## MASTER TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is entered into as of February 16, 2000 (this "Assignment") by and between YORK INTERNATIONAL CORPORATION, a Delaware corporation headquartered at 631 South Richland Avenue, York, Pennsylvania 17403 (together with its successors and permitted assigns, "Assignor"), and FRIGOSCANDIA INC., a Maryland corporation headquartered at 200 East Randolph Drive, Chicago, Illinois 60601 (together with its successors and permitted assigns, "Assignee").

### RECITALS:

A. Assignor and its subsidiaries are and have been engaged in the Business (as such term is defined in the Acquisition Agreement (as defined below)) (the "Business").

B. Assignor and FMC Corporation, a Delaware corporation, have entered into that certain Acquisition Agreement dated as of February 16, 2000 (as may be amended, modified or supplemented from time to time in accordance with the terms thereof, the "Acquisition Agreement") providing, subject to the terms and conditions set forth therein, for the sale, transfer, conveyance, assignment and delivery by Assignor (or Assignor's Affiliates) to Assignee (or Assignee's Affiliates) of all of Assignor's (or Assignor's Affiliates) right, title and interest in, to and under the Business and the Assets (as defined in Section 1.1 of the Acquisition Agreement), including the Transferred Intellectual Property (as such term is defined in Section 1.1.7 of the Acquisition Agreement) pertaining thereto.

C. Assignor (or Assignor's Affiliates) has adopted and registered certain trademarks and service marks described on Schedule A (collectively, the "Registered Trademarks"), and certain marks described on Schedule A hereto for which applications for registration are pending (the "Pending Trademarks"). (Any trademark intent-to-use application, service mark intent-to-use application, any trademark or service mark, trade name, trade style or corporate name that is not a Registered Trademark nor a Pending Trademark, and any Internet domain names which do not contain the word "York" and variations thereof used by Assignor (or its Affiliates) predominately in the conduct of the Business, together with the Registered Trademarks and the Pending Trademarks, each of the foregoing a "Trademark" and collectively, the "Trademarks").

D. Assignor desires to sell and assign to Assignee (or to cause Assignor's Affiliates to sell and assign to Assignee's Affiliates), and Assignee desires to purchase from Assignor (or to cause Assignee's Affiliates to acquire from Assignor's Affiliates), the Trademarks, together with the goodwill symbolized by such Trademarks.

NOW, THEREFORE, in consideration of the Recitals and the mutual agreements and covenants contained herein and in the Acquisition Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Trademark Assignment. Assignor hereby assigns and sets over unto Assignee (and agrees to cause its applicable Affiliates to assign and set over unto Assignee or Assignee's Affiliates, as the case may be) the following:

(a) Assignor's (or its Affiliates') entire right, title and interest in and to the Trademarks in the United States and in all foreign countries, whether or not such Trademarks have been registered prior to, on or after the date of this Assignment, and any and all renewals and extensions thereof, together with the goodwill of the Business carried on in connection with such Trademarks; and

(b) All claims, demands and rights of action, both statutory and based upon common law, that Assignor (or its Affiliates) have or might have by reason of any infringement of any Trademark prior to, on or after the date of this Assignment, together with the right to prosecute such claims, demands and rights of action in Assignee's (or its Affiliate's) own name.

2. Further Assurance. Assignor agrees that it shall (and shall cause its applicable Affiliates to) do, execute, acknowledge and deliver, at Assignee's expense, all acts, agreements, instruments, notices and assurances as may be reasonably requested by Assignee to further effect and evidence the transactions contemplated hereby.

3. Enforceability. If any provision of this Assignment shall be invalid or unenforceable, in whole or in part, or as applied to any circumstance, under the laws of any jurisdiction which may govern for such purpose, then such provision shall be deemed to be modified or restricted to the extent and in the manner necessary to render the same valid and enforceable, either generally or as applied to such circumstance, or shall be deemed excised from this Assignment, as the case may require, and this Assignment shall be construed and enforced to the maximum extent permitted by law as if such provision had been originally incorporated herein as so modified or restricted, or as if such provision had not been originally incorporated herein, as the case may be.

4. Amendment. This Assignment may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification, extension or discharge is sought.

5. No Third-Party Beneficiaries. Nothing expressed or implied in this Assignment is intended to confer upon any Person, other than the parties hereto and their respective Affiliates, or their respective successors or permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Assignment.

6. **GOVERNING LAW.** THIS ASSIGNMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE SUBSTANTIVE LAWS OF THE STATE OF DELAWARE (WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICT OF LAWS THEREOF) AND, TO THE EXTENT APPLICABLE, THOSE UNITED STATES LAWS, OR THE NATIONAL LAWS OF ANOTHER COUNTRY IN WHICH ANY OF THE TRADEMARKS IS USED, WHETHER OR NOT REGISTERED OR APPLIED FOR, AND THE APPROPRIATE RULES AND REGULATIONS GOVERNING TRADEMARKS IN THE RESPECTIVE COUNTRIES.

7. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same agreement.

8. Acquisition Agreement Governs. Notwithstanding anything in this Assignment to the contrary, the terms and provisions of the Acquisition Agreement shall control the extent of the sale and assignment made pursuant to this Assignment. Defined terms with initial capital letters that are used herein but not defined herein shall have the respective meanings, if any, set forth in the Acquisition Agreement.

9. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

[signature page follows]

IN WITNESS WHEREOF, each of Assignor and Assignee has caused this Master Trademark Assignment to be executed as of the date first written above.
