INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made this 18th day of July, 2000 by **KRB SEED COMPANY, LLC**, a North Carolina limited liability company ("Grantor"), in favor of **RICHARD P. BUDD** ("Secured Party"). All capitalized terms used but not otherwise defined herein shall have the respective meanings assigned thereto in the Reimbursement Agreement (as defined below).

WITNESSETH:

WHEREAS, Branch Banking and Trust Company (the "Bank") has agreed to make available certain loans to Grantor pursuant to the terms and conditions of a Loan Agreement by and between the Bank and Grantor dated July 18, 2000 (as amended, supplemented or modified from time to time, the "BBT Loan Agreement") consisting of: (i) a revolving line of credit in the amount of up to \$16,000,000; and (ii) a term loan of up to \$200,000. As a condition to entering into the BBT Loan Agreement, the Bank has required Secured Party to: (1) guaranty certain indebtedness of Grantor to the Bank pursuant to a Guaranty Agreement dated July 18 2000 executed by Secured Party for the benefit of the Bank (the "BBT Guaranty"); and (2) execute a Securities Account Security Agreement dated July 18 2000 for the benefit of the Bank pursuant to which Secured Party has pledged certain investment securities to the Bank (the "BBT Securities Agreement"); and

WHEREAS, as a condition to executing the BBT Guaranty and the BBT Security Agreement, Secured Party has required Grantor to execute a Reimbursement Agreement dated July 18, 2000 (as amended, supplemented or modified from time to time, the "Reimbursement Agreement") pursuant to which Grantor has agreed, among other things, to reimburse Secured Party for any and all indebtedness, liabilities and obligations which may be incurred by Secured Party under the BBT Guaranty and BBT Security Agreement, all as more fully set forth in the Reimbursement Agreement. As a condition to executing the BBT Guaranty and the BBT Security Agreement, Secured Party has required Grantor to secure any and all indebtedness, liabilities and obligations of Grantor under the Reimbursement Agreement by granting a security interest in, among other things, the collateral hereinafter described. As used herein: (i) "KRB Collateral Documents" shall mean the mortgages, deeds of trust, deeds to secure debt, security agreements, collateral assignments and other agreements and documents set forth on Schedule I to the Reimbursement Agreement securing, among other things, the Reimbursement Agreement; (ii) "Related Documents" means collectively the Reimbursement Agreement, the KRB Collateral Documents and any other agreement or instrument relating thereto or otherwise executed and delivered in connection with the execution and delivery of the Reimbursement Agreement; (iii) "Obligations" means any and all liabilities, indebtedness and obligations of any and every kind and nature, heretofore, now or hereafter owing, arising, due or payable from Grantor to Secured Party under the Reimbursement Agreement, the KRB Collateral Documents and the Related Documents, howsoever evidenced, created, incurred, acquired or owing, whether primary, secondary, direct, contingent, fixed, joint and several, joint or several or otherwise, together with any and all extensions or renewals of such liabilities, indebtedness and obligations; and (iv) the terms "Acquisition", "Permitted Encumbrances" and "Sale Approval Order" shall have the meanings set forth in the BBT Loan Agreement on the date hereof.

NOW, THEREFORE, in order to induce Secured Party to enter into the Related Documents and in consideration of the premises and the mutual covenants contained herein, the parties hereto agree as follows:

1. Grant of Security. Grantor hereby grants a security interest in and collaterally assigns to Secured Party all of the following (collectively, the "Collateral"):

(a) all of Grantor's right, title and interest, whether now owned or hereafter acquired, in and to all United States and foreign patents and patent applications (including without limitation the patents and patent applications identified on Schedule I attached hereto and incorporated herein by reference) and including the right to recover for all past, present and future infringements thereof and all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon, and all other rights of any kind whatsoever of Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(b) all of Grantor's right, title and interest, whether now owned or hereafter acquired, in and to all United States and foreign trademarks, trade names, trade dress, service marks, trademark and service mark registrations, and applications for trademark or service mark registration and any renewals thereof (including without limitation each trademark, trade name, trade dress, registration and application identified in Schedule II attached hereto and incorporated herein by reference) and including all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto (including without limitation damages for past or future infringements thereof), the right to sue or otherwise recover for all past, present and future infringements thereof, all rights corresponding thereto throughout the world (but only such rights as now exist or may come to exist under applicable local law) and all other rights of any kind whatsoever of Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark and service mark (collectively, the "Trademarks");

