9. Reassignment to Assignor. Upon payment in full of the Debt and termination of the Credit Agreement, Administrative Agent shall execute and deliver to Assignor all assignments and other instruments as may be necessary or proper to re-vest in Assignor full title to the Patents, Trademarks and Licenses, subject to any disposition thereof which may have been made by Administrative Agent pursuant hereto or pursuant to the Credit Agreement.

Any expenses incurred in connection with such applications shall be borne by Assignor. Assignor shall not abandon any right to file a Patent application or Trademark application, or any pending Patent application, Trademark application, Patent, or Trademark without the consent of Administrative Agent.

11. Financing Statements; Documents. At the request of Administrative Agent, Assignor will join with Administrative Agent in executing one or more financing statements pursuant to the applicable version of the Uniform Commercial Code in form satisfactory to Administrative Agent and will pay the costs of filing and/or recording this Assignment and all financing, continuation and termination statements in all public offices where filing or recording is deemed necessary or desirable by Administrative Agent. Assignor will execute and deliver to Administrative Agent from time to time such supplemental assignments or other instruments, including, but not by way of limitation, additional assignments to be filed with the United States Patent and Trademark Office, as

Administrative Agent may require for the purpose of confirming Administrative Agent's interest in the Patents, Trademarks and Licenses.

12. Administrative Agent's Right to Sue. Administrative Agent shall have the same rights, if any, as Assignor has, but shall in no way be obligated, to bring suit in its own name to enforce the Licenses and the Patents and Trademarks, and any licenses thereunder, and, if Administrative Agent shall commence any such suit, Assignor shall, at the request of Administrative Agent, do any and all lawful acts and execute any and all proper documents required by Administrative Agent in aid of such enforcement and Assignor shall promptly, upon demand and as a part of the Debt, reimburse and indemnify Administrative Agent for all costs and expenses incurred by Administrative Agent in the exercise of its rights under this Paragraph 12.

13. Waivers. No course of dealing between Assignor and Administrative Agent nor any failure to exercise nor any delay in exercising, on the part of Administrative Agent, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Assignment are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Assignment in any jurisdiction.

15. Modification. This Assignment cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 5 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Effect on Credit Agreement. All of Administrative Agent's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby or by the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Assignor acknowledges and agrees that this Assignment is not intended to limit or restrict in any way the rights and remedies of Administrative Agent under the Credit Agreement but rather is intended to facilitate the exercise of such rights and remedies.
