TRADEMARK COLLATERAL AGREEMENT

This 10th day of October, 2000, Fixtures Manufacturing Corporation, a Missouri corporation ("*Debtor*") with its mailing address at 6530 Winner Road, Kansas City, Missouri, 64152, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Harris Trust and Savings Bank, an Illinois banking corporation, as collateral agent (in such capacity, the "*Collateral Agent*") for the Agent and the banks and other financial institutions (the "*Lenders*") from time to time parties to the Credit Agreement dated as of October 10, 2000 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among Jami, Inc., a Kansas corporation (the "*Borrower*"), the Lenders and Harris Trust and Savings Bank, as Agent, with its mailing address at 111 West Monroe Street, Chicago, Illinois 60690 and its successors and assigns (Harris Trust and Savings Bank in its capacity as such Collateral Agent is referred to herein as the "*Secured Party*"), and grants to Secured Party a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) Each trademark license listed on Schedule A hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A hereto or of any trademark licensed under a trademark license listed on Schedule A or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark license, in each case together with the right to sue for and collect said damages;

to secure performance of all of the Obligations as set out in that certain Security Agreement dated as of October 10, 2000, among the Borrower, the Debtor and the other parties from time to time named therein to the Secured Party (the "*Security Agreement*"). Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Secured Party of any applications by Debtor for a Trademark based on an intent to use the same if and so long as such application is pending and not matured into a registered Trademark (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Secured Party on such Intent-To-Use Application as collateral security for the Obligations.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

All terms defined in the Agreement, whether by reference or otherwise, when used herein, shall have their respective meanings set forth therein, unless the context requires otherwise.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
