WHEREAS, concurrently herewith, EMI is assuming, pursuant to the Assumption Agreement, the debt obligations of iOwn to Creditor and the other Noteholders under the iOwn Promissory Notes;

WHEREAS, the parties hereto desire hereto to enter into this Amendment in order to reaffirm the Existing Liens and to confirm that such Existing Liens shall continue to secure the debt previously evidenced by the iOwn Promissory Notes and now evidenced by the "EMI Notes" (as defined in the Assumption Agreement) and also to secure the "EPASS Cash Consideration" (as defined in the Assumption Agreement) with all of the Trademark Collateral;

2. Security for Obligations. This Amendment secures, and the Trademark Collateral is collateral security for, the prompt payment or performance in full when due, whether at stated maturity, by acceleration or otherwise (including the payment of amounts which would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. 362(a)), of all obligations now or hereafter arising under (a) each EMI Note and any renewals or extensions thereof or amendments thereto; (b) the EPASS Cash Consideration; (c) that certain Amended and Restated Security Agreement, of even date herewith, between Grantor and Creditor (the "Genesis Security Agreement"); and (d) this Amendment, whether for principal or interest (including, without limitation, interest which, but for the filing of a petition in bankruptcy would accrue on such obligations) or payments of fees, expenses or otherwise, and all obligations of Grantor now or hereafter arising under this Agreement (all of such obligations being the "Secured Obligations").