(c) all of Grantor's right, title and interest, whether now owned or hereafter acquired, in and to all United States and foreign copyrights and copyright applications (including without limitation the copyrights and copyright applications identified on Schedule III attached hereto and incorporated herein by reference) and including the right to recover for all past, present and future infringements thereof and all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon, and all other rights of any kind whatsoever of Grantor accruing thereunder or pertaining thereto (collectively, the "Copyrights");

(d) all license agreements regarding Patents, Trademarks or Copyrights with any other party, whether Grantor is a licensor or licensee under any such license agreement (including without limitation the licenses listed on Schedule IV attached hereto and incorporated herein by reference), and the right to prepare for sale, sell and advertise for sale, all Inventory (as defined in the Security Agreement of even date between Grantor and Secured Party) now or hereafter owned by Grantor and now or hereafter covered by such licenses (collectively, the "Licenses");

(e) all Plant Variety Protection certificates and applications issued by the United States Department of Agriculture Plant Variety Protection Office ("PVP's") to the Grantor (including without limitation the PVP's listed on Schedule V attached hereto and incorporated herein by reference); and

(f) all proceeds of any of the foregoing.

In addition, Grantor has executed in blank and delivered to Secured Party an assignment of licenses and federally registered patents, trademarks and copyrights (the "IP Assignment") owned by it in the form of Exhibit A hereto. Grantor hereby authorizes Secured Party to complete as assignee and record with the United States Patent and Trademark Office (the "Patent and Trademark Office"), the United States Copyright Office (the "Copyright Office") and/or the United States Department of Agriculture Plant Variety Protection Office each IP Assignment upon the occurrence of an Event of Default that is continuing at the time of filing.

2. Security for Obligations. The security interests granted under this Agreement (the "Security Interests") by Grantor secure the payment of all obligations of Grantor under, in respect of or in connection with this Agreement and the Reimbursement Agreement (including without limitation the Obligations), respectively, and each other Related Document to which Grantor is or becomes a party (all such obligations being the "Secured Obligations").

The Security Interests granted by this Agreement are granted in conjunction with the security interests granted to Secured Party in other assets of Grantor pursuant to the other Related Documents.

3. Collateral Assignment. In addition to, and not in limitation of, the grant of the Security Interests in the Patents, Trademarks, Copyrights, Licenses and PVP's in Section 1 above, Grantor hereby grants, assigns, transfers, conveys and sets over to Secured Party, Grantor's entire right, title and interest in and to the Patents, Trademarks, Copyrights, Licenses and PVP's; provided, that such grant, assignment, transfer and conveyance shall become effective only at the election of Secured Party after the occurrence of an Event of Default that is continuing at the time of such election. Grantor hereby agrees that after the effectiveness of such grant, assignment, transfer and conveyance of any of the Patents, Trademarks, Copyrights, Licenses and PVP's, the use by Secured Party of any of such Patents, Trademarks, Copyrights, Licenses and PVP's shall be without any liability for royalties or other related charges from Secured Party to Grantor.

4. Further Assurances.

(a) Grantor agrees that from time to time, at the expense of Grantor, Grantor will promptly execute and deliver all further instruments and documents and take all further action that may be necessary or desirable in Secured Party's determination, or that Secured Party may reasonably request, in order to (i) continue, perfect and protect any Security Interest granted or purported to be granted hereby, (ii) perfect Secured Party's Security Interest in and assign to Secured Party as security for the repayment and satisfaction of the Secured Obligations, all Collateral located in any foreign jurisdiction, and (iii) enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to any part of the Collateral. Without limiting the generality of the

foregoing, Grantor will execute and file (with the appropriate governmental offices, authorities, agencies and regulatory bodies in the United States and any applicable foreign jurisdiction) such supplements to this Agreement and such financing or continuation statements, or amendments thereto, and such other instruments or notices, including executed IP Assignments, with the Patent and Trademark Office and the Copyright Office, as may be necessary or desirable, or as Secured Party, on behalf of Secured Party, may reasonably request, in order to perfect and preserve the Security Interests granted hereby. Additionally, Grantor agrees that it shall file the Sale Approval Order issued by the Bankruptcy Court in connection with the Acquisition with (i) the Patent and Trademark Office and (ii) the United States Department of Agriculture Plant Variety Protection Office.

(b) Grantor hereby authorizes Secured Party, on behalf of Secured Party, upon the occurrence and during the continuation of an Event of Default, to file, where permitted by law, one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of Grantor. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(c) Grantor will furnish to Secured Party from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Secured Party may reasonably request, all in reasonable detail.

