COLLATERAL GRANT OF SECURITY INTEREST OF PATENTS AND TRADEMARKS

This Collateral Grant of Security Interest of Patents and Trademarks (this "Agreement") is made on this 30th day of June, 2000, by and between Themestream, Inc. (the "Grantor") and Comdisco, Inc., (the "Grantee"),

WHEREAS, Grantor and Grantee are parties to a certain Loan and Security Agreement dated June 30, 2000 (together with all exhibits, and amendments thereto, collectively the "Loan Agreement", with the terms used but not otherwise defined herein being used with the same meaning as therein defined.)

WHEREAS, pursuant to that certain Loan Agreement, the Grantor has agreed to grant to Grantee a lien on and a security interest in, inter alia, all the patent and trademark rights that Grantor may have in the patents and trademarks.

NOW THEREFORE, in consideration for the mutual covenants and agreements contained in the Loan Agreement and this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee agree as follows:

1. **Grant of Security Interest of Patents.** To secure the full, complete and timely payment and satisfaction of Grantor's indebtedness with respect to the Loan owed to Grantee, Grantor hereby grants to the Grantee, to the extent permitted by law, a priority lien (when the requisite financing statements and related filings are properly filed) and security interest in and to all (i) patents, patent applications and patent rights, including, without limitation, the inventions and improvements described and claimed therein, and specifically those patents and patent applications listed on **Schedule A** attached hereto as the same may be amended to include any patents hereinafter acquired and patent applications hereafter filed and made a part hereof, and the reissues, divisions, continuations, renewals, extensions and continuations-in-part hereof (all of the foregoing collectively referred to as the "Patents"), (ii) the trademarks applications listed on **Schedule B** attached hereto and made a part hereof as the same may be amended to include any trademarks hereafter acquired and trademark applications hereafter acquired and all goodwill associated therewith, and (a) all registrations and renewals thereof, (the foregoing trademarks collectively referred to as the "Trademarks"), all income, royalties, damages and payments now and hereafter due and/or payable under and with respect to the Patents and Trademarks, including, without limitation, damages and payments for past or future infringements, misappropriation, or breach thereof, the right to sue for past, present and future infringements, misappropriation, or breach thereof, and all rights corresponding thereto throughout the world. The Grantor shall be liable for and promptly reimburse the Grantee for all reasonable out of pocket fees and costs, including

attorney's fees, for the preparation, filing, recordation and releasing of all liens or assignments provided for herein.

Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and Borrower shall not be deemed to have granted a security interest in any of Borrower's rights or interest in, any license, contract or agreement to which Borrower is a party (other than any such license, contract or agreement in respect of which each other party is an Affiliate of Borrower) or any of its rights or interest thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under, such license, contract or agreement (other than to the extent that any such breach or default would be rendered ineffective under the UCC, applicable law (including the Bankruptcy Code) or principles of equity), which as of the Closing Date, the parties agree and understand are the licenses, contracts or agreements identified on **Schedule 1**, attached to the Loan Agreement; provided, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Collateral shall include, and Borrower shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

2. **Authorization.** Grantor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement and the interests herein granted.

3. **Covenant and Warranty of Title.** Grantor covenants and warrants that it is now the sole owner, free from all liens or encumbrance whatsoever except as granted herein and Permitted Liens.

4. **Restrictions on Future Assignment.** Except as permitted under the Loan Agreement, until all obligations under the Loan Agreement are deemed by Grantee to be fully satisfied, Grantor hereby agrees not to sell or assign or grant a security interest in the Patents to the extent of the Loan, other than Permitted Liens, unless Lender agrees in writing to such a sale, assignment or grant of security interest, and Grantor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Grantee under this Agreement.

5. **Grantee's Right to Sue.** From and after the occurrence and continuance of an Event of Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents and Trademarks, and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute and deliver any and all proper documents or information that may be necessary or relevant to aid Grantee in such enforcement and Grantor shall promptly,

upon demand, reimburse and indemnify Grantee for all reasonable out of pocket costs and expenses, including reasonable attorney's fees, incurred by Grantee in the exercise of the foregoing rights.

6. **Waivers.** No course of dealing between Grantor and Grantee, nor any failure to exercise, nor any delay in exercising, on the part of Grantee, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

7. **Termination.** This Agreement is made for purposes of securing those Obligations under the Loan Agreement and upon full and complete compliance with the terms and conditions of the Loan Agreement and satisfaction of all Obligations thereunder, this Agreement shall terminate and Grantee shall execute and deliver to Grantor all agreements, assignments or instruments as may be necessary or proper to terminate Grantee's security interest in the Patents and Trademarks, subject to any disposition thereof which may have been made by Grantee pursuant hereto or pursuant to the Loan Agreement.

8. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

9. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided by a writing signed by the parties hereto.

10. **Binding Effect.** This Agreement shall be binding upon the Grantor and its respective successors and assigns, and shall inure to the benefit of Grantee, its nominees and assigns.

11. **Governing Law.** This Agreement shall be deemed made and accepted in and shall be governed by and construed in accordance with the laws of the State of Illinois.

The Remainder of this Page is Intentionally Left Blank

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the date first set forth above.
