(b) for the perfection of or the exercise by the Agent of its rights and remedies hereunder, except, in the case of any such exercise of rights and remedies, to the extent required by Sections 510 and 511 of the New York Not-for Profit Corporation Law.

SECTION 3.1.8 Due Execution, Validity, Etc. Such Grantor has full power and authority, and holds all requisite governmental licenses, permits and other approvals, to enter into and perform its obligations under this Agreement. The execution, delivery and performance by such Grantor of this Agreement does not contravene or result in a default under such Grantor's Organic Documents or contravene or result in a default under any material contractual restriction, Lien or governmental regulation or court decree or order binding on such Grantor. This Agreement has been duly executed and delivered on behalf of each Grantor and constitutes the legal, valid and binding obligation of each Grantor enforceable in accordance with its terms subject to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditor's right generally, and subject to the effect of general principles of equity (regardless of whether considered in a proceeding in equity or at law).

SECTION 3.1.9 Farm Products. None of the Collateral constitutes, or is the proceeds of, farm products.

SECTION 3.1.10 Assigned Agreements. The Assigned Agreements of such Grantor, true and complete copies of which have been furnished to each Lender, have been duly authorized, executed and delivered by such Grantor, are in full force and effect and are binding upon and enforceable against such Grantor in accordance with their terms, subject to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditor's right generally, and subject to the effect of general principles of equity (regardless of whether considered in a proceeding in equity or at law). To the knowledge of such Grantor, there exists no default under any Assigned Agreement by any party thereto.

ARTICLE IV COVENANTS

SECTION 4.1 Certain Covenants. Each Grantor covenants and agrees that, so long as any portion of the Secured Obligations shall remain unpaid or any Lender shall have any outstanding Commitment, such Grantor will, unless the Required Lenders shall otherwise consent in writing, perform the obligations set forth in this Section.

SECTION 4.1.1 As to Equipment and Inventory. Each Grantor hereby agrees that it shall

(a) keep all the Equipment and Inventory (other than Inventory sold in the ordinary course of business) at the places therefor specified in Section 3.1.1 or, upon 30 days' prior written notice to the Agent, at such other places in a jurisdiction where all representations and warranties set forth in Article III (including Section 3.1.5) shall be true and correct, and all action required pursuant to the first sentence of Section 4.1.8 shall have been taken with respect to the Equipment and Inventory;

(b) cause the Equipment to be maintained and preserved in the same condition, repair and working order as when new, ordinary wear and tear excepted, and make or cause to be

made all repairs, replacements and other improvements in connection therewith which are necessary so that such Grantor may properly conduct its business; and

(c) pay promptly when due all property and other taxes, assessments and governmental charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Equipment and Inventory, except to the extent the validity thereof is being contested in good faith by appropriate proceedings and for which adequate reserves in accordance with GAAP have been set aside.

SECTION 4.1.2 As to Receivables.

(a) Each Grantor shall keep its principal place of business and chief executive office and the office where it keeps its records concerning the Receivables, and all originals of all chattel paper which evidence Receivables, located at the places therefor specified in Section 3.1.1 or, upon 30 days' prior written notice to the Agent, at such other locations in a jurisdiction where all actions required by Section 4.1.8 shall have been taken with respect to the Receivables; not change its name except upon 30 days' prior written notice to the Agent; hold and preserve such records and chattel paper; and permit representatives of the Agent at any time during normal business hours, upon reasonable notice, to inspect and make abstracts from such records and chattel paper.

(b) Upon written notice by the Agent to any Grantor pursuant to this Section 4.1.2(b), all proceeds of Collateral received by such Grantor shall be delivered in kind to the Agent for deposit to a deposit account (the "Collateral Account") of such Grantor maintained with the Agent or such other Person designated by the Agent, and such Grantor shall not commingle any such proceeds, and shall hold separate and apart from all other property, all such proceeds in express trust for the benefit of the Agent until delivery thereof is made to the Agent. The Agent will not give the notice referred to in the preceding sentence unless there shall have occurred and be continuing any Event of Default. No funds, other than proceeds of Collateral, will be deposited in the Collateral Account.

(c) The Agent shall have the right to apply any amount in the Collateral Account to the payment of any Secured Obligations which are due and payable or payable upon demand, or to the payment of any Secured Obligations at any time that any Event of Default shall exist. Subject to the rights of the Agent, each Grantor shall have the right on each Business Day, with respect to and to the extent of collected funds in the Collateral Account, to require the Agent to purchase any Cash Equivalent Investment, provided that, in the case of certificated securities, the Agent will retain possession thereof as Collateral and, in the case of other Investment Property, the Agent will take such actions, including registration of such Investment Property in its name, as it shall determine is necessary to perfect its security interest therein. The Agent may at any time and shall promptly following any Grantor's request therefor, if no Event of Default has occurred and is continuing, transfer to such Grantor's general demand deposit account at the Agent or its bank (if not the Agent) any or all of the collected funds in the Collateral Account; provided, however, that any such transfer shall not be deemed to be a waiver or modification of any of the Agent's rights under this Section 4.1.2(c). None of the Grantors will, without the Agent's prior written consent, grant any extension of the time of payment of any Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with

such prudent and standard practices used in industries that are the same as or similar to those in which such Grantor is engaged.

