TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "Agreement"), dated as of November 16, 2000, is entered into by and among **FUTURELINK CORP.**, a Delaware corporation ("Parent") and each of Parent's Subsidiaries identified on the signature pages hereof (such Subsidiaries, together with Parent, each a "Debtor" and together, jointly and severally, "Debtors"), in favor of **FOOTHILL CAPITAL CORPORATION**, a California corporation ("Secured Party"), with reference to the following:

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, each Debtor hereby agrees in favor of Secured Party as follows:

1. Definitions; Interpretation.

(a) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of each Debtor and supplemental rights and remedies in favor of Secured Party (whether under federal law or applicable California law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict in the Loan Agreement.

2. Security Interest.

(a) Assignment and Grant of Security Interests. To secure the prompt payment and performance of the Obligations, each Debtor hereby grants, assigns, transfers and conveys to Secured Party continuing security interests in all of such Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(b) Continuing Security Interests. Each Debtor agrees that this Agreement shall create continuing security interests in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 16.

(c) Incorporation into Loan Agreement. This Agreement shall be fully incorporated into the Loan Agreement and all understandings, agreements and provisions contained in the Loan Agreement shall be fully incorporated into this Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Permitted Licenses. Anything in the Loan Agreement or this Agreement to the contrary notwithstanding, so long as no Event of Default has occurred and is continuing, each Debtor may license to any other Person the Trademark Collateral in which such Debtor has an interest on a non-exclusive basis (subject to the security interests of Secured Party therein) in the ordinary course of business consistent with past practice.

3. Further Assurances; Appointment of Secured Party as Attorney-in-Fact. Each Debtor at its expense shall execute and deliver, or cause to be executed and delivered,

to Secured Party any and all documents and instruments, in form and substance reasonably satisfactory to Secured Party, and take any and all action, which Secured Party may reasonably request from time to time, to perfect and continue perfected, maintain the priority of or provide notice of Secured Party's security interests in the Trademark Collateral and to accomplish the purposes of this Agreement. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in accordance with the foregoing, Secured Party shall have the right, in the name of such Debtor, or in the name of Secured Party or otherwise, without notice to or assent by any Debtor, and each Debtor hereby irrevocably constitutes and appoints Secured Party (and any of Secured Party's officers or employees or agents designated by Secured Party) as such Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of such Debtor on all or any of such documents or instruments and perform all other acts that Secured Party reasonably deems necessary or advisable in order to perfect or continue perfected, maintain the priority or enforceability of or provide notice of Secured Party's security interests in, the Trademark Collateral, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of such Debtor, which Secured Party reasonably may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuance of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Secured Party to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 16.

4. Representations and Warranties. Each Debtor represents and warrants to Secured Party, as follows:

(a) No Other Trademarks. Schedule A sets forth, a true and correct list of all of the existing Trademarks (whether registered or otherwise), or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by such Debtor.

(b) Validity. Each of the Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of such Debtor's knowledge, each of the Trademarks is valid and enforceable.

(c) Title. (i) Such Debtor has rights in and good and defensible title to its Trademark Collateral, (ii) with respect to the Trademark Collateral shown on Schedule

A hereto as owned by it, such Debtor is the sole and exclusive owner thereof, free and clear of any Liens and rights of others (other than Permitted Liens), including licenses, registered user agreements and covenants by such Debtor not to sue third persons, and (iii) with respect to any Trademarks for which such Debtor is either a licensor or a licensee pursuant to a license or licensee agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, such Debtor is not in material default of any of its obligations thereunder and, other than (A) the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by such Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by such Debtor or any such licensor with any other Person, no other Person has any rights in or to any of the Trademark Collateral.

