Borrower agrees that it will not, without the Lender's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and Borrower further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others subject to its control, including, without limitation, licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to the Lender under this Agreement or the rights associated with the Trademarks, Patents and Copyrights.

Borrower hereby agrees to immediately provide to Lender a copy of any and all writings pertaining to the Trademarks, Patents and Copyrights received from time to time, including but not limited to any default by Borrower with respect to its obligations to The Gillette Company and the rights of The Gillette Company in the Trademarks, Patents and Copyrights.

9. New Trademarks, Patents and Copyrights. Borrower represents and warrants that (a) the Trademarks, Patents and Copyrights listed on Schedule 1, 2 and 3 include all of the trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, patents whether registered or pending applications, and copyrights whether registered, pending applications, published or unpublished works, owned or held by Borrower on the date hereof, and (b) no Liens, claims or security interests in such Trademarks, Patents and Copyrights have been granted by Borrower to any Person other than the Lender and The Gillette Company. If prior to the termination of this Agreement, Borrower shall (i) obtain rights to any new trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks, patents, copyrights, service mark, patent or copyright applications, service mark, patent or copyright licenses or service mark, patent or copyright license renewals or license agreements whether as licensee or licensor, the provisions of paragraphs 4, 5 and 6 above shall automatically apply thereto (to the extent permitted by licensors under agreements in connection with the granting of such licenses). Borrower shall give to Lender prompt written notice of events described in clauses (i) and (ii) of the preceding sentence promptly after the occurrence thereof. Borrower hereby authorizes Lender to modify this Agreement unilaterally (i) by amending Schedules 1, 2 and 3 to include any future trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, patents, patent applications, copyrights, copy right applications, published or unpublished works, which are Trademarks, Patents or Copyrights under paragraphs 4, 5 and 6 above or under this paragraph 8 and (ii) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedules 1, 2 and 3 thereto, as the case may be, such future trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, patents and patent applications, copyrights, copyright applications, published and unpublished works.

10. Royalties. Borrower hereby agrees that the use by Lender of the Trademarks, Patents and Copyrights as authorized hereunder in connection with the Lender's exercise of its rights and remedies under paragraph 16 or pursuant to any Loan Document

shall be coextensive with such Borrower's rights thereunder and with respect thereto and without any liability for royalties or other related charges from Lender to Borrower.

11. Nature and Continuation of Lender's Security Interest; Termination of Lender's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks, Patents and Copyrights and shall terminate only when the Obligations have been paid in full in cash or otherwise satisfied to the satisfaction of Lender and the Lender is under no further obligation to extend credit to Borrower. When this Agreement has terminated, Lender shall promptly execute and deliver to Borrower, at Borrower's expense, all termination statements and other instruments as reasonably may be necessary or proper to terminate the Lender's security interest in the Trademarks, Patents and Copyrights, subject to any disposition thereof which may have been made by Lender pursuant to this Agreement or the Credit Agreement.

12. Duties of Lender. Lender shall not have any duty with respect to the Trademarks, Patents or Copyrights. Without limiting the generality of the foregoing, Lender shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks, Patents or Copyrights against any other parties, but Lender may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all expenses reasonably incurred in connection therewith shall be for the sole account of Borrower and shall be added to the Obligations secured hereby.

13. Lender's Right to Sue. From and after the occurrence and during the continuance of an Event of Default, Lender shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, Patents and Copyrights and, if Lender shall commence any such suit, Borrower shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents reasonably required by Lender in aid of such enforcement. Borrower shall, upon demand, promptly reimburse Lender for all costs and expenses reasonably incurred by Lender in the exercise of its rights under this paragraph 12 (including, without limitation, reasonable fees and expenses of attorneys, paralegals and other professionals for Lender).

14. Waivers. Lender's failure, at any time or times hereafter, to require strict performance by Borrower of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Borrower and Lender have such effect. No single or partial exercise of any right hereunder shall preclude any other or further

exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Borrower contained in this Agreement shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by an officer of Lender and directed to Borrower specifying such suspension or waiver.

15. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under the laws of the State of Florida, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

16. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 8 hereof or by a writing signed by the parties hereto.

17. Power of Attorney; Cumulative Remedies.

(a) Borrower hereby irrevocably designates, constitutes and appoints the Agent (and all officers, employees and agents of Lender designated by Lender in its sole and absolute discretion) as Borrower's true and lawful attorney-in-fact, and authorizes Lender and any of Lender's designees, in Borrower's or Lender's name, upon the occurrence and during the continuation of an Event of Default, to take any action and execute any instrument necessary or reasonably advisable to accomplish the purposes of this Agreement, including, without limitation, to (i) endorse Borrower's name on all applications, documents, papers and instruments necessary or reasonably desirable for Lender in the use of the Trademarks, Patents and Copyrights (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Patents or Copyrights to anyone, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks, Patents or Copyrights to anyone, and (iv) take any other actions with respect to the Trademarks, Patents or Copyrights as Lender deems in its best interest. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated. Borrower acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Credit Agreement or any other Loan Document, but rather is intended to facilitate the exercise of such rights and remedies.

(b) Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks, Patents and Copyrights may be located or deemed located. Upon the occurrence and during the continuance of an Event of Default and the election by Lender to exercise any of its remedies under the Code with respect to the Trademarks, Patents and Copyrights, Borrower agrees to assign, convey and otherwise transfer title in and to the Trademarks, Patents and Copyrights to Lender or any transferee of Lender and to execute and deliver to Lender or any such transferee all such agreements, documents and instruments as may be necessary, in Lender's reasonable discretion, to effect such assignment, conveyance and transfer. All of the Lender's rights and remedies with respect to the Trademarks, Patents and Copyrights, whether established hereby, by the Credit Agreement or by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and during the continuance of an Event of Default, Lender may exercise any of the rights and remedies provided in this Agreement, the Credit Agreement or any of the other Loan Documents. Borrower agrees that any notification of intended disposition of any of the Trademarks, Patents and Copyrights required by law shall be deemed reasonably and properly given if given at least ten (10) days, if such notice is given by facsimile or ten (10) days, if such notice is given by mail, before such disposition; provided, however, that Lender may give any shorter notice that is commercially reasonable under the circumstances.

18. Successors and Assigns. This Agreement shall be binding upon Borrower and Lender and their respective nominees, successors and assigns, and shall inure to the benefit of Borrower and Lender and their respective nominees, successors and assigns. Borrower's successors and assigns shall include, without limitation, a receiver or a trustee of for any of the Pledgors; provided, however, that Borrower shall not voluntarily assign or transfer its rights or Obligations hereunder without Lender's prior written consent.

19. Governing Law. This Agreement shall be construed and enforced and the rights and duties of the parties shall be governed in all respects in accordance with the laws and decisions of the State of Florida without reference to the conflicts or choice of law principles thereof.

20. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Credit Agreement.

21. Paragraph Titles. The paragraph titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.
