- (h) all general intangibles relating to the foregoing, including all associated goodwill; and
- (i) all proceeds of and rights associated with any and all of the foregoing (including, without limitation, claims by the Corporation against third parties for past, present or future infringement of the Intellectual Property, including those items listed in the Schedules to this Agreement, or for injury to the goodwill associated with the use of any of the Trademarks or for breach or enforcement of any License, Royalties and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty, or guarantee, payable by reason of loss or damage to or otherwise with respect to the Collateral.

Section 2.2 Obligations Secured. (1) The mortgages, charges, pledges and security interests granted hereby (collectively, the “**Security Interest**”) shall be continuing collateral security for the due payment and performance of all debts, liabilities and obligations, present or future, direct or indirect, absolute or contingent, matured or unmatured, joint or several or joint and several, at any time due or accruing due by the Corporation to the Lender under the Guarantee, whether incurred as principal or surety (collectively, and together with the expenses, costs and charges set out in Section 2.2(2), the “**Obligations**”).

Section 2.3 Attachment. (1) The Corporation and the Lender hereby acknowledge that (i) value has been given; (ii) the Corporation has rights in the Collateral (other than after-acquired Collateral); and (iii) they have not agreed to postpone the time of attachment of the Security Interest.

(2) The Corporation agrees to promptly inform the Lender in writing of the acquisition by the Corporation of any rights in or to any registrable or unregistrable intellectual property which is not adequately described herein or of the entitlement to the benefit of any application or registration therefore, and the Corporation agrees to execute and deliver at its own expense from time to time amendments to this Security Agreement or the schedules hereto or additional security agreements or schedules as may be required by the Lender in order that the Security Interest shall attach to such intellectual property.

Section 2.4 Scope of Security Interest. (1) Nothing in Section 2.1 shall be construed as a pledge by the Corporation (which term shall include a sub-license, mortgage, pledge or charge) of any Intellectual Property licensed to the Corporation as licensee or any License which, as a matter of Law or by its terms, may not be pledged without the consent or authorization of the licensor unless such consent or authorization has been obtained. To the

extent that the creation of the Security Interest would constitute a breach or permit the acceleration of any License to which the Corporation is a party, the Security Interest shall not attach to the Intellectual Property licensed thereby or the License but the Corporation shall hold its interest therein in trust for the Lender, and, in the case of any such potential breach or acceleration of any License, shall use its best efforts to obtain the consent of the other party thereto. Upon the Corporation obtaining the consent of such other party, the Security Interest shall be deemed to have automatically attached to such Intellectual Property and License.

(2) Until the Security Interest shall have become enforceable, the grant of the Security Interest in the Intellectual Property shall not affect in any way the Corporation's rights to commercially exploit the Intellectual Property, to defend the Intellectual Property, to enforce the Corporation's rights therein or with respect thereto against third parties in any court or to claim and be entitled to receive any damages with respect to any infringement or violation thereof.

(3) The Security Interest shall not extend or apply to the last day of any term of years reserved by a License, but the Corporation shall stand possessed of any such reversion in trust to assign and dispose thereof as the Lender may direct.

(4) The Lender will not be deemed in any manner to have assumed any obligation of the Corporation under any License nor shall the Lender be liable to any Governmental Body or license counterparties by reason of any default by any person under any contract. The Corporation agrees to indemnify and hold the Lender harmless of and from all liability, loss, damage or expense which it may or might incur by reason of any claim or demand against it based on its alleged assumption of the Corporation's duty and obligation to perform and discharge the terms, covenants and agreements in any License.

Section 2.8 Protective Disbursements. If the Corporation fails to perform any covenant on its part contained in this Security Agreement then the Lender may, in its absolute discretion, perform any such covenant capable of being performed by it and, if any such covenant requires the payment or expenditure of money, the Lender may make such payment but shall be under no obligation to do so, and all sums so paid or expended by the Lender shall be immediately payable by the Corporation, shall bear interest at the highest rate set forth in the Credit Agreement until paid and shall be secured hereby, having the benefit of the Lien hereby created in priority to the indebtedness evidenced by this Security Agreement. No such performance or payment shall relieve the Corporation from any default under this Security Agreement or any consequences of such default.