(d) Grantor agrees that, should it have or obtain an ownership interest in any United States or foreign patent or patent application material to its business that is not now identified on Schedule I, any trademark or trademark application material to its business that is not now identified on Schedule II or any copyright or copyright application material to its business that is not now identified on Schedule III, any license agreement in respect of any patent, trademark or copyright material to its business that is not now identified on Schedule IV, or any PVP material to its business that is not now identified on Schedule V, (i) the provisions of this Agreement shall automatically apply to such item, and such item shall automatically become part of the Collateral; (ii) Grantor shall, within three months after acquiring or becoming aware of such ownership interest, (A) give written notice thereof to Secured Party, (B) with respect to Trademarks and Patents, cause such Trademarks and Patents to be properly registered with the Patent and Trademark Office, (C) with respect to Copyrights, cause such Copyrights to be registered with the Copyright Office and (D) with respect to Patents, Trademarks, Copyrights, Licenses and PVP's, prepare, execute and file in the Patent and Trademark Office, the Copyright Office, the Department of Agriculture Plant Variety Protection Office, or in the equivalent agencies in any foreign jurisdiction, within the requisite time period, all documents that are known by Grantor to be necessary or that Secured Party reasonably requests in order to perfect the Security Interest of Secured Party therein. Grantor authorizes Secured Party to execute and file such a document in the name of Grantor if Grantor fails to do so.

(e) Grantor agrees that should any of its subsidiaries (other than a corporation which is a party hereto and whether now or hereafter existing) obtain any ownership interest in any United States or foreign intellectual property of a nature that would be Collateral hereunder if owned by Grantor, Grantor shall either cause such corporation (i) to become a party hereto, or (ii) to transfer and assign all such corporation's ownership interests therein to Grantor, whereupon the provisions of subsection (d) of this Section 4 shall be applicable thereto.

(f) Grantor agrees: (i) to take all necessary steps in any proceeding before the Patent and Trademark Office, the Copyright Office or any similar office or agency in any other country or any political subdivision thereof or in any court, to maintain and pursue each patent application now or hereafter included in the Collateral and to maintain each patent, trademark or copyright now or hereafter included in the Collateral, including the filing of divisional, continuation, continuation-in-part and substitute applications, the filing of applications for reissue, renewal or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition and infringement proceedings; (ii) to take corresponding steps with respect to material unpatented inventions on which Grantor is now or hereafter becomes entitled to seek protection; (iii) to bear any expenses incurred in connection with such activities; and (iv) not to abandon any right to file a material patent application, or abandon any material pending application with respect to any of the Collateral, without the prior written consent of Secured Party.

(g) Grantor shall not do any act or omit to do any act whereby any of the Collateral may become dedicated or abandoned, except where such dedication or abandonment (i) will not materially adversely affect the business, condition (financial or otherwise), operations, performance, or properties of Grantor individually or of Grantor and its subsidiaries taken as a whole, and (ii) is in the ordinary course of Grantor's business. Grantor agrees to notify Secured Party promptly and in writing if it learns that any of the Collateral may become abandoned or dedicated or of any adverse determination or any development (including without limitation the institution of any proceeding in the Patent and Trademark Office, the Copyright Office or in the equivalent agencies in any foreign jurisdiction, or any court) regarding any material part of the Collateral.

(h) Grantor agrees that in the event that any of the Collateral as to which it has granted the Security Interests is infringed or misappropriated by a third party, Grantor shall promptly notify Secured Party and shall take all reasonable steps to terminate the infringement or misappropriation, and take such other actions as Grantor shall deem appropriate under the circumstances to protect such Collateral. Any expense incurred in connection with such activities shall be borne by Grantor.

(i) Grantor agrees (i) to maintain the quality of any and all products in connection with which the Collateral is used, consistent with the quality standards established by Grantor for said products as of the date of determination, and (ii) to provide Secured Party, on behalf of Secured Party, at least quarterly, with a certificate of an officer of Grantor certifying Grantor's compliance with the foregoing subsections 4(a) through 4(j).

(j) Grantor agrees that it will promptly correct any defect or error that may be discovered in this Agreement, any document executed pursuant hereto or the execution, acknowledgment or recordation thereof.

(k) Grantor shall continue to mark its products according to statute with the numbers of all appropriate Patents.

5. **General Representations and Warranties.** Grantor represents and warrants as follows:

(a) It has the unqualified right to enter into this Agreement and to perform its terms.

