INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of October 16, 2000 by and between SAND HILL CAPITAL II, LP ("Sand Hill") and WAYPORT, INC., a Delaware corporation ("Borrower"), with reference to the following facts:

Sand Hill and Borrower are parties to that certain loan agreement of even date (as amended from time to time, the "Loan Agreement"). Capitalized terms used herein have the meaning assigned in the Loan Agreement. Pursuant to the terms of the Loan Agreement, Borrower has granted to Sand Hill a security interest in all of Borrower's right, title and interest, whether presently existing or hereafter acquired, in, to and under the Collateral.

NOW, THEREFORE, Borrower agrees as follows:

To secure performance of its "Obligations" as defined in the Loan Agreement, Borrower grants to Sand Hill a security interest in all of Borrower's right, title and interest in Borrower's intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), but shall not include, any of Borrower's rights under any license or other agreement which is listed on Exhibit 1 hereto and which contains a valid and enforceable provision prohibiting the grant of a security interest in the Borrower's rights thereunder. Borrower will not, hereafter, without Sand Hill's prior written consent, enter into a license or agreement which contains a provision prohibiting the grant of a security interest in the Borrower's rights thereunder, unless such license or agreement is not material to its business, and does not give Borrower rights to manufacture, sell or license any products or Intellectual Property

Borrower represents and warrants that (i) listed on Schedule A hereto are all trademark registrations and pending trademark applications for registration owned or controlled by Borrower, (ii) listed on Schedule B are all patents and pending patent applications owned or controlled by Borrower, and (iii) to the best of Borrower's knowledge, listed on Schedule C are all of Borrower's software, computer programs and other related and material works of authorship necessary for the operation of Borrower's services and which subject to United States copyright protection (other than off-the-shelf software licensed to Borrower on a non-exclusive basis), including, without limitation, those for which the sale, licensing or other disposition results in royalties receivable, license fees receivable, accounts receivable or other sums owing to Borrower. Borrower shall, within 15 days after the date hereof, take all action necessary to file or cause to be filed (to the extent not already filed) with the United States Patent and Trademark Office or United States Copyright Office, as applicable, those intellectual property rights listed on Schedules A, B and C hereto. Borrower shall promptly file or cause to be filed with the United States Patent and Trademark Office or United States Copyright Office, as applicable, those additional patent and trademark applications owned or acquired by Borrower from time to time hereafter (including without limitation revisions or additions to the intellectual property rights listed on such Schedules A, B and C). Borrower shall from time to time, execute and file such other instruments, and take such further actions as Sand Hill may reasonably request from

time to time to perfect or continue the perfection of Sand Hill's interest in the intellectual property rights covered by this Intellectual Property Security Agreement.

This security interest is granted in conjunction with the security interest granted to Sand Hill under the Loan Agreement. Each right, power and remedy of Sand Hill provided for herein shall not preclude the simultaneous or later exercise by Sand Hill of any or all other rights, powers or remedies.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed as of the first date written above.
