AGREEMENT OF TRUST
OF THE
HANSEN'S TRUST

This Trust Agreement made as of the 21 day of July 1992, by and among HANSEN'S JUICES, INC., a California corporation ("HJI"), and HANSEN BEVERAGE COMPANY, a Delaware corporation ("HBC"), as the grantors/beneficiaries (sometimes hereinafter collectively called the "Grantors") and GARY HANSEN, ANTHONY KANE and BURTON S. ROSKY (sometimes hereinafter collectively called the "Trustees").

W I T N E S S E T H:

WHEREAS, the Grantors each own or are possessed of certain rights and interests, whether as owner, exclusive licensee or otherwise, in and to certain trademarks as described in Schedule A annexed hereto (collectively, the "Trademarks"); and

WHEREAS, the Grantors deem it to be in their best interest to provide for the entire right, title and interest in and to the Trademarks to be held in solido and, for this purpose, desire to assign and convey their respective rights and interests therein to a trust created for their mutual benefit; and

NOW THEREFORE, the Grantors, and each of them do hereby establish the Hansen's Trust (the "Trust"), which is neither a partnership, association nor a corporation, and, pursuant to a separate Assignment Agreement by and between the Grantors, of even date herewith (the "Assignment Agreement"), Grantors are assigning and settling over unto the Trustees all of their respective right, title and interest in and to the Trademarks, including their rights under a certain license agreement relating thereto, in trust, nevertheless, for the primary purpose of holding, protecting and licensing to Grantors and to others the Trademarks, with no objective separately to engage in the conduct of any trade or business, and upon the terms and conditions hereinafter set forth, and the Trustees hereby accept the Trust and such assignment and agree to hold said Trademarks and the respective interests therein for said uses and upon said terms and conditions, namely:

1. Pursuant to the Assignment Agreement, concurrently herewith (a) HJI is transferring, conveying and assigning to the Trustees on behalf of the Trust, its entire

right, title and interest in and to the Trademarks, including, without limitation, all of its right and interest as licensor under that certain agreement dated as of January 4, 1990 with California Copackers Corporation d/b/a Hansen Beverage Company (the "Copackers License") and the right to recover for past infringement of said Trademarks, together with the goodwill of the business in connection with which said Trademarks are used and which is symbolized thereby, and (b) HBC is transferring, conveying and assigning unto the Trustees on behalf of the Trust, its entire right, title and interest as licensee under the Copackers License. The respective rights and interests of the Grantors in and to the Trademarks hereby conveyed shall be held in trust by the Trustees on behalf of the Trust for the mutual benefit of the Grantors, as herein provided, until the termination or revocation of the Trust. Upon establishment of this Trust, the Trustees shall record the ownership of the Trademarks with the United States Patent and Trademark Office in the name of the Trust (or in the name of the Trustees, as may be appropriate) and shall separately license to each of the Grantors, as the case may be, and from time to time hereafter, to certain third parties, use of the Trademarks with respect to various beverage and other products pursuant to agreements in the forms annexed hereto as Exhibit A, B, C, D and E, and upon the terms and conditions set forth herein. Except as otherwise provided in any of such licenses and other agreements, nothing herein shall be deemed to preclude the Trustees from entering into any other license agreements with Grantors or with third parties with respect to the use of the Trademarks.

2. Except as provided above, the Trustees shall have no authority to sell, assign, transfer, hypothecate or otherwise encumber any of the Trademarks or any interest therein, nor shall they have the power to borrow funds, guarantee obligations of others, or otherwise engage in any business or activity, other than to hold the Trademarks and to grant licenses with respect to the use of the Trademarks and to perform their obligations thereunder as contemplated in the agreements annexed as Exhibits A through E hereof.

3. Any royalty income received by the Trust shall be first used for the payment of any expenses of administering the Trust. Any excess income received by the Trust shall be held in reserve for future expenses to the extent reasonably necessary or desirable, as reasonably determined by the Trustees, and any excess thereof shall be distributed or credited to HJI (or its designees) from time to time as the Trustees shall determine, but not less frequently than quarterly. The Trustees shall determine all matters with respect to what is principal and income of the Trust estate and the apportionment and allocation of receipts and expenses between those accounts in accordance with the California

Revised Uniform Principal and Income Act. Any such matters not provided for either in this instrument or in the California Revised Uniform Principal and Income Act shall be determined by the Trustees, in the Trustees' reasonable discretion.