(b) No authorization, consent, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body or any other Person is required either (i) for the grant by Grantor of the Security Interests granted hereby (excluding such licenses which, by their terms, required the consent of the licensor to assign the license but as to which Grantor represents and warrants such consent has been made in writing, copies of which have been delivered to Secured Party) or for the execution, delivery or performance of this Agreement by Grantor, or (ii) for the perfection of or the exercise by Secured Party of its rights and remedies hereunder, except for the filing of this Agreement, and any documents required to establish Grantor as the owner of record, with the Patent and Trademark Office, the Copyright Office and with the equivalent offices in any foreign jurisdiction with respect to each Trademark, and the filings required by the Uniform Commercial Code of the State in which Grantor maintains its chief executive office, and except to the extent that the exercise of rights and remedies may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditors rights generally or by general principles of equity.

(c) Set forth on Schedule IV is a list, which is complete and accurate in all material respects as of the date hereof, of Licenses of Grantor necessary for the conduct of its business as currently conducted or utilized and material in Grantor's operations or materially used in the selling or marketing of Grantor's products, including the expiration date of such Licenses.

(d) To the best of Grantor's knowledge, which knowledge is based in part on the Sale Approval Order issued by the Bankruptcy Court in connection with the Acquisition, each License of Grantor identified on Schedule IV is validly subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and is, to Grantor's knowledge, valid and enforceable. No action or proceeding is pending or threatened seeking to limit, cancel or question the validity of Collateral.

(e) It has notified Secured Party in writing of all uses of any Patent, Trademark, Copyright or PVP, prior to Grantor's use, of which Grantor is aware, which would in the reasonable judgment of Grantor lead to such item becoming invalid or unenforceable, including prior unauthorized uses by third parties and uses that were not supported by the goodwill of the business connected with such item.

(f) It has not granted any release, covenant not to sue, or non-assertion assurance to any third person, with respect to any part of the Collateral.

(g) The actions contemplated under or in connection with the Related Documents will not impair the legal right of Grantor to use any of the Collateral.

(h) Except as disclosed to Secured Party in writing prior to the date of this Agreement, Grantor has no knowledge of the existence of any right under any patent, trademark, license agreement, trade name, trade secret, know-how, confidential research, development and commercial information, or other proprietary information held by any other Person that would preclude Grantor from publishing, distributing, marketing, selling, or using any product currently made by it, being made for it or sold or used by it, imported by it or exported by it, as the case may be, or to use any processes currently used by it (except, in each case, to the extent that Grantor has granted an exclusive license to another Person), or materially interfere with the ability of Grantor to carry on its business as currently carried on, and Grantor has no knowledge of any claim to the contrary that is likely to be made.

(i) None of Grantor's subsidiaries (except to the extent that such subsidiaries are also Grantors hereunder) has an ownership interest in any patents, patent applications, copyrights, copyright applications, trademark, trade name, trade dress, service marks, trademark or service mark registrations or any applications for trademark or service mark registration or any other intellectual property of a nature that would be Collateral hereunder if owned by Grantor.

(j) No claim has been made against Grantor (and, as to Collateral with respect to which Grantor is a licensor, to the knowledge of Grantor, no claim has been made against the third party licensee), and Grantor has no knowledge of any claim that is likely to be made, that the use by Grantor of any Collateral does or may violate the rights of any Person.

6. Patent Representations and Warranties. Grantor represents and warrants as follows:

(a) It is the sole legal and beneficial owner of the Patents set forth opposite its name on Schedule I hereto, free and clear of any lien, security interest, option, charge, pledge, assignment (whether conditional or not), or any other encumbrance except for the security interests created or permitted by this Agreement, the Permitted Encumbrances or the Reimbursement Agreement and certain Licenses and registered user agreements described on Schedule IV and no financing statement or other instrument similar in effect covering all or any part of such Collateral is on file in any recording office, except such as may have been filed in favor of Secured Party, the Bank and ABT Group, LLC..

(b) Set forth on Schedule I is a list of all of the Patents owned by Grantor necessary for the conduct of its business as currently conducted or utilized in Grantor's operations or used in the selling or marketing of Grantor's products.

(c) Each Patent of Grantor identified on Schedule I hereto is subsisting and has not been adjudged unpatentable, invalid or unenforceable, in whole or in part, and to

the knowledge of Grantor is patentable, valid and enforceable, and each of such Patent applications has been filed in conformity with applicable rules and procedures of the Patent and Trademark Office and of the equivalent agencies in each applicable foreign jurisdiction and will be diligently prosecuted in conformity therewith so as not to become improperly abandoned.

