSIGNMENT

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, Debtor hereby agrees in favor of Foothill as follows:

I. Definitions; Interpretation.

(a) **Certain Defined Terms.** As used in this Agreement, the following terms shall have the following meanings:

"Debtor" has the meaning set forth in the preamble to this Agreement.

"Proceeds" means whatever is receivable or received from or upon the sale, lease, license, collection, use, exchange or other disposition, whether voluntary or involuntary, of any Trademark Collateral, including "proceeds" as defined at UCC Section 9306, all insurance proceeds and all proceeds of proceeds. Proceeds shall include (i) any and all accounts, chattel paper, instruments, general intangibles, cash and other proceeds, payable to or for the account of Debtor, from time to time in respect of any of the Trademark Collateral, (ii) any and all proceeds of any insurance, indemnity, warranty or guaranty payable to or for the account of Debtor from time to time with respect to any of the Trademark Collateral, (iii) any and all claims and payments (in any form whatsoever) made or due and payable to Debtor from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the Trademark Collateral by any Person acting under color of governmental authority, and (iv) any and all other amounts from time to time paid or payable under or in connection with

any of the Trademark Collateral or for or on account of any damage or injury to or conversion of any Trademark Collateral by any Person.

"PTO" means the United States Patent and Trademark Office and any successor thereto.

"Trademark Collateral" has the meaning set forth in Section 2.

"Trademarks" has the meaning set forth in Section 2.

"UCC" means the Uniform Commercial Code as in effect from time to time in the State of California.

"United States" and "U.S." each mean the United States of America.

(b) Terms Defined in UCC. Where applicable and except as otherwise defined herein, terms used in this Agreement shall have the meanings assigned to them in the UCC.

(c) Interpretation. In this Agreement, except to the extent the context otherwise requires:

(i) Any reference to a Section or a Schedule is a reference to a section hereof, or a schedule hereto, respectively, and to a subsection or a clause is, unless otherwise stated, a reference to a subsection or a clause of the Section or subsection in which the reference appears.

(ii) The words "hereof," "herein," "hereto," "hereunder" and the like mean and refer to this Agreement as a whole and not merely to the specific Section, subsection, paragraph or clause in which the respective word appears.

(iii) The meaning of defined terms shall be equally applicable to both the singular and plural forms of the terms defined.

(iv) The words "including," "includes" and "include" shall be deemed to be followed by the words "without limitation."

(v) References to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications thereto.

(vi) References to statutes or regulations are to be construed as including all statutory and regulatory provisions consolidating, amending or replacing the statute or regulation referred to.

(vii) Any captions and headings are for convenience of reference only and shall not affect the construction of this Agreement.

(viii) Capitalized words not otherwise defined herein shall have the respective meanings assigned to them in the Loan Agreement.

(ix) In the event of a direct conflict between the terms and provisions of this Agreement and the Loan Agreement, it is the intention of the parties hereto that both such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of Debtor and supplemental rights and remedies in favor of Foothill (whether under federal law or applicable California law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict in the Loan Agreement.

2. Security Interest.

(a) Assignment and Grant of Security Interest. To secure its Obligations, Debtor hereby grants, assigns, transfers and conveys to Foothill a continuing security interest in all of Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor, and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States (but excluding each application to register any trademark, service mark, or other mark prior to the filing under applicable law of a verified statement of use (or equivalent) for such trademark, service mark, or other mark) and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of Debtor or in the name of Foothill for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtor's business symbolized by the Trademarks or associated therewith; and

(iv) all Proceeds of any and all of the foregoing.

(b) Certain Exclusions from Grant of Security Interest. Anything in this Agreement and the other Loan Documents to the contrary notwithstanding, the foregoing grant, assignment, transfer, and conveyance of security interests shall not extend to, and the term "Trademark Collateral" shall not include, any item of Trademark Collateral that is now or hereafter held by Debtor as licensee or otherwise, solely in the event and to the extent that: (i) as the proximate result of the foregoing grant, assignment, transfer, or conveyance of a security interest, Debtor's rights in or with respect to such item of Trademark Collateral would be forfeited or would become void, voidable, terminable, or revocable, or if Debtor would be deemed to have breached, violated, or defaulted the underlying license or other agreement that governs such item of Trademark Collateral pursuant to the restrictions in the underlying license or other agreement that governs such item of Trademark Collateral; (ii) any such restriction shall be effective and enforceable under applicable law, including Section 9318(4) of the Code; and (iii) any such forfeiture, voidness, voidability, terminability, revocability, breach, violation, or default cannot be remedied by Debtor using its best efforts (but without any obligation to make any material expenditures of money or to commence legal proceedings); provided, however, that the foregoing grant, assignment, transfer, and conveyance of security interests shall extend to, and the term "Trademark Collateral" shall include, (y) any and all Proceeds of such item of Trademark Collateral to the extent that the assignment or encumbering of such Proceeds is not so restricted, and (z) upon any such licensor or other applicable party's consent with respect to any such otherwise excluded item of Trademark Collateral being obtained, thereafter such item of Trademark Collateral as well as any Proceeds thereof that might theretofore have been excluded from such grant, assignment, transfer, and conveyance of the security interests and the term "Trademark Collateral."