SECTION 4.1.3 As to Collateral.

(a) Until such time as the Agent shall notify the Grantors of the revocation of such power and authority after the occurrence and continuation of any Event of Default, each Grantor (i) may in the ordinary course of its business, at its own expense, sell, lease or furnish under the contracts of service any of the Inventory normally held by such Grantor for such purpose, and use and consume, in the ordinary course of its business, any raw materials, work in process or materials normally held by such Grantor for such purpose, and sell or otherwise dispose of any other Collateral to the extent permitted by Section 7.2.10 of the Credit Agreement, (ii) will, at its own expense, endeavor to collect, as and when due, all amounts due with respect to any of the Collateral, including the taking of such action with respect to such collection as the Agent may reasonably request or, in the absence of such request, as each Grantor may deem advisable, and (iii) may grant, in the ordinary course of business, to any party obligated on any of the Collateral, any rebate, refund or allowance to which such party may be lawfully entitled, and may accept, in connection therewith, the return of goods, the sale or lease of which shall have given rise to such Collateral. The Agent, however, may, at any time following the occurrence and during the continuance of any Event of Default, whether before or after any revocation of such power and authority or the maturity of any of the Secured Obligations, notify any parties obligated on any of the Collateral to make payment to the Agent of any amounts due or to become due thereunder and enforce collection of any of the Collateral by suit or otherwise and surrender, release, or exchange all or any part thereof, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder or evidenced thereby. Upon request of the Agent after the occurrence and during the continuance of any Event of Default, each Grantor will, at its own expense, notify any parties obligated on any of the Collateral to make payment to the Agent of any amounts due or to become due thereunder.

(b) The Agent is authorized to endorse, in the name of each Grantor, any item, howsoever received by the Agent, representing any payment on or other proceeds of any of the Collateral.

SECTION 4.1.4 As to Intellectual Property Collateral.

(a) No Grantor shall, unless such Grantor shall either (i) reasonably and in good faith determine that any of the Patent Collateral is of negligible economic value to such Grantor or (ii) have a valid business purpose to do otherwise, do any act, or omit to do any act, whereby any of the Patent Collateral may lapse or become abandoned or dedicated to the public or unenforceable.

(b) No Grantor shall, and no Grantor shall permit any of its licensees to, unless such Grantor shall either (i) reasonably and in good faith determine that any of the Trademark Collateral is of negligible economic value to such Grantor or (ii) have a valid business purpose to do otherwise,

(A) fail to continue to use any of the Trademark Collateral in order to maintain all of the Trademark Collateral in full force free from any claim of abandonment for non-use;

(B) fail to maintain as in the past the quality of products and services offered under all of the Trademark Collateral;

(C) fail to employ all of the Trademark Collateral registered with any Federal or State authority with an appropriate notice of such registration; or

(D) do or permit any act or knowingly omit to do any act whereby any of the Trademark Collateral may lapse or become invalid or unenforceable.

(c) No Grantor shall, unless such Grantor shall either reasonably and in good faith determine that any of the Copyright Collateral or any of the Trade Secrets Collateral is of negligible economic value to such Grantor or have a valid business purpose to do otherwise, do or permit any act or knowingly omit to do any act whereby any of the Copyright Collateral or any of the Trade Secrets Collateral may lapse or become invalid or unenforceable or placed in the public domain except upon expiration of the end of an unrenovable term of a registration thereof.

(d) Concurrently with each delivery of the financial statements pursuant to clauses (a) and (b) of Section 7.1.1 of the Credit Agreement, the Borrower shall provide a certificate of an Authorized Officer identifying, for the immediate preceding Fiscal Quarter, (i) the occurrence of any of the events described in clause (a), (b) or (c) and (ii) all applications filed on behalf of any Grantor for the registration of any Intellectual Property Collateral with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any State or political subdivision thereof. With respect to all such applications identified in clause (d)(ii) each relevant Grantor agrees to execute and deliver any and all agreements, instruments, documents and papers as the Agent may reasonably request in order to evidence the Agent's security interest in such Intellectual Property Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(e) Each Grantor shall take all necessary steps, including in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue any application (and to obtain the relevant registration) filed with respect to, and to maintain any registration of, the material Intellectual Property Collateral, including the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings and the payment of fees and taxes (except to the extent that dedication, abandonment or invalidation is permitted under the foregoing clauses (a), (b) and (c)).