7. Trademark Representations and Warranties. Grantor represents and warrants as follows:

(a) It is the sole, legal and beneficial owner of the entire right, title and interest in and to the Trademarks purported to be granted by it hereunder, free and clear of any lien, security interest, option, charge, pledge, registered user agreement, assignment (whether conditional or not), or covenant, or any other encumbrance, except for the Security Interests created or permitted by this Agreement, Permitted Encumbrances and certain Licenses and registered user agreements described on Schedule IV. No financing statement or other instrument similar in effect covering all or any part of the Trademarks purported to be granted by Grantor hereunder is on file in any recording office, including, without limitation, the Patent and Trademark Office and the equivalent offices in any foreign jurisdiction, except such as may have been filed in favor of Secured Party, the Bank, ABT Group, LLC or as otherwise disclosed to Secured Party.

(b) Set forth on Schedule II is a list of all of the Trademarks owned by Grantor necessary for the conduct of its business as currently conducted or utilized and material in Grantor's operations or used in the selling or marketing of Grantor's products.

(c) To the best of Grantor's knowledge, which knowledge is based in part on the Sale Approval Order issued by the Bankruptcy Court in connection with the Acquisition, each Trademark of Grantor identified on Schedule II is validly subsisting and has not been abandoned or adjudged invalid, unregistrable or unenforceable, in whole or in part, and is, to Grantor's knowledge, valid, registrable and enforceable.

8. Copyright Representations and Warranties. Grantor represents and warrants as follows:

(a) It is the sole, legal and beneficial owner of the entire right, title and interest in and to the Copyrights purported to be granted by it hereunder, free and clear of any lien, security interest, option, charge, pledge, registered user agreement, assignment (whether conditional or not), or covenant, or any other encumbrance, except for the Security Interests created or permitted by this Agreement, Permitted Encumbrances and certain Licenses and registered user agreements described on Schedule IV. No effective financing statement or other instrument similar in effect covering all or any part of the Copyrights purported to be granted by Grantor hereunder is on file in any recording office, including, without limitation, the Copyright Office and the equivalent offices in any foreign jurisdiction, except such as may have been filed in favor of Secured Party, the Bank and ABT Group, LLC.

(b) Set forth on Schedule III is a list of all of the Copyrights owned by Grantor necessary for the conduct of its business as currently conducted or utilized and

material in Grantor's operations or materially used in the selling or marketing of Grantor's products.

(c) Each Copyright of Grantor identified on Schedule III is validly subsisting and has not been abandoned or adjudged invalid, unregistrable or unenforceable, in whole or in part, and is, to Grantor's knowledge, valid, registrable and enforceable.

9. PVP Representations and Warranties. Grantor represents and warrants as follows:

(a) It is the sole, legal and beneficial owner of the entire right, title and interest in and to the PVP's purported to be granted by it hereunder, free and clear of any lien, security interest, option, charge, pledge, registered user agreement, assignment (whether conditional or not), or covenant, or any other encumbrance, except for the Security Interests created or permitted by this Agreement, Permitted Encumbrances and certain Licenses and registered user agreements described on Schedule IV. No financing statement or other instrument similar in effect covering all or any part of the PVP's purported to be granted by Grantor hereunder is on file in any recording office, including, without limitation, the United States Department of Agriculture Plant Variety Protection Office and the equivalent offices in any foreign jurisdiction, except such as may have been filed in favor of Secured Party, the Bank, ABT Group, LLC or as otherwise disclosed to Secured Party.

(b) Set forth on Schedule V is a list of all of the PVP's owned by Grantor necessary for the conduct of its business as currently conducted or utilized and material in Grantor's operations or used in the selling or marketing of Grantor's products.

(c) To the best of Grantor's knowledge, which knowledge is based in part on the Sale Approval Order issued by the Bankruptcy Court in connection with the Acquisition, each PVP of Grantor identified on Schedule V is validly subsisting and has not been abandoned or adjudged invalid, unregistrable or unenforceable, in whole or in part, and is, to Grantor's knowledge, valid, registrable and enforceable.

10. Transfers and Other Liens. Grantor shall not:

(a) sell, assign (by operation of law or otherwise) or otherwise dispose of any of, or grant any option with respect to, the Collateral, except as permitted by the Reimbursement Agreement, except that Grantor may license the Collateral (i) in the ordinary course of Grantor's business, provided that such license is necessary or desirable in the conduct of Grantor's business, or (ii) in connection with a sale of assets in compliance with the Reimbursement Agreement, provided that such license shall be on terms reasonably expected to maximize the gain to Grantor resulting from the granting of such license. Secured Party shall execute any documents that Grantor may reasonably request in order to permit Grantor to exercise its right hereunder to license the Collateral, provided that Secured Party shall not be required to do anything that may, in the sole judgment of Secured Party, adversely affect the validity of the Security Interests or the assignment of the Collateral located in any foreign jurisdiction;

(b) create, permit, or suffer to exist any lien, security interest or other charge or encumbrance upon or with respect to any of the Collateral except for the Security Interests created by this Agreement and the Permitted Encumbrances; or

(c) take any other action in connection with any of the Collateral that would impair the value of the interest or rights of Grantor in the Collateral or that would impair the interest or rights of Secured Party.

