(h) Pledge of Additional Patents, Trademarks and Copyrights. In the event the Assignor, either itself or through any agent, employee, licensee or designee, (i) files an application for the registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office, United States Copyright Office or any similar office or agency of the United States, any State thereof, or any other country or any political subdivision thereof, or (ii) files any assignment of any patent, trademark or copyright which the Assignor may acquire, own or license from a third party, with the United States Patent and Trademark Office, United States Copyright Office or any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, the Assignor shall promptly, but in no event more than twenty (20) days subsequent to such filing, notify the Administrative Agent thereof, and, upon request of the Administrative Agent shall promptly, but in no event more than ten (10) days subsequent to such request, execute and deliver any and all assignments, agreements, instruments, documents and papers as the Administrative Agent may reasonably request to evidence the Lenders' interest in such Patent, Trademark or Copyright and the goodwill and general intangibles of the Assignor relating thereto or represented thereby.

(i) Administrative Agent and Collateral Agent Appointed Attorney-in-Fact. The Assignor Hereby irrevocably appoints Administrative Agent and Collateral Agent, each as attorney-in-fact of Assignor with respect to the collateral for the purpose of carrying out the terms of this agreement, Such power of attorney shall be effective, automatically and without the necessity of any action, upon the occurrence and during the continuance of an Event of Default. Notwithstanding the foregoing, neither Administrative Agent nor Collateral Agent shall have any duty to exercise any such right or to preserve the same and shall not be liable for any failure to do so or for any delay in doing so.

(j) Assignor Authority, Etc. The Assignor has the right and power to make the assignment and to grant the security interest herein granted; and the Collateral is not now, and at all times

hereafter will not be, subject to any Liens or assignments of any nature whatsoever, and the Assignor has not received any written notice from any third party claiming any right or interest in and to any of the Collateral or that the Assignor's use thereof infringes the rights of any third party.

(k) No Additional Patents, Trademarks, Copyrights or Licenses. As of the date hereof, the Assignor does not own any Patents, Trademarks or Licenses or has any Patents, Trademarks, Copyrights or Licenses registered in, or the subject of pending applications in, the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, other than those grants, registrations or applications for registrations described in Schedule A, B and C hereto.

(l) Administrative Agent and Lenders Not Liable. The Assignor assumes all responsibility and liability arising from the use of the Collateral, and hereby indemnifies and holds the Administrative Agent and the Lenders harmless from and against any claim, suit, loss, damage or reasonable expense (including reasonable attorneys' fees and expenses (including, without limitation, the allocated costs and expenses of in-house counsel)) arising out of any alleged defect in any product manufactured, promoted or sold by the Assignor (or any Affiliate thereof) in connection with the Collateral or out of the manufacture, promotion, labeling, sale or advertisement of any product by the Assignor (or any Affiliate thereof). The Assignor agrees that the Administrative Agent and the Lenders do not assume, and the Administrative Agent and the Lenders shall not have any responsibility for, the payment of any sums due or to become due under any agreement or contract included in the Collateral or the performance of any obligations to be performed under or with respect to any such agreement or contract by the Assignor, and the Assignor hereby agrees to indemnify and hold the Administrative Agent and the Lenders harmless with respect to any and all claims by any Person relating thereto absent willful misconduct or gross negligence by any of the Administrative Agent or the Lenders.

(m) Administrative Agent and Lenders' Rights. The Administrative Agent may, in its reasonable discretion, pay any amount or do any act required of the Assignor hereunder or requested by the Lenders to preserve, defend, protect, maintain, record or enforce the Assignor's obligations contained herein, the Obligations, the Collateral, or the right, title and interest granted the Administrative Agent on behalf of the Lenders herein, and which the Assignor fails to do or pay, and any such payment shall be deemed an advance by the Administrative Agent to the Assignor and shall be payable on demand together with interest thereon at the Default Rate applicable to the Obligations.

(n) Protection of Trademarks. The Assignor agrees that if it learns of any use by any Person of any term or design likely to cause confusion with any Trademark, it shall notify the Administrative Agent of such use if the effect of such use would be reasonably likely to materially impair the Assignor's ability to perform its Obligations and, in such case, if requested by the Administrative Agent, at the Assignor's expense, institute such action as the Administrative Agent, in its reasonable discretion, may deem advisable for the protection of the Lenders' interest in and to the Trademarks, it being understood that the foregoing shall not preclude the Assignor from bringing an action against a Person for the protection of the Assignor's interest in and to such Trademarks.

