WITNESSETH:

WHEREAS, pursuant to that certain letter agreement dated as of the date hereof by and among Borrower and Lender (including all annexes, exhibits and schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Letter Agreement"), Lender has agreed to make certain loans to Borrower (the "Loans").

WHEREAS, Lender is willing to make the Loans as provided for in the Letter Agreement, but only upon the condition, among others, that Borrower shall have executed and delivered to Lender that certain Security Agreement dated as of the date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Borrower is required to execute and deliver to Lender this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

"Trademark" means all right, title and interest in and to any United States or foreign trademarks, service marks and trade names now held or hereafter acquired by Debtor which are registered in the United States Patent and Trademark Office or in a comparable office in any State of the United States or any foreign country or subdivision thereof; any registration or application for registration in any such office of any trademarks or service marks now held or hereafter acquired by Debtor, any unregistered trademarks, service marks, and trade names now used or owned, or used or owned hereafter, by Debtor; any domain names used or owned now or in the future by Debtor; any trade dress including logos, designs, company names, business names, fictitious business names and other business identifiers now used or owned, or used or owned hereafter, by Debtor in the United States or any foreign country; any rights under licenses from another person to use any such trademark, service mark, trade name, trade dress, or other above-described rights, and any contractual rights, whether or not in the nature of a license, pursuant to which Debtor has or may have use of any such rights.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Borrower hereby grants to Lender a continuing first priority security interest in all of Borrower's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks (including without limitation, rights to use trademarks owned by others pursuant to licenses) including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by Borrower against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Lender pursuant to the Security Agreement.
