INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of October 3, 2000 by and between SAND HILL CAPITAL II, LP ("Sand Hill") and AMBEO, INC., a Delaware corporation ("Borrower"), with reference to the following facts:

Sand Hill and Borrower are parties to that certain loan agreement of even date (as amended from time to time, the "Loan Agreement"). Capitalized terms used herein have the meaning assigned in the Loan Agreement. Pursuant to the terms of the Loan Agreement, Borrower has granted to Sand Hill a security interest in all of Borrower's right, title and interest, whether presently existing or hereafter acquired, in, to and under the Collateral.

NOW, THEREFORE, Borrower agrees as follows:

To secure performance of its "Obligations" as defined in the Loan Agreement, Borrower grants to Sand Hill a security interest in all of Borrower's right, title and interest in Borrower's intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits).

Grantor represents and warrants that (i) listed on Schedule A hereto are all trademark registrations and pending registrations owned or controlled by Grantor or licensed to Grantor, (ii) listed on Schedule B are all patents and patent applications owned or controlled by Grantor or licensed to Grantor, and (iii) listed on Schedule C are all of Grantor's software, computer programs and other works of authorship subject to United States copyright protection (other than off-the-shelf software licensed to Grantor on a non-exclusive basis), including, without limitation, those for which the sale, licensing or other disposition results in royalties receivable, license fees receivable, accounts receivable or other sums owing to Grantor. Grantor shall, within 30 days after the date hereof, register or cause to be registered (to the extent not already registered) with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, those intellectual property rights listed on Schedules A, B and C hereto. Grantor shall register or cause to be registered on an expedited basis with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, those additional patents, trademarks, software, computer programs and other works of authorship developed or acquired by Grantor from time to time hereafter (including without limitation revisions or additions to the intellectual property rights listed on such Schedules A, B and C). Grantor shall from time to time, execute and file such other instruments, and take such further actions as Sand Hill may reasonably request from time to time to perfect or continue the perfection of Sand Hill's interest in the intellectual property.

This security interest is granted in conjunction with the security interest granted to Sand Hill under the Loan Agreement. Each right, power and remedy of Sand Hill provided for herein shall not preclude the simultaneous or later exercise by Sand Hill of any or all other rights, powers or remedies.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed as of the first date written above.
