**AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT**  
**[Fitz and Floyd]**

WHEREAS, FITZ AND FLOYD, INC., a Delaware corporation ("Grantor"), owns the trademarks, trademark registrations, and trademark applications listed on Schedule 1 annexed hereto, and is a party to, or has been assigned the rights by the party to, the trademark licenses listed on Schedule 1 annexed hereto; and

WHEREAS, Grantor, Fitz and Floyd Factory Outlet, Inc. ("Factory Outlet") (Grantor and Factory Outlet are hereinafter collectively, "Borrower") and Fitz and Floyd Factory Outlet of San Marcos, Inc. ("San Marcos") and Fleet Capital Corporation, a Rhode Island corporation ("Fleet"), are parties to that certain Loan and Security Agreement, dated as of April 15, 1997 (as the same may have been amended and in effect from time to time, the "Existing Loan Agreement"), which provided for extensions of credit to be made to Grantor, Factory Outlet and San Marcos by Fleet; and

WHEREAS, Borrower, Fleet and the other financial institution(s) named as lender from time to time to that certain Loan Agreement (as hereinafter defined) (collectively, "Lender"), and Fleet, as agent for Lender (in such capacity, "Grantee"), are parties to that certain Amended and Restated Loan and Security Agreement dated as of the date hereof (as hereafter amended, modified and in effect from time to time, the "Loan Agreement"), which Loan Agreement provides for the refinance, increase and extension of the credit facility made by Fleet to Borrower and San Marcos under the Existing Loan Agreement by amending, modifying, extending and restating, but not extinguishing or constituting a novation of, the Existing Loan Agreement and the security interests and liens created by the Original Loan Agreement; and

WHEREAS, Grantor and Fleet entered into that certain Trademark Security Agreement, dated as of April 15, 1997 (as amended, the "Original Security Agreement"), pursuant to which Grantor granted to Fleet a security interest in all right, title and interest of Grantor in, to and under all now owned and hereafter acquired trademarks, together with the goodwill of the business symbolized by Grantor's trademarks, and all proceeds thereof, to secure the payment of all amounts owing by Grantor under the Original Loan Agreement;

WHEREAS, Grantor, Grantee and Lender desire to amend and restate the Original Security Agreement as herein set forth;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee, for the benefit of Lender, a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each trademark, trademark registration and trademark application, including, without limitation, the trademarks, trademark registrations (together with any

reissues, continuations or extensions thereof) and trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application;

(2) each trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each trademark license; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any trademark or trademark registration including, without limitation, the trademarks and trademark registrations referred to in Schedule 1 annexed hereto, the trademark registrations issued with respect to the trademark applications referred in Schedule 1 and the trademarks licensed under any trademark license, or (b) injury to the goodwill associated with any trademark, trademark registration or trademark licensed under any trademark license.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Loan Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Amended and Restated Trademark Security Agreement is given in amendment, restatement and modification (but not extinguishment) of the Original Security Agreement. The terms and provisions of this Amended and Restated Trademark Security Agreement shall be in amendment and restatement of, and replacement for, the terms and provisions in the Original Security Agreement.

Grantor and Grantee agree that in the event of a conflict between the terms of this Amended and Restated Trademark Security Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall govern.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Grantor , through its duty authorized officer, has caused this Amended and Restated Trademark Security Agreement to be executed as of the 27<sup>th</sup> day of August, 1999.
