ASSIGNMENT AGREEMENT

This Assignment Agreement (this "Agreement"), effective as of the 1st day of January, 1999, by and between **Allegheny Ludlum Corporation**, a Pennsylvania corporation having its principal offices at 1000 Six PPG Place, Pittsburgh, PA 15222 (the "Assignor"), and **ATI Properties, Inc.**, a Delaware corporation having its principal offices at 2049 Century Park East, Los Angeles, California (the "Assignee").

RECITALS

The Assignor has adopted and used in its businesses, worldwide, certain trade names and trademarks and is the owner of all rights and interests in and to these trade names and trademarks in the world, together with all trademark applications and registrations therefor identified in Exhibit A attached hereto as well as all worldwide rights in the patents and patent applications, including reissues, continuations, continuations-in-part, divisionals and foreign counterparts thereof, identified on Exhibit B and certain non-patented technical know-how and goodwill associated with the assets identified in Exhibits A and B (collectively, the "Intellectual Property"), including any amended or supplemented exhibits hereto as the parties may agree to in writing from time to time.

The Assignee is desirous of acquiring all right, title and interest in the Intellectual Property and goodwill associated with such Intellectual Property and the Assignor is willing to convey the Intellectual Property to the Assignee, upon and subject to the terms and conditions hereof.

Pursuant to a License Agreement dated as of even date herewith, the Assignee, concurrently herewith, is agreeing to license the Intellectual Property to the Assignor, and the Assignor is agreeing to license such Intellectual Property from the Assignee.

NOW, THEREFORE, in consideration of the foregoing premises and for valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the Assignor and the Assignee, intending to be legally bound hereby agree as follows:

2. Consideration. As consideration for the conveyance of the Intellectual Property made hereby, the Assignee shall issue shares of its common stock, par value \$.01 per

3. Further Assurances. Upon request, the Assignor shall execute such additional documents as may be required to effect the foregoing conveyance and for recording purposes in connection with the transfer of ownership of the Intellectual Property to the Assignee.

4. Right of First Refusal. In the event that the Assignee wishes to sell or otherwise transfer the Intellectual Property or in the event of a Change in Control of the Assignee, the Assignor shall have the right to reacquire the Intellectual Property, for a period of one year from the date the Assignor receives written notice of the Assignee's intent to transfer the Intellectual Property or the occurrence of the Change in Control, by tendering to the Assignee the shares of common stock issued as provided in Section 2 whereupon the Assignee shall reassign the Intellectual Property to the Assignor. The term Change of Control shall include:

(a) approval by the Assignee's stockholders of a reorganization, merger or consolidation, unless following such event, all or substantially all of the persons who were beneficial owners of the Assignee's voting securities immediately prior to such event, following such event beneficially own, directly or indirectly, more than 80% of the combined voting power of the then outstanding voting securities of the resulting entity; or

(b) approval by the Assignee's stockholders of complete liquidation or dissolution of the Assignee or a sale or other disposition of all or substantially all of the assets of the Assignee.

5. Governing Law. The validity, performance, construction and effect of this Agreement shall be governed by the laws of the State of Delaware.

6. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Assignor and the Assignee and their respective successors and assigns and such successors and assigns shall be bound by and subject to the terms and conditions of this Agreement including without limitation the right of first refusal provided in Section 4.

7. Entire Agreement; Amendments; Severability. No amendment or supplement to the Agreement shall be effective unless in writing and executed by the Assignor and the Assignee. This Agreement is intended to be severable; if any term of this Agreement is held invalid, illegal or unenforceable in whole or in part, neither the remaining part of such term nor the validity of any other term of this Agreement shall in any way be affected thereby.

8. Counterparts.
