Each Subsidiary Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Guaranteed Obligations Collateral shall be or become evidenced by any promissory note or other instrument (other than promissory notes issued by Illinois Consolidated Telephone Company and set forth in Schedule 6.02 to the Credit Agreement), such note or instrument shall be immediately pledged and delivered to the Collateral Agent, duly endorsed in a manner satisfactory to the Collateral Agent. Each Subsidiary Grantor further agrees that it will not take any action or permit any action to be taken that would cause any membership interest in a limited liability company or partnership interest pledged hereunder to become a "security" as defined in Article 8 of the Uniform Commercial Code of any State or the District of Columbia, unless such membership interest or partnership interest has been certificated and pledged to the Collateral Agent pursuant to the Subsidiary Pledge Agreement.

Without limiting the generality of the foregoing, each Subsidiary Grantor hereby authorizes the Collateral Agent, with prompt notice thereof to the Subsidiary Grantors, to supplement this Agreement by supplementing

Schedule II, III, IV or V hereto or adding additional schedules hereto to specifically identify any asset or item that may constitute Copyrights, Licenses, Patents or Trademarks; provided, however, that any Subsidiary Grantor shall have the right, exercisable within 10 days after it has been notified by the Collateral Agent of the specific identification of such Guaranteed Obligations Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Subsidiary Grantor hereunder with respect to such Guaranteed Obligations Collateral. Each Subsidiary Grantor agrees that it will use its reasonable best efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Guaranteed Obligations Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Guaranteed Obligations Collateral.

SECTION 4.05. Inspection and Verification. The Collateral Agent and such persons as the Collateral Agent may reasonably designate shall have the right, at the Subsidiary Grantors' own cost and expense, to inspect the Guaranteed Obligations Collateral, all records related thereto (and to make extracts and copies from such records) and the premises upon which any of the Guaranteed Obligations Collateral is located, to discuss the Subsidiary Grantors' affairs with the officers of the Subsidiary Grantors and, upon an Event of Default, with their independent accountants and to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Guaranteed Obligations Collateral, including, in the case of Accounts or Guaranteed Obligations Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Guaranteed Obligations Collateral for the purpose of making such a verification. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party (it being understood that any such information shall be deemed to be "Information" subject to the provisions of Section 9.12 of the Credit Agreement).

SECTION 4.06. Taxes; Encumbrances. At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Guaranteed Obligations Collateral and not permitted pursuant to Sections 5.05 and 6.03 of the Credit Agreement, and may pay for the maintenance and preservation of the Guaranteed

Obligations Collateral to the extent any Subsidiary Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Subsidiary Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any payment made or any expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.06 shall be interpreted as excusing any Subsidiary Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Subsidiary Grantor with respect to taxes, assessments, charges, fees, liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

SECTION 4.07. Assignment of Security Interest.

If at any time any Subsidiary Grantor shall take a security interest in any property of an Account Debtor or any other person to secure payment and performance of an Account, such Subsidiary Grantor shall promptly assign such security interest to the Collateral Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other person granting the security interest.

SECTION 4.08. Continuing Obligations of the Subsidiary Grantors. Each Subsidiary Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Guaranteed Obligations Collateral, all in accordance with the terms and conditions thereof, and each Subsidiary Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

SECTION 4.09. Use and Disposition of Guaranteed Obligations Collateral. None of the Subsidiary Grantors shall make or permit to be made a pledge or hypothecation of the Guaranteed Obligations Collateral or shall grant any other Lien in respect of the Guaranteed Obligations Collateral, except as expressly permitted by Section 6.03 of the Credit Agreement. None of the Subsidiary Grantors shall make or permit to be made any assignment or transfer of the Guaranteed Obligations Collateral and each Subsidiary Grantor shall remain at all times in possession of the Guaranteed Obligations Collateral owned by it, except that (a) Inventory may be sold in the ordinary course of business and (b) unless and until the Collateral Agent shall notify the Subsidiary Grantors that an Event of Default shall have

governmental bodies applicable to or having jurisdiction over the Subsidiary Grantors unless and until any required approval under the Federal Communications Act of 1934, and any applicable rules and regulations thereunder, requiring the consent to or approval of such action by the FCC or any governmental or other communications authority, have been satisfied and, to the extent applicable, any action taken with respect to, concerning or affecting the Guaranteed Obligations Collateral, directly or indirectly, or any Security Interest granted therein by the Collateral Agent and the Secured Parties shall be subject to any required approval of the FCC and any state or local communications regulatory authority and all applicable communications laws.