SECTION 4.1.5 Insurance. Each Grantor will maintain or cause to be maintained insurance as provided in Section 7.1.4 of the Credit Agreement. All proceeds of insurance maintained by each Grantor so covering the Collateral shall be retained by the Agent for application to the payment in full of the Secured Obligations under the circumstances provided for in Section 7.1.4 of the Credit Agreement. Each Grantor irrevocably makes, constitutes and appoints the Agent (and all officers, employees or agents designated by the Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required by Section 7.1.4 of the Credit Agreement or to pay any premium in whole or part relating thereto, the Agent may, without

waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Agent deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.1.5, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Agent and shall be additional Secured Obligations secured hereby.

SECTION 4.1.6 Transfers and Other Liens. No Grantor shall:

- (a) sell, assign (by operation of law or otherwise) or otherwise dispose of any of the Collateral, except as permitted by Section 4.1.3 hereof or Section 7.2.10 of the Credit Agreement; or
- (b) create or suffer to exist any Lien upon or with respect to any of the Collateral, except for the security interest created by this Agreement and except those permitted by Section 7.2.3 of the Credit Agreement.

SECTION 4.1.7 Further Assurances, etc. Each Grantor agrees that, from time to time at its own expense, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that the Agent may reasonably request, in order to perfect, preserve and protect any security interest granted or purported to be granted hereby or to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral (including the obtaining of written consents to assignment of the nature referred to in Section 3.1.10 with respect to material contracts of such Grantor). Without limiting the generality of the foregoing, each Grantor will

(a) if requested by the Agent during the continuance of any Event of Default, mark conspicuously each document included in the Inventory, each Assigned Agreement, each chattel paper included in the Receivables, each Related Contract and each of its records pertaining to the Collateral with a legend, in form and substance satisfactory to the Agent, indicating that such document, Assigned Agreement, chattel paper, Related Contract or Collateral is subject to the security interest granted hereby;

(b) if any Receivable shall be evidenced by a promissory note or other instrument, negotiable document or chattel paper, deliver and pledge to the Agent hereunder such promissory note, instrument, negotiable document or chattel paper duly endorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance satisfactory to the Agent;

(c) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices (including any assignment of claim form under or pursuant to the federal assignment of claims statute, 31 U.S.C. § 3726, any successor or amended version thereof or any regulation promulgated under or pursuant to any version thereof), as may be necessary, or as the Agent may reasonably request, in order to perfect and preserve the security interests and other rights granted or purported to be granted to the Agent hereby;

(d) furnish to the Agent, from time to time at the Agent's request, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Agent may reasonably request, all in reasonable detail;

(e) if at any time any Collateral is located on any premises that are not owned by the Grantor, such Grantor shall exercise its best efforts (subject to Section 7.1.11 of the Credit Agreement) to obtain written waivers, in form and substance satisfactory to the Agent, of all present and future Liens to which the owner or lessor or any mortgagee of such premises may be entitled to assert against the Collateral;

(f) if requested by the Agent during the continuance of any Event of Default, take all actions that the Agent deems necessary or advisable to enforce collection of the Receivables; and

(g) from time to time, promptly following the Agent's request, execute and deliver confirmatory written instruments pledging to the Agent the Collateral, but any such Grantor's failure to do so shall not affect or limit the security interest granted hereby or the Agent's other rights in and to the Collateral.

With respect to the foregoing and the grant of the security interest hereunder, each Grantor hereby authorizes the Agent to file one or more financing or continuation statements, and amendments thereto, and make filings with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country), in each case for the purpose of perfecting, confining, continuing, enforcing or protecting the security interest granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

SECTION 4.1.8 Inspections and Verification. The Agent shall have the right, at the Grantors' own cost and expense, to inspect the Collateral, all records related thereto (and to make extracts and copies from such records) and the premises upon which any of the other Collateral is located, to discuss the Grantors' affairs with the officers of the Grantors and their independent accountants and to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Collateral, including, in the case of Accounts or other Collateral in the possession of any third Person, by contacting Account Debtors in the event of and during the continuance of an Event of Default or the third person possessing such other Collateral for the purpose of making such a verification.

