Schorr, RxSite and the Company have deemed it advisable and in the best interest of Schorr, RxSite and the Company, respectively, and their respective shareholders, that Schorr and RxSite be merged with and into the Company as authorized by the laws of the State of Washington and pursuant to the terms and conditions of the Agreement.

2. The Merger. At the Effective Time of the Merger (as defined in Section 3 below) and subject to the applicable provisions of the Washington Business Corporation Act, as amended ("Washington Law") and the General Corporation Law of Delaware ("Delaware Law"), and in accordance with the terms and conditions of the Agreement, Schorr and RxSite shall be merged with and into the Company, the separate existences of Schorr and RxSite shall cease and the Company shall continue as the surviving corporation (the "Merger").

7. Conversion of Shares.

a. Exchange of Stock. Except as provided in Sections 7(b), 7(d) and 8, each share of the common stock of Schorr, no par value ("**Schorr Common Stock**") and each share of the common stock of RxSite, no par value ("**RxSite Common Stock**"), that is issued and outstanding immediately prior to the Effective Time of the Merger will by virtue of the Merger and at the Effective Time of the Merger, and without any further action on the part of the Company, Schorr, RxSite or any holder of Schorr Common Stock or RxSite Common Stock, be automatically converted into shares of common stock, \$0.001 par value per share, of the Company ("**Company Common Stock**") as follows:

- (i) each share of Schorr Common Stock shall be converted into 1.00 share (the "**Schorr Applicable Ratio**") of Company Common Stock
- (ii) each share of RxSite Common Stock shall be converted into 0.11 shares (the "**RxSite Applicable Ratio**") of Company Common Stock. The Schorr Applicable Ratio and the RxSite Applicable Ratio are referred to together as the "**Applicable Ratios**," and each as the "**Applicable Ratio**" of Schorr or RxSite, as appropriate.

b. Cancellation of Company-Owned Shares. Each share of Schorr Common Stock and RxSite Common Stock which is, immediately prior to the Effective Time of the

Merger, held in the treasury of Schorr and RxSite, respectively, shall be canceled and extinguished without any conversion thereof.

c. Adjustments for Capital Changes. If, prior to the Effective Time of the Merger, either Schorr or RxSite recapitalizes through a subdivision of its outstanding shares into a greater number of shares, or a combination of its outstanding shares into a lesser number of shares, or reorganizes, reclassifies or otherwise changes its outstanding shares into the same or a different number of shares of other classes, or declares a dividend on its outstanding shares payable in shares of its capital stock or securities convertible into shares of its capital stock, then the Applicable Ratio for the corporation effecting such recapitalization or change of outstanding shares will be adjusted appropriately so as to reflect fully the effect of such recapitalization by such corporation.

d. Fractional Shares. No fractional shares of Company Common Stock will be issued in connection with the Merger. The number of shares of Company Common Stock issued pursuant to the Agreement will instead be rounded down to the nearest whole number of shares, with no cash being payable for such fractional share.

e. Schorr and RxSite Options. At the Effective Time of the Merger, each of the then outstanding options to purchase shares of Schorr Common Stock (the "**Schorr Options**"), consisting of all outstanding options granted under the Schorr 1996 Stock Option Plan (the "**Schorr Stock Option Plan**") and each of the then outstanding options to purchase shares of RxSite Common Stock (the "**RxSite Options**") (and together with the Schorr Options, the "**Substituted Options**"), consisting of all outstanding options granted under the RxSite 1999 Stock Option Plan (the "**RxSite Stock Option Plan**") (and together with the Schorr Option Plan, the "**Option Plans**"), will by virtue of the Merger, and without any further action on the part of any holder thereof, be substituted with an option to purchase that number of shares of Company Common Stock (a "**HealthTalk Option**") under the Company's 2000 Stock Option Plan (the "**HealthTalk Stock Option Plan**"), determined by multiplying the number of shares of Schorr Common Stock or RxSite Common Stock, as applicable, subject to such Substituted Option at the Effective Time of the Merger, by the Schorr Applicable Ratio or RxSite Applicable Ratio, as applicable, at an exercise price per share of Company Common Stock equal to the exercise price per share of such Substituted Option immediately prior to the Effective Time of the Merger, divided by the Schorr Applicable Ratio or RxSite Applicable Ratio, as applicable, rounded up to the nearest cent. If the foregoing calculation results in a HealthTalk Option being exercisable for a fraction of a share of Company Common Stock, then the number of shares of Company Common Stock subject to such option will be rounded down to the nearest whole number of shares, with no cash being payable for such fractional share. The term, exercisability, vesting schedule, and status as an "incentive stock option" under Section 422 of the Internal Revenue Code of 1986, as amended (the "**Code**"), if applicable, of the Substituted Options will be reflected in the HealthTalk Options for which they are substituted.