(o) Licenses of Trademarks, Patents and Copyrights. (i) As of the date hereof, to the best of Assignor's knowledge, all Licenses of its Trademarks, Patents and Copyrights which the Assignor has granted to third parties are set forth on Schedules A, B and C hereto. None of the Licenses or License Agreements has been materially modified, amended, altered or changed in any manner except as set forth on Schedules A, B and C hereto. The Assignor will keep, perform and enforce the obligations to be kept, performed and enforced (without waiver or amendment) by it under each of the License Agreements and shall enforce all obligations of each licensee thereunder. In the event that the Assignor fails to enforce any of the obligations under any of the License Agreements, the Administrative Agent shall be entitled to (but shall have no obligation to) enforce such obligations in accordance with the terms of such License Agreement. The Assignor will not, without the prior written consent of the Administrative Agent,

modify, amend, alter, change, cancel, waive performance of or any payment under or terminate any of the License Agreements in any manner which would materially adversely affect the Administrative Agent's rights under this Agreement, and will do all things reasonably necessary and proper to keep each of the material License Agreements and Licenses thereunder in full force and effect, as in effect on the date hereof.

(p) The Assignor specifically acknowledges and agrees that the Administrative Agent does not assume, and shall have no responsibility for, the payment of any sums due or to become due under any of the License Agreements or the performance of any obligations to be performed under or with respect to any of the License Agreements by the Assignor, and the Assignor hereby agrees to indemnify and hold the Administrative Agent harmless with respect to any and all claims by any person relating thereto absent willful misconduct or gross negligence by any of the Administrative Agent or the Lenders.

(q) If there shall be a default under any of the License Agreements on the part of the Assignor, the Administrative Agent may, at its option, without assuming any of the obligations of the Assignor under any of the License Agreements and without waiving or releasing the Assignor from any of the terms hereof or any of the Obligations, cure the default, and the cost of curing the same (and all reasonably necessary and incidental costs and expenses of the Administrative Agent in connection therewith, including, but not limited to, reasonable counsel fees), with interest at the Default Rate payable on Alternative Base Rate Obligations from the time of the advance or advances therefor, shall be deemed an advance to the Assignor and part of the Obligations, and shall be due and payable by the Assignor to the Administrative Agent upon demand.

(r) If an Event of Default shall be continuing, in addition to all other rights and remedies of the Administrative Agent pursuant to any agreements of the Assignor in favor of or assigned to and held by the Administrative Agent or pursuant to applicable law or otherwise, (x) the Administrative Agent or its successor or designee shall have, to the exclusion of the Assignor, and may exercise on behalf of the Assignor, all rights and benefits under each of the License Agreements, including, without limitation, any and all rights to indemnification and guarantee, without modifying or discharging any of the Obligations, and (y) the Assignor agrees to execute any and all documents requested by the Administrative Agent in its reasonable discretion to enable the Administrative Agent to exercise all of the rights of the Assignor under the License Agreements. The specified remedies to which the Administrative Agent may resort under the terms of this Assignment are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the Administrative Agent may be lawfully entitled in case of any breach or threatened breach by the Assignor of any provision hereof or of any of the Obligations. Nothing contained in this Assignment and no act or action taken or done by the Administrative Agent pursuant to the powers and rights granted it hereunder or under any instrument collateral hereto shall be deemed to be a waiver by the Administrative Agent of any of its rights and remedies against the Assignor in connection with, or in respect of, any of the Obligations. The right of the Administrative Agent to collect and enforce collection of the Obligations and to enforce any security and collateral held by it may be exercised by the Administrative Agent either prior to, simultaneously with, or subsequent to any action taken by the Administrative Agent hereunder.

Section 6. Remedies.

(a) Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may (without assuming any obligations or liability thereunder), at any time, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of the Assignor in, to and under any one or more Licenses, and the Assignor hereby releases the Administrative Agent and the Lenders from, and agrees to hold the Administrative Agent and the Lenders free and harmless from and against, any claims arising out of, any action taken or omitted to be taken with respect to any such License other than as a result of gross negligence or willful misconduct.

