### RECITALS:

A. Pursuant and subject to the terms of a certain Credit and Security Agreement (hereinafter, as it may from time to time be amended and supplemented, the "Credit Agreement"), of even date herewith by and between the Debtor and the Secured Party, the Secured Party has agreed to loan or extend credit to the Debtor up to, in the aggregate, Seven Million Six Hundred Eighty Thousand Dollars (\$7,680,00.00) as a revolving credit and term loan facility (such facility and the Revolving Loans, the Term Loan and other credit to be extended thereunder, together with all replacements, substitutions, modifications and extensions thereof, shall hereinafter be collectively referred to as the "Loans").

B. One of the conditions precedent to the Secured Party's obligation to make the Loans available is that the Debtor provide security for all of the Debtor's obligations, indebtedness and liabilities under the Credit Agreement and the Other Agreements, and the Debtor is willing to do so.

C. All capitalized terms not otherwise defined in this Security Agreement shall have the meanings assigned to them in the Credit Agreement.

### AGREEMENTS:

In consideration of the foregoing Recitals, and of the promises made herein, and of the Loans made or to be made by the Secured Party, the proceeds of which will be used to the material economic benefit of the Debtor, the Debtor and the Secured Party agree as follows:

1. INCORPORATION OF CREDIT AGREEMENT. The Credit Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference.
2. SECURITY INTEREST IN PATENTS, TRADEMARKS, ETC. The Debtor hereby grants to the Secured Party a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with (upon and during the continuance of an Event of Default) power of sale to the extent permitted by applicable law, all of the Debtor's right, title and interest in all U.S. and foreign patents, trademarks, trade names, service marks, patent applications, trademark applications, trade name applications and service mark applications and the inventions and improvements described and claimed in the patents and patent applications (together with the items described in Clauses (a) through (d), below, the "Proprietary Collateral"), whether now owned or existing and filed or hereafter acquired or arising and filed, including, without limitation, the Proprietary Collateral listed on Exhibit A attached hereto and made a part hereof, and (a) the reissues, divisions, continuations, renewals, extensions and continuations in part thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without

limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world.

3. OBLIGATIONS AND LIABILITIES SECURED. The security interests of the Secured Party under this Security Agreement secure (a) the full and prompt performance and observance of all of the terms, conditions and agreements contained in the Credit Agreement and the Other Agreements, including, without limitation, the Liabilities to be performed or observed by the Debtor, (b) the punctual full payment of the principal of and interest on the Notes in accordance with the terms and provisions of the Notes (including interest accruing under the Notes after the commencement of any case or proceeding under any state or federal bankruptcy, insolvency or similar law [a "Proceeding"] to the extent that a claim for such interest is allowable in such a Proceeding ["Post-Petition Interest"]), (c) the performance and observance of the terms, conditions and agreements hereinafter contained, (d) the full performance and observance of all of the other terms, conditions and agreements contained in all of the other Other Agreements, and (e) any and all other indebtedness of the Debtor to the Secured Party, including Post-Petition Interest (all of which are referred to herein collectively as the "Secured Obligations").

4. NEW PATENTS, TRADEMARKS, ETC. If, prior to the termination of this Security Agreement, the Debtor shall (a) obtain rights to any new patentable inventions, (b) become entitled to the benefit of any patent, trademark, trade name, service mark, patent application, trademark application, service mark application, license or any reissue, division, continuation, renewal, extension or continuation in part of any of the same or any improvement on any of the same, the provisions of Paragraph 2, above, shall automatically apply thereto and such patents, trademarks, trade names, service marks, patent applications, trademark applications, service mark applications, licenses, etc. shall automatically become Proprietary Collateral hereunder and shall be subject to the security interests described herein. The Debtor shall give to the Secured Party written notice of the events described in clauses (a) and (b) of the preceding sentence on a quarterly basis. The Debtor hereby authorizes the Secured Party to modify this Security Agreement by amending Exhibit A to include any future patents, trademarks, trade names, service marks, patent applications, trademark applications, service mark applications and the Debtor agrees to execute any agreements, documents or instruments reasonably requested by the Secured Party to effectuate such amendment.

5. ROYALTIES; TERM. The Debtor hereby agrees that the use by the Secured Party of the Proprietary Collateral as authorized hereunder shall be co-extensive with the Debtor's rights thereunder and in respect thereof and without any liability for royalties or other related charges from the Secured Party to the Debtor. The term of the security interest granted herein shall extend until the earlier of (a) the expiration or termination of each item of Proprietary Collateral assigned hereunder, or (b) the date on which all "Collateral" (as defined in the Credit Agreement) has been released pursuant to the terms of the Credit Agreement and the Related Writings.

7. DUTIES OF THE DEBTOR. The Debtor shall have the duty (a) to prosecute diligently any patent application, trademark application and service mark applications that are

part of the patents, trademarks or service marks pending as of the date hereof and thereafter until the termination of this Security Agreement; (b) to make application on unpatented but patentable inventions, as the Debtor deems appropriate; (c) to take reasonable steps to preserve and maintain all of the Debtor's rights in any material Proprietary Collateral, including, without limitation, as appropriate, the use in interstate commerce, the timely payment of fees and the making of filings; and (d) not to divest itself of any right under any Proprietary Collateral. Any expense incurred in connection with the foregoing shall be borne by the Debtor. The Debtor shall not abandon any material pending patent application, trademark application, service mark application or patent, trademark, trade name or service mark encumbered hereby without the prior written consent of the Secured Party.