11. Secured Party Appointed Attorney-in-Fact. Without limiting any other provision of this Agreement, upon the occurrence and during the continuance of an Event of Default, Grantor hereby irrevocably appoints Secured Party as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor or otherwise, from time to time in Secured Party's discretion, to take any action and to execute any instrument that Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(b) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (a) above;

(c) to file any claims or take any action or institute any proceedings that Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of Secured Party with respect to any of the Collateral; and

(d) to execute, in connection with the sale provided for in Section 14 hereof, any endorsement, assignments, or other instruments of conveyance or transfer with respect to the Collateral.

12. Secured Party May Perform.

(a) If Grantor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the expenses of Secured Party incurred in connection therewith shall be payable by Grantor under Section 15(b) hereof to the fullest extent permitted by applicable law.

(b) Secured Party or its designated representatives shall have the right, to the extent reasonably requested and upon reasonable prior notice, at any reasonable time during normal business hours of such Grantor and from time to time, to inspect Grantor's premises and to examine Grantor's books, records and operations relating to the Collateral.

13. Secured Party's Duties. The powers conferred on Secured Party hereunder are solely to protect the interest of Secured Party in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any

Collateral in its possession and the accounting for moneys actually received by it hereunder, Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if such Collateral is accorded treatment substantially equal to that which such party accords its own similar property.

14. Remedies Upon Acceleration Event. If an Event of Default shall have occurred and be continuing:

(a) Secured Party may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the Uniform Commercial Code as in effect in the State of North Carolina (the "UCC") and also may (i) exercise any and all rights and remedies of Grantor under, in connection with, or otherwise in respect of, such Collateral, including the completion and filing of the IP Assignment, (ii) require Grantor to, and Grantor hereby agrees that it will at its expense and upon request of Secured Party forthwith, assemble all or part of the documents embodying such Collateral as directed by Secured Party and make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both Secured Party and Grantor, (iii) occupy any premises owned or leased by Grantor where documents embodying such Collateral or any part thereof are assembled for a reasonable period in order to effectuate Secured Party's rights and remedies hereunder or under applicable law, without obligation to Grantor in respect of such occupation, (iv) license such Collateral or any part thereof, and (v) without notice except as specified below, sell such Collateral or any part thereof in one or more parcels at public or private sale, at any of Secured Party's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as Secured Party may deem commercially reasonable. Grantor agrees that at least ten days' notice to Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Secured Party shall not be obligated to make any sale of the Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by Grantor under or in connection with any of such Collateral shall be received in trust for the benefit of the Secured Party, shall be segregated from other funds of Grantor and shall be immediately paid over to Secured Party in the same form as so received (with any necessary endorsement).

(c) All payments made under or in connection with or otherwise in respect of the Collateral, and all cash proceeds received by Secured Party in respect of any sale of, collection from, or other realization upon all or any part of such Collateral may, in the discretion of Secured Party, be held by Secured Party as collateral for, and then or at any time thereafter applied (after payment of any amounts payable to Secured Party pursuant to Section 15 hereof) against all or any part of the Secured Obligations. Any sale or other disposition of the Collateral and the possession thereof by Secured Party shall be in

compliance with all provisions of applicable law (including applicable provisions of the UCC).

15. Indemnity and Expenses.

(a) Grantor agrees to indemnify Secured Party from and against any and all claims, losses and liabilities growing out of or resulting from this Agreement that are incurred thereby (including without limitation enforcement of this Agreement), except claims, losses or liabilities directly resulting from Secured Party's gross negligence or willful misconduct. The agreements in this subsection (a) shall survive repayment of all Secured Obligations, termination or expiration of this Agreement in any manner, including but not limited to termination in accordance with Section 29 hereof.

(b) Grantor will upon demand pay to Secured Party the amount of any and all reasonable expenses, including the reasonable fees and disbursements of its counsel and of any experts and agents, that Secured Party may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of Secured Party, or (iv) the failure by Grantor to perform or observe any of the provisions hereof.

