3.2 SangStat California Options, Stock Purchase Rights and Convertible Securities. Upon the Effective Date of the Merger, the Surviving Corporation shall assume and continue the stock option plans and all other employee benefit plans of SangStat California. Each outstanding and unexercised option, or other right to purchase, or security convertible into, SangStat California Common Stock shall become an option, or right to purchase, or a security convertible into the Surviving Corporation's Common Stock on the basis of one share of the Surviving Corporation's Common Stock for each share of SangStat California Common Stock issuable pursuant to any such option, or stock purchase right or convertible security; on the same terms and conditions and at an exercise or conversion price per share equal to the exercise or conversion price

per share applicable to any such SangStat California option, stock purchase right or other convertible security at the Effective Date of the Merger. There are no options, purchase rights for or securities convertible into Preferred Stock of SangStat California.

Until so surrendered, each outstanding certificate theretofore representing shares of SangStat California Common Stock shall be deemed for all purposes to represent the number of whole shares of the Surviving Corporation's Common Stock into which such shares of SangStat California Common Stock were converted in the Merger.

The registered owner on the books and records of the Surviving Corporation or the Exchange Agent of any such outstanding certificate shall, until such certificate shall have been surrendered for transfer or conversion or otherwise accounted for to the Surviving Corporation or the Exchange Agent, have and be entitled to exercise any voting and other rights with respect to and to receive dividends and other distributions upon the shares of Common Stock of the Surviving Corporation represented by such outstanding certificate as provided above.

Each certificate representing Common Stock of the Surviving Corporation so issued in the merger shall bear the same legends, if any, with respect to the restrictions on transferability the certificates of SangStat California so converted and given in exchange therefore, unless otherwise determined by the Board of Directors of the Surviving Corporation in compliance with applicable laws.

If any certificate for shares of SangStat Delaware stock is to be issued in a name other than that in which the certificate surrendered in exchange therefor is registered, it shall be a condition of issuance thereof that the certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer, that such transfer otherwise be proper and that the person requesting such transfer pay to the Exchange Agent any transfer or other taxes payable by reason of issuance of such new certificate in a name other than that of the registered holder of the certificate surrendered or establish to the satisfaction of SangStat Delaware that such tax has been paid or is not payable.