8. INFRINGEMENT. The Debtor represents and warrants to the Secured Party that the Debtor owns and possesses, and will own or possess continuously throughout the term of this Security Agreement, the valid right to use the Proprietary Collateral, without any known conflict with the rights of others, and no litigation or proceeding is pending, or, to the best knowledge of the Debtor, threatened against the Debtor, which might, if successful, adversely affect the Debtor's interest in the Proprietary Collateral in any material respect.

9. ADDITIONAL REPRESENTATIONS AND WARRANTIES. 10. WAIVERS. No course of dealing between the Debtor and the Secured Party, and no failure to exercise or delay in exercising on the part of the Secured Party any right, power or privilege hereunder, under the Credit Agreement or any of the Other Agreements, shall operate as a waiver of any of the Secured Party's rights, powers or privileges. No single or partial exercise of any right, power or privilege hereunder, under the Credit Agreement or under any Other Agreements shall preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

11. SECURED PARTY'S EXERCISE OF RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT.

(a) An "Event of Default" under this Security Agreement shall be deemed to exist if there shall exist and be continuing any event, condition or thing which constitutes an Event of Default under the Credit Agreement, including, without limitation, the Debtor's default in the timely performance of all of its obligations and covenants hereunder.

(b) Upon and during the continuance of an Event of Default, the Secured Party may (to the extent permitted by law) exercise any and all rights and remedies provided in this Security Agreement, the Credit Agreement, the Other Agreements, at law and in equity. In connection therewith, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the patents, trademarks or service marks secured hereby and, if the Secured Party shall commence any such suit, the Debtor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement. The Debtor shall, upon demand, promptly reimburse the Secured Party for all costs and other expenses including, without limitation, attorneys' fees and expenses, incurred by the Secured Party in the exercise of its rights under this paragraph.

(c) Without limiting the generality of subparagraph (b), above, if an Event of Default shall occur and be continuing, the Secured Party may by written notice to the Debtor take any or

all of the following actions: (i) declare the entire right, title and interest of the Debtor in each of the patents, copyrights, trademarks and other Proprietary Collateral vested, in which event such right, title and interest shall immediately vest in the Secured Party, in which case the Debtor agrees to execute an assignment in form and substance reasonably satisfactory to the Secured Party or all its right, title, and interest to such Proprietary Collateral to the Secured Party; (ii) take and practice, use or sell the Proprietary Collateral; and (iii) direct the Debtor to refrain, in which event the Debtor shall refrain, from using or practicing the Proprietary Collateral directly or indirectly, and the Debtor shall execute such other and further documents as the Secured Party may request further to confirm this and to transfer ownership of the Proprietary Collateral to the Secured Party.

12. SEVERABILITY. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. MODIFICATION. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 4 hereof or by a writing signed by the parties hereto.

14. CUMULATIVE REMEDIES; POWER OF ATTORNEY. All of the Secured Party's rights and remedies in respect of the Proprietary Collateral whether established hereby, by the Credit Agreement, by any of the Other Agreements or by law, shall be cumulative and may be exercised singularly or concurrently. Upon and during the continuance of an Event of Default, the Debtor hereby constitutes and appoints the Secured Party its true and lawful attorney, with full power of substitution, with power to (a) endorse the Debtor's name on all applications, documents, papers and instruments necessary or desirable for the Secured Party in the use of the Proprietary Collateral, (b) take any other actions in respect of the Proprietary Collateral as the Secured Party deems in the best interest of the Secured Party, (c) grant or issue any exclusive or non-exclusive license under the Proprietary Collateral to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Proprietary Collateral to anyone. The Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the "Collateral" (as such term is defined and used in the Credit Agreement) shall have been released pursuant to the terms of the Credit Agreement. The Debtor hereby acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party under the Credit Agreement or any of the Other Agreements, but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given to it by the terms of this Security Agreement, all rights and remedies allowed by law and all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Proprietary Collateral may be located or deemed located.

No single or partial exercise of any right, power or privilege hereunder, under the Credit Agreement or under any Other Agreements shall preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

11. SECURED PARTY'S EXERCISE OF RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT.

(c) Without limiting the generality of subparagraph (b), above, if an Event of Default shall occur and be continuing, the Secured Party may by written notice to the Debtor take any or

all of the following actions: (i) declare the entire right, title and interest of the Debtor in each of the patents, copyrights, trademarks and other Proprietary Collateral vested, in which event such right, title and interest shall immediately vest in the Secured Party, in which case the Debtor agrees to execute an assignment in form and substance reasonably satisfactory to the Secured Party or all its right, title, and interest to such Proprietary Collateral to the Secured Party; (ii) take and practice, use or sell the Proprietary Collateral; and (iii) direct the Debtor to refrain, in which event the Debtor shall refrain, from using or practicing the Proprietary Collateral directly or indirectly, and the Debtor shall execute such other and further documents as the Secured Party may request further to confirm this and to transfer ownership of the Proprietary Collateral to the Secured Party.

The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. MODIFICATION. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 4 hereof or by a writing signed by the parties hereto.