16. Absolute Rights and Obligations. All rights of the Secured Party in the Security Interests granted hereunder, and each of the Secured Obligations, shall be absolute and unconditional irrespective of:

(a) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to departure from, the Reimbursement Agreement or any other Related Document, including, but not limited to, (i) an increase or decrease in the Secured Obligations and (ii) an amendment of any Related Document to permit Secured Party to extend further or additional credit to Grantor in any form including credit by way of loan, purchase of assets, guarantee or otherwise, which credit shall thereupon be and become subject to the Reimbursement Agreement and the other Related Documents as a Secured Obligation;

(b) any taking and holding of collateral or guarantees (including without limitation any collateral pledged as security for the Secured Obligations under the other Loan Documents) for all or any of the Secured Obligations; or any amendment, alteration, exchange, substitution, transfer, enforcement, waiver, subordination, termination or release of any such collateral or guarantees, or any non-perfection of any such collateral, or any consent to departure from any such guaranty;

(c) any manner of application of collateral, or proceeds thereof, securing payment or enforcement of all or any of the Secured Obligations, or the manner of sale of any such collateral;

(d) any consent by Secured Party to the change, restructure or termination of the corporate structure or existence of Grantor and any corresponding restructure of the

Secured Obligations, or any other restructure or refinancing of the Secured Obligations or any portion thereof;

(e) any modification, compromise, settlement or release by Secured Party, by operation of law or otherwise, collection or other liquidation of the Secured Obligations or the liability of Grantor or any guarantor, or of any collateral for the Secured Obligations (including without limitation any collateral pledged as security for the Secured Obligations under the other Related Documents), in whole or in part, and any refusal of payment by Secured Party or any Secured Party in whole or in part, from any obligor or other guarantor in connection with any of the Secured Obligations, whether or not with notice to, or further assent by, or any reservation of rights against, Grantor; or

(f) any other circumstance (including without limitation any statute of limitations) that might otherwise constitute a defense available to, or a discharge of, Grantor or any guarantor.

The granting of a Security Interest in the Collateral shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Secured Obligations is rescinded or must otherwise be returned by Secured Party, upon the insolvency, bankruptcy or reorganization of Grantor or otherwise, all as though such payment had not been made.

17. Waiver. Grantor hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Secured Obligations and this Agreement and any requirement that the Secured Party protect, secure, perfect or insure any Security Interest or any Collateral subject thereto or exhaust any right or take any action against Grantor or any other Person (including without limitation any Guarantor) or any collateral securing payment of the Secured Obligations (including without limitation any collateral pledged as security for the Secured Obligations under the other Related Documents).

18. Subrogation. Grantor further agrees with respect to this Agreement that it shall have no right of subrogation, reimbursement or indemnity, nor any right of recourse to security for the Secured Obligations. This waiver is expressly intended to prevent the existence of any claim in respect to such reimbursement by Grantor against the estate of Grantor within the meaning of Section 101 of the Bankruptcy Code, and to prevent Grantor from constituting a creditor of Grantor in respect of such reimbursement within the meaning of Section 547(b) of the Bankruptcy Code in the event of a subsequent case involving Grantor. If an amount shall be paid to Grantor on account of such subrogation rights at any time prior to termination of this Agreement in accordance with the provisions of Section 29 hereof, such amount shall be held in trust for the benefit of Secured Party and shall forthwith be paid to Secured Party to be credited and applied upon the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Reimbursement Agreement.

19. Amendments, Etc.

(a) Except as provided in subsection (b) of this Section 19, no amendment or waiver of any provision of this Agreement nor consent to any departure by Grantor therefrom shall in any event be effective unless the same shall be in writing and signed by

Secured Party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) Upon the execution and delivery by any Person of a supplement to this Agreement, which such supplement shall be in the form of Exhibit B hereto, pursuant to which such Person agrees to become a party hereto (each an "Intellectual Property Security Agreement Supplement"), (i) such Person or entity shall be referred to as an "Additional Grantor" and shall be and become a Grantor and each reference in this Agreement to "Grantor" shall also mean and be a reference to such Additional Grantor, and (ii) the schedules attached to each Intellectual Property Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I, II, III, IV and V hereto, and Secured Party may attach such supplements to such Schedules, and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant hereto.

(c) Any person that executes an Intellectual Property Security Agreement Supplement shall also execute and deliver such financing statements and all further instruments and documents and take all further action that may be necessary or desirable or that Secured Party may reasonably request in order to perfect and protect any Security Interest purported to be granted thereby.

20. Continuing Security Interest; Assignments Under the Reimbursement Agreement

(a) This Agreement shall create a continuing Security Interest in the Collateral and shall remain in full force and effect until terminated in accordance with the provisions of Section 29 hereof.

(b) Except as permitted by the Loan Agreement, no Grantor shall sell, lease, transfer or otherwise dispose of any item of Collateral during the term of this Agreement without the prior written consent of Secured Party to such sale, lease, transfer or other disposition.