4. The Trustees shall have no power to reinvest any funds received as royalties or otherwise to diversify the holdings in the Trust. Notwithstanding the foregoing provision, the Trustees may temporarily invest funds representing reasonable reserves for anticipated costs and expenses, if any, in demand or time deposits in banks or savings institutions, in short term certificates of deposit or treasury bills, in money market mutual funds, commercial paper or similar money market instruments and may vary the amounts of any balances deposited in any such account, mutual fund account or other similar investment.

5. The interest of any Grantor hereunder shall be freely transferable and may be sold, assigned, mortgaged, pledged or otherwise encumbered without the consent of any party; provided, that written notice of any such transfer shall be provided to the other Grantor and the Trustees within ten (10) days following the effective date of such transfer; provided, further, however, that (a) without the written consent of HBC, no such sale, assignment, mortgage, pledge or other encumbrance shall be permitted by HJI to a direct competitor of HBC which manufactures and/or sells carbonated beverages and/or any other Licensed Goods (as defined in that certain Carbonated Beverage License Agreement between the Trust and HBC of even date herewith), or (b) without the written consent of the Trustees, no such sale, assignment, mortgage, pledge or other encumbrance shall be permitted by HBC to a direct competitor of HJI which manufactures and sells fresh juices and/or any other Licensed Goods (as defined in that certain Fresh Juices License Agreement between the Trust and HJI of even date herewith).

6. In the administration of this Trust, the Trustees and their successors shall have the following powers, in addition to any powers elsewhere in this Trust Agreement conferred upon them: (a) to maintain bank accounts, money market mutual fund accounts or certificates of deposit, rent safe deposit boxes and provide other facilities for transactions concerning the properties held in the Trust and to maintain records showing the transactions of the Trustees and the respective interests of the Grantors, and to report a summary of such transactions to each Grantor at least once in each year; (b) to hire or retain employees, agents, accountants, attorneys, and other persons in connection with the holding, protection, conservation and licensing of the properties; (c) to enter into and conclude any of the license

or other agreements annexed hereto or contemplated to be entered into hereunder with Grantors or with third parties with respect to the use of the Trademarks whether or not the term of any such license or other agreement shall extend beyond the termination or revocation of this Trust; (d) to continue to hold in the form in which received any property received as part of this Trust, including unproductive or underproductive property, as long as the Trustees deem it advisable; (e) to do all other acts, including the execution of any and all documents, agreements and instruments incidental to carrying out the intent of this Trust Agreement, but in no event to do such acts as would cause the Trust (or the Trustees with respect thereto) to engage in any separate trade or business; and (f) to carry liability and property insurance with respect to any property held in trust hereunder.

7. The Trust hereunder shall terminate on the earlier of (i) eighty-nine (89) years from the date hereof, or (ii) upon the disposition of all of the properties in which the Trust is interested. In the event of the termination or revocation of the Trust for any reason, the Grantors' respective rights, title and interest in the assets originally contributed to the Trust, and/or rights and interests equivalent to or which may have been granted in substitution of or succeeded to those rights and interests originally contributed to the Trust and all rights, title and interest of the Trustees therein and thereto shall be distributed to each of the Grantors and/or their successors in interest and, simultaneously with such distribution, the Grantors, on behalf of themselves and/or their successors in interest, hereby agree (and bind themselves) to transfer, convey and assign such interests in the Trademarks to a further trust or other appropriate entity owned by or for the exclusive benefit of the Grantors and/or their successors in interest, so as to maintain in solido the ownership of the Trademarks and all existing license or other agreements entered into by or on behalf of the Trust, subject to and on the basis that the terms governing such further trust or other appropriate entity and the rights of the respective Grantor's, whether as licensees thereof or otherwise, shall be consistent with the terms hereof and the rights granted by the Trust pursuant hereto, mutatis mutandis, and the Grantors and/or their successors in interest shall do all other acts and things, including without limitation, the execution of any and all documents, agreements (including, license agreements) and instruments incidental to carrying out the intent of this provision. No termination or revocation of this Trust shall constitute or be deemed to constitute a termination of any license or other agreement theretofore entered into by or on behalf of the Trust, which shall survive in accordance with its terms. No Trustee shall be liable to the Grantors or their successors in interest or to any other

person for any loss, depreciation in value, injury or damage to the Trust or any part thereof however occasioned, unless resulting from his gross negligence or willful misconduct.