(b) While an Event of Default is continuing, any monies or other proceeds under or in connection with the License Agreements received by the Assignor shall not be commingled with any other property of the Assignor, but shall be segregated, held by the Assignor in trust for, and immediately delivered to, the Administrative Agent to be held as collateral or applied to the payment of the Obligations as Administrative Agent may determine in accordance with the Loan and Security Agreement.

(c) While an Event of Default is continuing, the Administrative Agent may, in its discretion, in its name or in the Assignor's or otherwise, notify the licensee under any of the License Agreements to make payment to the Administrative Agent of any or all amounts due or to become due under the License Agreements.

(d) While an Event of Default is continuing, the Administrative Agent may, in its discretion, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for any of the License Agreements, or, with respect to payments which have become due and payable under any of the License Agreements, make any compromise or settlement deemed desirable by the Administrative Agent.

(e) Upon the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies of the Lenders and Administrative Agent, whether under law, the Loan and Security Agreement or otherwise (all such rights and remedies being cumulative, not exclusive and enforceable alternatively, successively or concurrently), the Administrative Agent shall have the following rights and remedies which it may exercise in accordance with the provisions of Section 8 of the Loan and Security Agreement:

(i) immediately upon the Administrative Agent's request, the Assignor shall not make any further use of the Patents, Trademarks or Copyrights or any mark similar thereto for any purposes;

(ii) the Administrative Agent may, at any time and from time to time, license, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any of the Patents, Trademarks or Copyrights, throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall reasonably determine;

(iii) the Administrative Agent may, at any time and from time to time, assign, sell, or otherwise dispose of, the Collateral or any of it, either with or without special or other conditions or stipulations, with power to buy the Collateral or any part of it, and with power also to execute assurances, and do all other acts and things for completing the assignment, sale or disposition which the Administrative Agent shall, in its sole discretion, deem appropriate or proper; and

(iv) for the purpose of enabling Administrative Agent to exercise rights and remedies under this Section 6 (including, in order to take possession of, hold, preserve, process, assemble, prepare for sale, market for sale, sell or otherwise dispose of Collateral) at such time as Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Assignor hereby grants to Administrative Agent, for the benefit of Administrative Agent and Lenders, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to each Assignor) to use, license or sublicense any Collateral now owned or hereafter acquired by any Assignor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof.

(v) in addition to the foregoing, in order to implement the assignment, sale or other disposal of any of the Collateral pursuant to subsection 6(b)(iii) hereof, the Administrative Agent may, at any time, pursuant to the authority granted in the Powers of Attorney described in Section 9 hereof (such authority becoming exercisable upon the occurrence and during the continuation as herein

above provided of an Event of Default), execute and deliver on behalf of the Assignor, one or more licenses or instruments of assignment, sale or other disposition of the Patents, Trademarks or Copyrights (or any application or registration thereof), in form suitable for filing, recording or registration in any country. The Assignor agrees to pay when due all reasonable costs and expenses incurred in any such transfer of the Patents, Trademarks or Copyrights, including any taxes, fees and reasonable attorneys' fees (including, without limitation, the allocated costs and expenses of in-house counsel), and all such costs shall be added to the Obligations. The Administrative Agent may apply the proceeds actually received from any such license, assignment, sale or other disposition to the payment of the Obligations as provided for in the Loan and Security Agreement. The Assignor shall remain liable for any deficiency with respect to the Obligations, which shall bear interest and be payable at the Default Rate applicable to the Obligations under the Loan and Security Agreement. The rights of the Assignor to receive any surplus, if any, shall be subject to any duty of the Administrative Agent imposed by law to the holder of any subordinate security interest in the Collateral known to the Administrative Agent. Nothing contained herein shall be construed as requiring the Administrative Agent to take any such action at any time.

Section 7. Reports of Applications. The Patents, Copyrights and Trademarks constitute all of the federally registered patents, copyrights and trademarks, and applications therefor now owned by each Assignor. Each Assignor shall provide Administrative Agent on a quarterly basis with a list of all new federally registered patents, copyrights and trademarks and federal applications for letters patent, copyright registrations and trademark registrations and licenses, if any, which new patents, copyrights, trademarks, licenses and applications shall be subject to the terms and conditions of the Loan Agreement and this Assignment.