(c) Upon the termination of this agreement in accordance with Section 29 hereof, the Collateral shall be automatically released from the liens created hereby, all rights to the Collateral shall automatically revert to Grantors, and this Agreement and all obligations of Grantors hereunder shall terminate without delivery of any instrument or performance of any act by any party. Upon such termination of this Agreement, Secured Party shall reassign and redeliver such Collateral then held by it and execute and deliver to Grantor such documents as it shall reasonably request to evidence such termination.

21. Additional Collateral. If Grantor shall acquire or hold any additional Patents, Trademarks, Copyrights or Licenses not listed on Schedules I, II, III or IV hereto which are required to be subject to an Intellectual Property Security Agreement pursuant to the terms of the Reimbursement Agreement (any such Patents, Trademarks, Copyrights or Licenses being referred to herein as the "Additional Collateral"), Grantor shall deliver to Secured Party (i) a revised Schedule I, II, III or IV hereto, as applicable, reflecting the ownership and pledge of such Additional Collateral and (ii) an Intellectual Property Security Agreement Supplement in the

form of Exhibit B hereto with respect to such Additional Collateral duly completed and signed by Grantor. Grantor shall comply with the requirements of this Section 21 concurrently with the acquisition of any such Additional Collateral.

22. Entire Agreement. This Agreement, together with the Reimbursement Agreement and the other Related Documents, constitutes and expresses the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings, inducements, commitments or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance or usage of the trade inconsistent with any of the terms hereof. Neither this Agreement nor any portion or provision hereof may be changed, altered, modified, supplemented, discharged, canceled, terminated, or amended orally or in any manner other than by an agreement, in writing signed by the parties hereto.

23. Further Assurances. Grantor agrees at its own expense to do such further acts and things, and to execute and deliver such additional conveyances, assignments, financing statements, agreements and instruments, as Secured Party may at any time reasonably request in connection with the administration or enforcement of this Agreement or related to the Collateral or any part thereof or in order better to assure and confirm unto Secured Party its rights, powers and remedies. Grantor hereby consents and agrees that the issuers of or obligors in respect of the Collateral shall be entitled to accept the provisions hereof as conclusive evidence of the right of Secured Party to exercise its rights hereunder with respect to the Collateral, notwithstanding any other notice or direction to the contrary heretofore or hereafter given by Grantor or any other Person to any of such issuers or obligors.

24. Binding Agreement; Assignment. This Agreement, and the terms, covenants, conditions, rights and remedies hereof, shall be binding upon and inure to the benefit of the parties hereto, and to their respective heirs, legal representatives, successors and assigns; provided, however, that Grantor shall not be permitted to assign any of its rights, powers, duties or obligations under this Agreement or any interest herein or in the Collateral, or any part thereof, or otherwise pledge, encumber or grant any option with respect to the Collateral, or any part thereof, or any cash or property held by Secured Party as Collateral under this Agreement, without the prior written consent of Secured Party.

25. Severability. If any term or provision of this Agreement is or shall become illegal, invalid or unenforceable in any jurisdiction, all other terms and provisions of this Agreement shall remain legal, valid and enforceable in such jurisdiction and such illegal, invalid or unenforceable provision shall be legal, valid and enforceable in any other jurisdiction.

26. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and it shall not be necessary in making proof of this Agreement to produce or account for more than one such fully-executed counterpart.

27. Termination. This Agreement and all obligations of Grantor hereunder shall terminate upon payment in full of all Obligations under the Reimbursement Agreement and the other Related Documents.

28. Remedies Cumulative. All remedies hereunder are cumulative and are not exclusive of any other rights and remedies of Secured Party provided by law or under the Loan Agreement, the other Related Documents, or other applicable agreements or instruments. The execution of the Reimbursement Agreement shall be conclusively presumed to have been made in reliance upon Grantor's grant of a Security Interest in the Collateral pursuant to the terms hereof. Secured Party hereby acknowledges that the rights and remedies of Secured Party under this Agreement (including, without limitation, the liens and security interests provided herein) are subject to the subordination provisions in favor of the Bank as set forth in the BBT Guaranty.

29. Notices. Any notice required or permitted hereunder shall be given at the address of Grantor or the Secured Party indicated in the Reimbursement Agreement. All such notices shall be given and shall be effective as provided in the Reimbursement Agreement.

30. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NORTH CAROLINA APPLICABLE TO CONTRACTS EXECUTED, AND TO BE FULLY PERFORMED, IN SUCH STATE.