SUPPLEMENT NO. ____ dated as of [],
to the Subsidiary Security Agreement dated as
of May 31, 2000 (the "Subsidiary Security
Agreement"), among the Subsidiaries of
McLeodUSA Incorporated listed on Schedule I
thereto, and THE CHASE MANHATTAN BANK, as
Collateral Agent for the Secured Parties (as
defined therein).

A. Reference is made to (a) the Credit Agreement
dated as of May 31, 2000 (as amended, supplemented or
otherwise modified from time to time, the "Credit Agreement"),
among McLeodUSA Incorporated, the lenders from time to time
party thereto (the "Lenders"), and The Chase Manhattan Bank,
as Administrative Agent and Collateral Agent and (b) the
Subsidiary Security Agreement.

B. Capitalized terms used herein and not otherwise
defined herein shall have the meanings assigned to such terms
in the Subsidiary Security Agreement and the Credit Agreement.

C. The Subsidiary Grantors have entered into the
Subsidiary Security Agreement in order to induce the Lenders
to make Loans and the Issuing Bank to issue Letters of Credit
under the Credit Agreement. Pursuant to Section 5.12 of the
Credit Agreement, each Subsidiary Loan Party that was not in
existence or not a Subsidiary Loan Party on the date of the
Credit Agreement is required to enter into the Subsidiary
Security Agreement as a Subsidiary Grantor upon becoming a
Subsidiary Loan Party. Section 7.15 of the Subsidiary
Security Agreement provides that additional Subsidiary Loan
Parties may become Subsidiary Grantors under the Subsidiary
Security Agreement by execution and delivery of an instrument
in the form of this Supplement. The undersigned Subsidiary
Loan Party (the "New Subsidiary Grantor") is executing this
Supplement in accordance with the requirements of the Credit
Agreement to become a Subsidiary Grantor under the Subsidiary
Security Agreement in order to induce the Lenders to make
additional Loans and the Issuing Bank to issue additional
Letters of Credit and as consideration for Loans previously
made and Letters of Credit previously issued.

Accordingly, the Collateral Agent and the New Subsidiary Grantor agree as follows:

SECTION 1. In accordance with Section 7.15 of the Subsidiary Security Agreement, the New Subsidiary Grantor by its signature below becomes a Subsidiary Grantor under the Subsidiary Security Agreement with the same force and effect as if originally named therein as a Subsidiary Grantor, and the New Subsidiary Grantor hereby (a) agrees to all the terms and provisions of the Subsidiary Security Agreement applicable to it as a Subsidiary Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Subsidiary Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary Grantor, as security for the payment and performance in full of the Guaranteed Obligations (as defined in the Subsidiary Security Agreement), does hereby create and grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary Grantor's right, title and interest in and to the Guaranteed Obligations Collateral (as defined in the Subsidiary Security Agreement) of the New Subsidiary Grantor. Each reference to a "Subsidiary Grantor" in the Subsidiary Security Agreement shall be deemed to include the New Subsidiary Grantor. The Subsidiary Security Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary Grantor represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Subsidiary Grantor and the Collateral Agent. Delivery of an executed signature page to this Supplement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Subsidiary Grantor hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of the location of any and all Guaranteed Obligations Collateral of the New

Subsidiary Grantor and (b) set forth under its signature hereto, is the true and correct location of the chief executive office of the New Subsidiary Grantor.

SECTION 5. Except as expressly supplemented hereby, the Subsidiary Security Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Subsidiary Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 7.01 of the Subsidiary Security Agreement. All communications and notices hereunder to the New Subsidiary Grantor shall be given to it at the address set forth under its signature below, with a copy to the Borrower.

SECTION 9. The New Subsidiary Grantor agrees to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent.

IN WITNESS WHEREOF, the New Subsidiary Grantor and the Collateral Agent have duly executed this Supplement to the Subsidiary Security Agreement as of the day and year first above written.
