WHEREAS, the Grantor is entering into a Master Loan and Security Agreement dated as of even date herewith (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"; terms which are capitalized herein and not otherwise defined shall have the meanings given to them in the Loan Agreement) with the Lender, pursuant to which the Lender agreed to make loans and advances to the Grantor, subject to the terms and conditions set forth in the Loan Agreement; and

Notwithstanding the foregoing, the Grantor shall be permitted to abandon any of the Patents or Trademarks in accordance with the terms of Section 2(l).

(i) The Grantor shall promptly notify the Lender, in writing, of any suit, action, proceeding, claim or counterclaim brought against the Grantor that would reasonably be expected to affect adversely the Intellectual Property Collateral, and shall, on request, deliver to the Lender a copy of all pleadings, papers, orders or decrees theretofore and thereafter filed in any such suit, action or proceeding, and shall keep the Lender duly advised in writing of the progress of any such suit.

(a) If any Event of Default shall have occurred and be continuing, then and in every such case, subject to any mandatory requirements of law, the Lender, in addition to other rights and remedies provided for herein and any rights now or hereafter existing under applicable law, shall have all rights and remedies as a secured creditor under the Uniform Commercial Code or Personal Property Security Act in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Intellectual Property Collateral or any part thereof, from the Grantor or any other Person who then has possession of any part thereof, with or without notice or process of law, and for that purpose may enter upon the Grantor's premises where any of the Intellectual Property Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of the Grantor; and

To the extent permitted by any such Requirements of Law, the Lender may bid for and become the purchaser of the Intellectual Property Collateral or any item thereof, offered for sale in accordance with this Section without accountability to the Grantor (except to the extent of surplus money received). If, under mandatory Requirements of Law, the Lender shall be required to make disposition of the Intellectual Property Collateral within a period of time which does not permit the giving of notice to the Grantor as hereinabove specified, the Lender need give the Grantor only such notice of disposition as shall be reasonably practicable in view of such mandatory Requirements of Law. The Lender shall not be obligated to make any sale of Intellectual Property Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(c) Upon the occurrence and continuance of an Event of Default, the Lender shall have the right at any time to make any payments and do any other acts the Lender may deem necessary to protect its security interests in the Intellectual Property Collateral, including, without limitation, the rights to pay, purchase, contest or compromise any Lien which, in the reasonable judgment of the Lender, appears to be prior to or superior to the security interests granted hereunder, and appear in and defend any action or proceeding purporting to affect its security interests in, or the value of, the Intellectual Property Collateral. The Grantor hereby agrees to reimburse the Lender for all payments made and expenses incurred under this Agreement including reasonable fees, expenses and disbursements of attorneys and paralegals acting for the Lender, including any of the foregoing payments under, or acts taken to protect its security interests in, the Intellectual Property Collateral, which amounts shall be secured under this Agreement, and agrees it shall be bound by any payment made or act taken by the Lender hereunder absent the Lender's gross negligence or willful misconduct. The Lender shall have no obligation to make any of the foregoing payments or perform any of the foregoing acts.

(d) The Grantor hereby irrevocably authorizes and appoints the Lender, or any Person or agent the Lender may designate, as the Grantor's attorney-in-fact, with full authority in the place and stead of the Grantor and in the name

of the Grantor or otherwise, at the Grantor's cost and expense, in the Lender's good faith business judgment, to take any action and to execute any instrument that the Lender may deem necessary or advisable to accomplish the purposes and intents of this Agreement and to exercise all of the following powers upon and at any time after the occurrence and during the continuance of an Event of Default, which powers, being coupled with an interest, shall be irrevocable until all of the Obligations shall have been paid and satisfied in full:

- (i) ask for, demand, collect, bring suit, recover, compromise, administer, accelerate or extend the time of payment, issue credits, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Intellectual Property Collateral;
- (ii) receive, take, endorse, negotiate, sign, assign and deliver and collect any checks, notes, drafts or other instruments, documents and chattel paper, in connection with clause (i) above;

- (v) convey any item of Intellectual Property Collateral to any purchaser thereof;
- (vi) record any instruments under Section 2(g) hereof;
- (vii) make any payments or take any acts under Section 4(c) hereof; and
- (viii) file any claims or take any action or institute any proceedings that the Lender may reasonably deem necessary or desirable for the collection of any of the Intellectual Property Collateral or otherwise to enforce the rights of the Lender with respect to any of the Intellectual Property Collateral.

The Lender's authority under this Section 4(d) shall include, without limitation, the authority to execute and give receipt for any certificate of ownership or any document, transfer title to any item of Intellectual Property Collateral, sign the Grantor's name on all financing statements or any other documents deemed necessary or appropriate to preserve, protect or perfect the security interest in the Intellectual Property Collateral and to file the same, prepare, file and sign the Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with any Intellectual Property Collateral and prepare, file and sign the Grantor's name on a proof of claim in bankruptcy or similar document against any customer of the Grantor, and to take any other actions arising from or incident to the rights, powers and remedies granted to the Lender in this Agreement. This power of attorney is coupled with an interest and is irrevocable by the Grantor.