(c) Continuing Security Interests. Debtor agrees that this Agreement shall create continuing security interests in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 18.

(d) Incorporation into Loan Agreement. This Agreement shall be fully incorporated into the Loan Agreement and all understandings, agreements and provisions contained in the Loan Agreement shall be fully incorporated into this Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(e) Licenses. Anything in the Loan Agreement or this Agreement to the contrary notwithstanding, Debtor may grant non-exclusive licenses of the Trademark Collateral (subject to the security interest (if any) of Foothill therein) in the ordinary course of business consistent with past practice.

3. Further Assurances; Appointment of Foothill as Attorney-in-Fact. Debtor, at its expense, shall execute and deliver, or cause to be executed and delivered, to Foothill any and all documents and instruments, in form and substance reasonably satisfactory to Foothill, and take any and all action, which Foothill may reasonably request from time to time, to perfect and continue perfected, maintain the priority of or provide notice of Foothill's security interest in the Trademark Collateral and to accomplish the purposes of this Agreement. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Foothill in accordance with the foregoing, Foothill shall have the right, in the name of Debtor, or in the name of Foothill, without notice to or assent by Debtor, and Debtor

hereby irrevocably constitutes and appoints Foothill (and any of Foothill's officers or employees or agents designated by Foothill) as Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of Debtor on all or any of such documents or instruments and perform all other acts that Foothill reasonably deems necessary or advisable in order to perfect or continue perfected, maintain the priority or enforceability of or provide notice of Foothill's security interest in, the Trademark Collateral, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, which Foothill reasonably may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuance of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Foothill to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18.

4. Representations and Warranties. Debtor represents and warrants to Foothill, to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth, as of the Closing Date, a true and correct list of all of the existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by Debtor.

(b) Trademarks Subsisting. To the best knowledge of Debtor, each of the Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and each of the Trademarks is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. To the best of Debtor's knowledge: (i) Debtor has rights in and good and defensible title to the existing Trademark Collateral, (ii) with respect to the Trademark Collateral shown on Schedule A hereto as owned by it, Debtor is the sole and exclusive owner thereof, free and clear of any Liens and rights of others (other than the security interests created hereunder and other than Permitted Liens), including licenses, registered user agreements and covenants by Debtor not to sue third persons, and (iii) with respect to any Trademarks for which Debtor is either a licensor or a licensee pursuant to a license or licensee agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, Debtor is not in material default of any of its obligations thereunder and, (i) other than the parties to such licenses or licensing agreements, or (ii) in the case of any non-exclusive license or license agreement entered into by Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by Debtor or any such licensor with any other Person, no other Person has any rights in or to any of the Trademark Collateral. To the best of Debtor's knowledge, the past, present and contemplated future use of the Trademark Collateral by Debtor

has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(d) No Infringement. To the best of Debtor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Foothill a security interest in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Obligations remain unsatisfied, Debtor agrees that it will comply with all of the covenants, terms and provisions of this Agreement, the Loan Agreement and the other Loan Documents, and Debtor will promptly give Foothill written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks or the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee.

6. Future Rights. For so long as any of the Obligations shall remain outstanding, or, if earlier, until Foothill shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and Debtor shall give to Foothill prompt notice thereof. Debtor shall do all things reasonably deemed necessary or advisable by Foothill to ensure the validity, perfection, priority and enforceability of the security interests of Foothill in such future acquired Trademark Collateral. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Foothill in connection herewith, Debtor hereby authorizes Foothill to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Foothill's Duties. Notwithstanding any provision contained in this Agreement, Foothill shall have no duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Foothill hereunder or in connection herewith, Foothill shall have no duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of an "Event of Default" under the Loan Agreement shall constitute an Event of Default under this Agreement.

9. Remedies. From and after the occurrence and during the continuation of an Event of Default, Foothill shall have all rights and remedies available to it under the Loan Agreement, any other Loan Documents, and applicable law (which rights and remedies are

cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Debtor agrees that such rights and remedies include the right of Foothill as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to UCC Section 9504. Debtor agrees that Foothill shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Foothill's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which Foothill has a security interest, including Foothill's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Foothill shall have the right but shall in no way be obligated to bring suit, or to take such other action as Foothill deems necessary or advisable, in the name of Debtor or Foothill, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Foothill, do any and all lawful acts and execute any and all documents required by Foothill in aid of such enforcement. To the extent that Foothill shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and their diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Foothill and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the federal laws of the United States of America and the laws of the State of California.

13. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. Notwithstanding the foregoing, Foothill may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

15. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

16. Loan Agreement. Debtor acknowledges that the rights and remedies of Foothill with respect to the security interests in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and all such rights and remedies are cumulative.

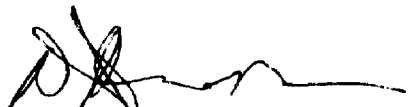

17. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. To the extent of any conflict between the provisions of this Agreement and the Loan Agreement, however, the provisions of the Loan Agreement shall govern.

18. Termination. Upon the payment in full of the Obligations, including the cash collateralization, expiration, or cancellation of all Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Foothill shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interests granted by Debtor to Foothill hereunder, including cancellation of this Agreement by written notice from Foothill to the PTO.
