## MEMORANDUM OF ASSIGNMENT

This Memorandum of Assignment, made and entered into effective as of the date of execution of the purchase of assets agreement between Delaware Capital Formation, a Delaware Corporation, located at 1403 Foulk Road, Suite 102, Wilmington, Delaware 19803, and Sure Seal, Inc., a Missouri corporation, having an address at Route 2, Box 2242, Mineral Point, Missouri 63660, and date January 25, 2000.

Sure Seal, Inc., hereby assigns, effective as of the date of the said previous agreement, all right, title and interest in and to various patents and trademarks, as identified in Appendix A, B and C, attached hereto, to Delaware Capital Formation, consideration for said assignment being in the amount of one Dollar (\$1.00), and other good and valuable consideration as expressed in the foresaid agreement, receipt of which is hereby acknowledged by Sure Seal, Inc.

Included in this assignment of the various patents and applications identified herein, is the right, title and interest in and to all of the inventions, and the United States patents, and applications relating thereto, both domestic and foreign, as fully and entirely as the same would have been held and enjoyed by Sure Seal, Inc., if this assignment and sale had not been made; and the inventors of said patents and applications hereby agree to execute such further applications, powers of attorney, assignments, and other documents as may be necessary or desirable to fully effectuate this agreement.

Sure Seal, Inc. hereby further assigns all right, title and interest in and to the identified trademarks set forth herein, including a good will symbolized by said identified marks, for the consideration as previously expressed herein.

And Sure Seal, Inc. further grants to Delaware Capital Formation, its successors of assigns, the right to claim for any application for the inventions the full benefit of any international agreement between the United States and any foreign country or countries.

And Sure Seal, Inc. hereby further authorizes and requests the Commissioner of Patents and Trademarks to issue any pending applications, as letters patents, when granted, unto said Delaware Capital Formation, its successors of assigns, as the assigned of the entire right, title and interest in and to said inventions, for the sole use and behoof of said Delaware Capital

Formation, and for its successors of assigns, to the full ends of the terms for which letters patents may be granted.

This assignment is effective and executed as the date specified above.
