## ASSIGNMENT OF TRADEMARKS

ASSIGNMENT OF TRADEMARKS, dated as of August 19, 2000, by and between CELOTEX CORPORATION, a Delaware corporation (the "Assignor"), and CERTAINTEED CORPORATION, a Delaware corporation (the "Assignee").

WHEREAS, the Assignor and the Assignee have entered into an Asset Purchase Agreement dated as of June 29, 2000 (the "Asset Purchase Agreement"), which provides for, among other things, the sale to Assignee of substantially all the assets and the assumption of certain liabilities of Assignor with respect to the Assignor's roofing business; and

WHEREAS, Assignor is the owner of the trademarks, trademark applications, and trademark registrations listed on the Schedule attached hereto (the "Trademarks"), and made a part hereof; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, grant, assign, convey and transfer unto Assignee or its designees, all of Assignor's right, title, and interest in and to the Trademarks, together with the goodwill of the business connected with the use of, and symbolized by, such Trademarks.

This Assignment is in accordance with and subject to all of the representations, warranties, covenants, exclusions and indemnities set forth in the Asset Purchase Agreement, all of which are incorporated herein by reference. To the extent that any provision of this Assignment conflicts or is inconsistent with the terms of the Asset Purchase Agreement, the terms of the Asset Purchase Agreement shall control.

Assignor agrees that it shall execute all further documents reasonably necessary to perfect Assignee's title to the Trademarks.