f. Schorr and RxSite Warrants. At the Effective Time of the Merger, each of the then outstanding warrants to purchase shares of Schorr capital stock or RxSite capital stock (the "**Substituted Warrants**"), will by virtue of the Merger, and without any further action on

the part of any holder thereof, be assumed by the Company and converted into a warrant (a "HealthTalk Warrant") to purchase that number of shares of Company Common Stock determined by multiplying the number of shares of Schorr capital stock or RxSite capital stock, as applicable, subject to such Substituted Warrant at the Effective Time of the Merger by the Schorr Applicable Ratio or RxSite Applicable Ratio, as applicable, at an exercise price per share of Company Common Stock equal to the exercise price per share of such Substituted Warrant immediately prior to the Effective Time of the Merger divided by the Schorr Applicable Ratio or RxSite Applicable Ratio, as applicable, rounded up to the nearest cent. If the foregoing calculation results in a HealthTalk Warrant being exercisable for a fraction of a share of Company Common Stock, then the number of shares of Company Common Stock subject to such warrant will be rounded down to the nearest whole number of shares, with no cash being payable for such fractional share. The term, exercisability, vesting schedule and all other material terms and conditions of the Substituted Warrants will be unchanged and all references in any warrant agreement governing such Substituted Warrant shall be deemed to refer to the Company, where appropriate.

8. Dissenting Shares.

a. Notwithstanding any provision of the Agreement to the contrary, any shares of Schorr Common Stock or RxSite Common Stock held by a holder who has exercised and perfected dissenters' rights for such shares in accordance with Washington Law and who, as of the Effective Time of the Merger, has not effectively withdrawn or lost such dissenters' rights ("Dissenting Shares"), shall not be converted into or represent a right to receive Company Common Stock, but the holder thereof shall only be entitled to such rights as are granted by Washington Law.

b. Notwithstanding the provisions of subsection (a), if any holder of Dissenting Shares shall effectively withdraw or lose (through failure to perfect or otherwise) his or her dissenters' rights, then, as of the later of the Effective Time of the Merger and the occurrence of such event, such holder's shares shall automatically be converted into (pursuant to Section 7(a) hereof) and represent only the right to receive Company Common Stock, without interest thereon, upon surrender of the certificate representing such shares.

c. Schorr and RxSite shall each give the Company (i) prompt notice of any written demand for payment received by such corporation pursuant to the applicable provisions of Washington Law and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. Schorr and RxSite shall not, except with the prior written consent of the Company, voluntarily make any payment with respect to any such demands or offer to settle or settle any such demands.

d. Dissenting Shares, if any, after payments of fair value in respect thereto have been made to dissenting shareholders of Schorr and RxSite pursuant to Washington Law, shall be canceled.

9. Taking of Necessary Action; Further Action. If, at any time after the Effective Time of the Merger, any further action is necessary or desirable to carry out the purposes of this Plan of Merger and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of Schorr and RxSite, the officers and directors of Schorr and RxSite will take all such lawful and necessary action.

10. Shareholder Approval.

a. The Plan of Merger herein made and approved shall be submitted to the shareholders of Schorr and the shareholders of RxSite for their approval or rejection in the manner prescribed by the provisions of Washington Law.

b. In the event that this Plan of Merger shall have been approved by the shareholders entitled to vote of Schorr and by the shareholders entitled to vote of RxSite in the manner prescribed by the provisions of Washington Law, Schorr and RxSite hereby stipulate that they will cause to be executed and filed and/or recorded any document or documents prescribed by the laws of the State of Washington and the State of Delaware, and that they will cause to be performed all necessary acts therein and elsewhere to effectuate the Merger.

11. Implementation. The Boards of Directors and the proper officers of Schorr and of RxSite, respectively, are hereby authorized, empowered, and directed to do any and all acts and things, and to make, execute, deliver, file, and/or record any and all instruments, papers, and documents which shall be or become necessary, proper, or convenient to carry out or put into effect any of the provisions of this Plan of Merger or of the Merger herein provided for.

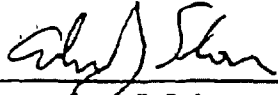

12. Adoption of Plan of Merger. This Plan of Merger was adopted by resolutions of the Boards of Directors of the Company, Schorr and RxSite.

13. Amendment. This Plan of Merger may, to the extent permitted by law, be amended, supplemented or interpreted at any time by action taken by the Boards of Directors of Schorr, RxSite and the Company; provided, however, that the Plan of Merger may not be amended or supplemented after having been approved by the shareholders of Schorr or RxSite except by a vote or consent of shareholders in accordance with applicable law.
