ARTICLES OF AMENDMENT

Name of corporation New Moon Extracts, Inc.

A corporation may amend its articles of incorporation at anytime to add or change a provision that is required or permitted in the articles of incorporation or to delete a provision not required. If a corporation has not yet issued shares, its incorporators or board of directors may adopt one or more amendments to the corporation's articles of incorporation.

The text and date of each amendment adopted. _____

RESOLVED that the name of the corporation shall be changed from NEW MOON EXTRACTS, INC. to

NEW CHAPTER, INC.

If the amendment provides for an exchange, reclassification, or cancellation of issued shares, state the provisions for implementing the amendment if not contained in the amendment itself.

Not applicable.

If the amendment was adopted by the incorporators or board of directors, without shareholder action, make a statement to that effect and that shareholder action was not required.

Not applicable.

If the amendment was approved by shareholders.

(A) the designation, number of outstanding shares, number of votes entitled to be cast by each voting group entitled to vote separately on the amendment, and number of votes of each voting group represented at the meeting.

There are 1000 shares authorized and 111.11 have been issued. They are all common stock. Each share is entitled to one vote. There was no shareholders' meeting, as the shareholders agreed to take this action by consent without a meeting.

More than 80% of the shares were voted in favor of the amendments.

(B) either the total number of votes cast for and against the amendment by each voting group entitled to vote separately on the amendment or the total number of undisputed votes cast for the amendment by each voting group and a statement that the number cast for the amendment by each voting group was sufficient for approval by that voting group.

Out of the 111.11 shares of common stock issued, 90 shares were cast in favor of the amendments. This number exceeds the 51% required by the By-Laws for the adoption of amendments. The number of votes cast in favor of the amendments is therefore sufficient for approval.