Section 8. Effect on Loan Agreement; Cumulative Remedies. Assignor acknowledges and agrees that this Assignment is not intended to limit or restrict in any way the rights and remedies of Administrative Agent under the Loan Agreement but rather is intended to supplement and facilitate the exercise of such rights and remedies. All of the rights and remedies of Administrative Agent with respect to the Patents, Copyrights and Trademarks, whether established hereby, by the Loan Agreement, by any other agreements, or by law, shall be cumulative and may be exercised singularly or concurrently. Notwithstanding any provision herein contained to the contrary, Administrative Agent shall not have the right to use and enforce the Patents, Copyrights and Trademarks unless and until the occurrence of an Event of Default, and until the occurrence of an Event of Default Assignor shall have all of such rights.

Section 9. Delivery of Powers of Attorney. Concurrently with the execution and delivery hereof, the Assignor is executing and delivering to each of the Administrative Agent and the Collateral Agent in the form of Exhibit 1 hereto, five originals of a Power of Attorney for the implementation of the assignment, sale or other disposal of the Trademarks, Patents and Copyrights pursuant to subparagraphs 6(b)(iii) and (iv) hereof and each Assignor hereby releases the Administrative Agent, the Collateral Agent and the Lenders from any claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Administrative Agent or the Collateral Agent under the powers of attorney granted herein, other than actions taken or omitted to be taken through the Administrative Agent's or the Collateral Agent's gross negligence, willful misconduct or knowing violation of the law.

Section 10. Amendments and Modification. No provision hereof shall be modified, altered, waived or limited except by a written instrument expressly referring to this Agreement and executed by the Assignor and the Administrative Agent.

Section 11. Admissibility of Agreement. The Assignor agrees that any copy of this Agreement signed by the Assignor and transmitted by telecopier for delivery to the Administrative Agent shall be admissible in evidence as the original itself in any judicial or administrative proceeding, whether or not the original is in existence.

Section 12. Address for Notices. All notices, requests, demands and other communications provided for hereunder shall be in writing (unless otherwise expressly provided herein) and shall be sent to the addresses as set forth in the signature pages hereto and shall have effect as set forth in the Loan Agreement.

Section 13. Security Interest Absolute. All rights of the Administrative Agent and the Lenders and security interests hereunder, and all of the obligations of the Assignor hereunder, shall be absolute and unconditional, irrespective of:

(i) any lack of validity or enforceability of any of the Loan Documents or any other agreement or instrument relating thereto;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations or any other amendment or waiver of or any consent to any departure from any of the Loan Documents;

(iii) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Obligations; or

(iv) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Assignor or a third party Assignor of a security interest or lien.

Section 14. Counterparts, Effectiveness. This Assignment and any amendments, waivers, consents, or supplements may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which counterparts together shall constitute but one and the same instrument. This Assignment shall become effective upon the execution of a counterpart hereof by each of the parties hereto. Delivery of an executed counterpart of a signature page to this Assignment any amendments, waivers, consents or supplements by telecopier shall be as effective as delivery of a manually executed counterpart thereof.

Section 16. Acknowledgment of Receipt. The Assignor acknowledges receipt of a copy of this Agreement.

Section 17. Binding Effect; Benefits. (b) Neither Administrative Agent, nor any of its respective officers, directors, employees, agents or counsel shall be liable for any action lawfully taken or omitted to be taken by it or them hereunder or in connection herewith, except for its or their own gross negligence or willful misconduct as finally determined by a court of competent jurisdiction.

Section 21. Severability. The invalidity, illegality or unenforceability in any jurisdiction of any provision in or obligation under this Assignment shall not affect or impair the validity, legality or enforceability of the remaining provisions or obligations under this Assignment or of such provision or obligation in any other jurisdiction.

Section 22. Consent to Jurisdiction. **EACH ASSIGNOR HEREBY CONSENTS TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE BOROUGH OF MANHATTAN STATE OF NEW YORK AND IRREVOCABLY AGREES THAT, SUBJECT TO ADMINISTRATIVE AGENT'S ELECTION, ALL ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THIS ASSIGNMENT, OR THE LOAN AGREEMENT SHALL BE LITIGATED IN SUCH COURTS. Section 23. Jury Trial Waiver. **EACH ASSIGNOR HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS ASSIGNMENT AND THE LOAN AGREEMENT. EACH ASSIGNOR AND ADMINISTRATIVE AGENT ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS ASSIGNMENT AND LOAN AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. EACH ASSIGNOR AND ADMINISTRATIVE AGENT FURTHER WARRANTS AND REPRESENTS THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.**