(d) No Infringement. To the best of each Debtor's knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present and contemplated future use of the Trademark Collateral by such Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(e) Powers. Each Debtor has the unqualified right, power and authority to pledge and to grant to Secured Party security interests in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. Each Debtor covenants that so long as this Agreement shall be in effect, such Debtor shall:

(a) comply with all of the covenants, terms and provisions of this Agreement, the Loan Agreement and the other Loan Documents;

(b) promptly give Secured Party written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks or the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which such Debtor is a licensee;

(c) on a continuing basis, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by Secured Party to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interests granted or purported to be granted hereby, to ensure such Debtor's compliance with this Agreement or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral. Without limiting the generality of the foregoing sentence, each Debtor:

(i) hereby authorizes Secured Party in its sole discretion if such Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party, to modify this Agreement without first obtaining such Debtor's approval of or signature to such modification by amending Schedule A hereof to include a reference to any right, title or interest in any existing Trademark Collateral or any Trademark Collateral acquired or developed by such Debtor after the execution hereof, or to delete any reference to any right, title or interest in any Trademark Collateral in which such Debtor no longer has or claims any right, title or interest; and

(ii) hereby authorizes Secured Party, in its sole discretion, to file one or more financing or continuation statements, if such Debtor refuses to execute and deliver, or fails timely to execute and deliver, any such amendment thereto it is requested to execute and deliver by Secured Party, any amendments thereto, relative to all or any portion of the Trademark Collateral, without the signature of such Debtor where permitted by law;

(d) comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all of the Trademark Collateral and do all other acts and take all other measures which, in such Debtor's reasonable business judgment, may be necessary or desirable to preserve, protect and maintain the Trademark Collateral and all of such Debtor's rights therein, including diligently prosecute any material trademark application pending as of the date of this Agreement or thereafter;

(e) comply with each of the terms and provisions of this Agreement, and not enter into any agreement (for example, a license agreement) which is inconsistent with the obligations of such Debtor under this Agreement without Secured Party's prior written consent; and

(f) not permit the inclusion in any contract to which such Debtor becomes a party of any provision that could or might impair or prevent the creation of a security interest in favor of Secured Party in such Debtor's rights and interest in any property included within the definition of Trademark Collateral acquired under such contracts.

6. Future Rights. If and when any Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of this Agreement shall automatically apply thereto and such Debtor shall give to Secured Party prompt notice thereof. Each Debtor shall do all things reasonably deemed necessary or advisable by Secured Party to ensure the validity, perfection, priority and enforceability of the security interests of Secured Party in such future acquired Trademark Collateral. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in connection herewith, such Debtor hereby authorizes Secured Party to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on such Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral

and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Remedies. Upon the occurrence and during the continuation of an Event of Default, Secured Party shall have all rights and remedies available to it under the Loan Agreement and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Each Debtor agrees that such rights and remedies include the right of Secured Party as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to UCC Section 9504. Each Debtor agrees that Secured Party shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Secured Party's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of any Debtor in which Secured Party has a security interest, including Secured Party's rights to sell inventory, tooling or packaging which is acquired by any Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right but shall in no way be obligated to bring suit, or to take such other action as Secured Party deems necessary or advisable, in the name of any Debtor or Secured Party, to enforce or protect any of the Trademark Collateral, in which event each Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement. To the extent that Secured Party shall elect not to bring suit to enforce such Trademark Collateral, each Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

8. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by each Debtor and Secured Party and their respective successors and assigns.

9. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

10. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, except to the extent that the validity or perfection of the security interests hereunder in respect of any Trademark Collateral are governed by federal law, in which case such choice of California law shall not be deemed to deprive Secured Party of such rights and remedies as may be available under federal law.

11. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties

with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. The foregoing notwithstanding, Secured Party may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

12. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

13. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement

14. Loan Agreement. Each Debtor acknowledges that the rights and remedies of Secured Party with respect to the security interests in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and all such rights and remedies are cumulative.

15. No Inconsistent Requirements. Each Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and each Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

16. Termination. Upon the indefeasible payment in full in cash of the Obligations, including the cash collateralization, expiration, or cancellation of all Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, the security interests granted herein shall automatically terminate and all rights to the Collateral shall revert to the Debtors. Upon any such termination, Secured Party will, at the Debtors' expense, execute and deliver to the applicable Debtor such documents as the Debtors shall reasonably request to evidence such termination. Such documents shall be prepared by the Debtors and shall be in form and substance reasonably satisfactory to Secured Party.