8. The remaining Trustees shall have the right to appoint a successor to act in the place and stead of any Trustee in the event of such Trustee's death, disability, resignation, withdrawal or failure to act hereunder, provided that such replacement Trustee shall serve only with the written consent of the Trustees then serving and provided, further, that such replacement Trustee shall be a direct descendant of, Hubert Hansen or the spouse of any such descendent, except that one Trustee shall at all times be an attorney at law who represents one or more of the Trustees (whether or not a descendant of Hubert Hansen). In the event the remaining Trustees shall fail to appoint any such replacement Trustee within 90 days of a Trustee's death, disability, resignation, withdrawal or failure to act hereunder, HBC shall have the right to appoint such replacement Trustee, subject to the terms set forth above. The number of Trustees acting hereunder shall not be more than five nor less than three. No bond or other security shall be required of the Trustees or any successor appointed as herein provided. At all times when there are three Trustees acting hereunder, the acts and decisions of a majority of them with respect to any matters shall have the same force and effect as if all Trustees had joined herein.

9. This Trust Agreement and the Trust created hereunder may be amended or revoked, in whole or in part, only with the written consent of both of the Grantors.

10. Each Trustee acting under this instrument shall exercise the power vested in the Trustee in good faith and in accordance with the Trustee's fiduciary duties. No Trustee shall have the power by reason of any administrative powers granted in this instrument to enlarge or shift the beneficial interests of the Trust except as an incidental consequence of the discharge of the Trustee's fiduciary duties.

11. Unless the Trustees receive notice of the occurrence of an event affecting the beneficial interests of the Trust, the Trustees shall not be liable to any beneficiary for distributions made or other actions taken in good faith as though the event had not occurred. The Trustees shall not be liable to any creditor for making distributions authorized by this instrument unless the Trustees have received actual written notice of the creditor's claim.

12. At the time for distribution of any property held in this Trust, the Trustees shall have the authority to withhold from distribution, without payment of interest, all or

any part of the Trust property, as long as the Trustees, in the Trustees' discretion, determine that the property may be subject to or required to satisfy conflicting claims, to tax deficiencies, or to liabilities, contingent or otherwise, properly incurred in the administration of the Trust; provided, however, that the foregoing shall not affect the vesting of any interest in any beneficiaries under this instrument or the accrual or crediting and payment of Trust income to any beneficiary.

13. All questions concerning the validity, construction, interpretation and administration of the trusts created in this instrument shall be governed by the laws of the State of California in force from time to time, regardless of whether the place of administration is changed to another state.

14. The Grantors and Trustees hereby expressly agree that any controversy or claim arising out of or relating to this Trust Agreement, or the breach thereof, shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (the "AAA") in Los Angeles, California, before three (3) arbitrators selected from the panels of arbitrators of the AAA. Any arbitration award shall be final, binding and conclusive upon the parties and judgment rendered thereon may be entered in any court having jurisdiction thereof. The prevailing party(ies) in any such arbitration shall be entitled to reimbursement from the other party(ies) of any expenses (including, without limitation, reasonable attorney's fees) incurred in connection with such arbitration.

15. No third party dealing with the Trustees shall be required to investigate the Trustees' authority for entering into any transaction or see to the application of the proceeds of any transaction. Any third party dealing with the Trustees may rely on a written certificate of the Trustees or the Trustees' attorney as to the existence of this Trust and the Trustees' authority under this instrument. The Trustees may omit the dispositive provisions of this instrument in any copy submitted to a third party and no third party shall have any duty to inquire into or be concerned with the dispositive provisions of this Trust.

16. If any provision of this instrument is unenforceable, the remaining provisions shall nevertheless remain in effect.

17. This Trust Agreement shall be binding upon and inure to the benefit of the executors, administrators, successors and assigns of the parties hereto.

18. Any notices or other communications required or permitted hereunder shall be sufficiently given if delivered personally or three (3) days after being sent by registered or certified mail, return receipt requested, postage prepaid, or transmitted by telecopy with oral confirmation, addressed as follows or to such other address of which the parties may have given notice in accordance with this paragraph:
