TRADEMARK SECURITY AGREEMENT

WHEREAS, one or more of ALINABAL HOLDINGS CORPORATION, a Delaware corporation, ALINABAL, INC., a Connecticut corporation, and PRACTICAL AUTOMATION, INC., a Connecticut corporation (hereinafter collectively referred to as the "Grantor"), owns the U.S. trademarks, trademark registrations and trademark applications listed on Exhibit A annexed hereto; and

WHEREAS, the Grantor has agreed to grant a security interest in certain assets of the Grantor to secure the payment of all amounts owing under the Credit Agreement ("Credit Agreement") between Alinabal Holdings Corporation and The Chase Manhattan Bank, (the "Grantee").

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the Grantor does hereby mortgage, pledge and grant to the Grantee, its successors, endorsees, transferees and assigns, a security interest in all of the Grantor's right, title and interest in, to and under the following U.S. trademark applications and trademark registrations, whether presently existing or hereafter arising or acquired, and which is more fully described in the Security Agreement by the Grantor in favor of the Bank dated of even date herewith (the "Security Agreement"), the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Terms defined in both the Credit Agreement and the Security Agreement shall have their defined meanings when used in this Security Agreement:

(i) each U.S. Trademark, Trademark registration and Trademark application, including, without limitation, each Trademark, Trademark registration and Trademark application referred to in Exhibit A hereto, and all of the goodwill of the business connected with

the use of, and symbolized by, each Trademark, Trademark registration and Trademark application;

(ii) each Trademark License, including, without limitation, each Trademark License listed on Exhibit A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark License;

(iii) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark or Trademark registration, including, without limitation, any of the foregoing referred to in Exhibit A, and of any Trademark licensed under any Trademark License, including, without limitation, any Trademark License listed on Exhibit A, or for injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark License.

This security interest is granted in conjunction with the interest granted in the Security Agreement which is incorporated herein by reference, and of which this Trademark Security Agreement is a part.

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officers thereunto duly authorized as of this 10th day of November, 2000.