- e) All cash proceeds received by the Lender in respect of any sale of, collection from, or other realization upon all or any part of the Intellectual Property Collateral shall be applied by the Lender against the Obligations in such order as the Lender may determine.

Upon the occurrence and during the continuance of an Event of Default, the Lender shall have the right to notify payors of income, royalties, payments and damages under or in respect of the Intellectual Property Collateral to make payment directly to the Lender.
- (h) Each and every right, power and remedy hereby specifically given to the Lender shall be in addition to every other right, power and remedy specifically given under this Agreement or under the other Loan Documents or now or hereafter existing at law or in equity, or by statute, and each and every right, power and remedy whether

specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Lender. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of exercise of one shall not be deemed a waiver of the right to exercise of any other or others. No delay or omission of the Lender in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or any acquiescence therein.

(i) For the purpose of enabling the Lender to exercise rights and remedies under this Section 4 at such time as the Lender shall be lawfully entitled to exercise such rights and remedies, the Grantor hereby grants to the Lender an irrevocable, non-exclusive right (exercisable without payment of royalty or other compensation) to use or sub-license any of the Intellectual Property Collateral now owned or hereafter acquired by the Grantor, and wherever the same may be located, and including in such license, reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Lender shall be exercised, at the option of the Lender, solely upon the occurrence and during the continuance of an Event of Default; provided that any sub-license or other transaction entered into by the Lender in accordance herewith shall be binding upon the Grantor notwithstanding any subsequent cure of an Event of Default.

(h) **Survival of Provisions.** All representations, warranties and covenants of the Grantor contained herein shall survive the execution and delivery of this Agreement, and shall terminate only upon the full and final payment and performance by the Grantor of the Obligations secured hereby and termination of the Loan Agreement and the other Loan Documents.

(i) **Lender May Perform.** If the Grantor fails to perform any agreement contained herein, the Lender may itself perform, or cause performance of, such agreement, and the expenses of the Lender incurred in connection therewith shall be payable by the Grantor and shall constitute Obligations secured by this Agreement.

(j) **No Duty on Lender.** The powers conferred on the Lender hereunder are solely to protect the interest of the Lenders in the Intellectual Property Collateral and shall not impose any duty upon the Lender to exercise any such powers. Except for the safe custody of any Intellectual Property Collateral in its possession and the accounting for money actually received by it hereunder, the Lender shall have no duty as to any Intellectual Property Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters related to any Intellectual Property Collateral, whether or not the Lender has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any Person or any other rights pertaining to any Intellectual Property Collateral. The Lender shall be deemed to have exercised reasonable care in the custody and preservation of any Intellectual Property Collateral in its possession if such Intellectual Property Collateral is accorded treatment substantially equal to that which the Lender accords its own property. To the extent the Intellectual Property Collateral is held by a custodian, the Lender shall be deemed to have exercised reasonable care if it has selected the custodian with reasonable care.

(k) **Delays: Partial Exercise of Remedies.** No delay or omission of the Lender to exercise any right or remedy hereunder, whether before or after the happening of any Event of Default, shall impair any such right or shall operate as a waiver thereof or as a waiver of any such Event of Default. No single or partial exercise by the Lender of any right or remedy shall preclude any other or further exercise thereof, or preclude any other right or remedy.

(l) **Release: Termination of Agreement.** Subject to the provisions of subsection (g) hereof, upon the payment in full of the Obligations and the termination of the Loan Agreement, this Agreement shall terminate and all rights in the Intellectual Property Collateral shall revert to the Grantor. At such time, the Lender shall, upon the request and at the expense of the Grantor, (A) execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination and (B) reassign and redeliver to the Grantor all of the Intellectual Property Collateral hereunder which has not been sold, disposed of, retained or applied by the Lender in accordance with the terms hereof. Such reassignment and redelivery shall be without warranty by or recourse to the Lender, except as to the absence of any prior assignments by the Lender of its interest in the Intellectual Property Collateral.

(m) **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but both of which shall together constitute one and the same agreement.

(n) **GOVERNING LAW.** THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO, WITHOUT GIVING EFFECT TO CONFLICT OF LAW PRINCIPLES, EXCEPT TO THE EXTENT THAT CANADIAN FEDERAL LAW IS APPLICABLE.

(o) **SUBMISSION TO JURISDICTION.** ALL DISPUTES BETWEEN THE GRANTOR AND THE LENDER, WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE, SHALL BE RESOLVED ONLY BY COURTS OF COMPETENT JURISDICTION LOCATED IN THE PROVINCE OF ONTARIO OR BY THE FEDERAL COURT OF CANADA, WHERE APPLICABLE AND THE COURTS TO WHICH AN APPEAL