ARTICLE V THE AGENT

SECTION 5.1 Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take, upon the occurrence and during the continuance of any Event of Default, any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement. Without limiting the generality of the foregoing, each Grantor hereby gives the Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor during the continuance of any Event of Default, to do any or all of the following:

(a) (i) demand payment of its Receivables; (ii) enforce payments of its Receivables by legal proceedings or otherwise; (iii) exercise all of its rights and remedies with respect to proceedings brought to collect its Receivables; (iv) sell or assign its Receivables upon such terms, for such amount and at such times as the Agent deems advisable; (v) settle, adjust, compromise, extend or renew any of its Receivables; (vi) discharge and release any of its Receivables; (vii) prepare, file and sign such Grantor's name on any proof of claim in bankruptcy or other similar document against any obligor of any of its Receivables; (viii) notify the post office authorities to change the address for delivery of the such Grantor's mail to an address designated by the Agent, and open and dispose of all mail addressed to the Grantor; and (ix) endorse such Grantor's name upon any chattel paper, document, instrument, invoice, or similar document or agreement relating to any Receivable or any goods pertaining thereto;

(b) in the case of any Intellectual Property Collateral, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Lender Parties' security interest in such Intellectual Property Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(c) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(d) execute, in connection with any sale or other disposition provided for in Section 6.1, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(e) (i) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (ii) ask or demand for, collect, and receive payment of and give receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (iii) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (iv) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (v) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (vi) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (vii) notify, or require any Grantor to notify, Account Debtors to make payment directly to the Agent and change the post office box number or other address to which the Account Debtors make payments; (viii) assign any Intellectual Property Collateral (along with the goodwill of the business to which any such Intellectual Property Collateral pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (ix) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Agent deems necessary to protect, preserve or realize upon the Collateral and the Lender Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Each Grantor hereby acknowledges, consents and agrees that the power of attorney granted pursuant to this Section is irrevocable and coupled with an interest. The Agent agrees to give notice to the Borrower if it takes any actions pursuant to this Section, provided, that the failure to give any such notice shall not adversely impact the Agent or the other Lender Parties in any respect.

SECTION 5.2 Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Agent may itself perform, or cause performance of, such agreement, and the reasonable expenses of the Agent incurred in connection therewith shall be payable by such Grantor pursuant to Section 6.2.

SECTION 5.3 Access and Examination. The Agent may at all reasonable times have access to, examine, audit, make extracts from and inspect each Grantor's records, files and books of account and the Collateral, and may discuss each Grantor's affairs with such Grantor's officers and management. Each Grantor will deliver to the Agent promptly following its request therefor any instrument necessary for the Agent to obtain records from any service bureau maintaining records for the such Grantor. The Agent may, at expense of the Grantors, use each Grantor's personnel, supplies and premises as may be reasonably necessary for maintaining or enforcing the security interest granted hereunder. The Agent shall have the right, at any time, in each Grantor's name to verify the validity, amount or any other matter relating to the Accounts, by mail, telephone or otherwise.

SECTION 5.4 Agent Has No Duty. (a) In addition to, and not in limitation of, Section 2.4, the powers conferred on the Agent hereunder are solely to protect its interest (on behalf of the Lender Parties) in the Collateral and shall not impose any duty on it to exercise any such powers. The Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the U.C.C. or otherwise, shall be to deal with it in the same manner as the Agent deals with similar property for its own account. Neither the Agent nor any of its officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof (including the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral). The Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Agent nor any of its officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

(b) Each Grantor assumes all responsibility and liability arising from or relating to the use, sale or other disposition of the Collateral. The Obligations shall not be affected by any failure of the Agent to take any steps to perfect the security interest granted hereunder or to collect or realize upon the Collateral, nor shall loss of or damage to the Collateral release any Grantor from any of its Obligations.

ARTICLE VI REMEDIES

SECTION 6.1 Certain Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the U.C.C. and also may

(i) require each Grantor to, and each Grantor hereby agrees that it will, at its expense and upon the request of the Agent forthwith, assemble all or part of the Collateral as directed by the Agent and make it available to the Agent at a place to be designated by the Agent;

(ii) without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale, at any of the Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' prior notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned;

(iii) with respect to the Intellectual Property, on demand, to cause the security interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantors to the Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Agent shall determine (other than in violation of any then existing licensing arrangements to the extent that waivers cannot be obtained); and

(iv) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral.

(b) All cash proceeds received by the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Agent, be held, to the extent permitted under applicable law, by the Agent as additional collateral security for all or any part of the Secured Obligations, and/or then or at any time thereafter shall be applied (after payment of any amounts payable to the Agent pursuant to Section 10.3 of the Credit Agreement and Section 6.2 below) in whole or in part by the Agent for the ratable benefit of the Lender Parties against all or any part of the Secured Obligations in accordance with Section 8.5 of the Credit Agreement. Any surplus of such cash or cash proceeds held by the Agent and remaining after payment in full of all the Secured Obligations, and the termination of all Commitments, shall be paid over to the Grantors or to whomsoever may be lawfully entitled to receive such surplus.

(c) The Agent may exercise any and all rights and remedies of each Grantor under or in connection with the Equipment, Inventory, Receivables, the Related Contracts, the Assigned Agreements or otherwise in respect of the Collateral, including the right to sue upon or otherwise collect, extend the time for payment of, modify or amend the terms of, compromise or settle for cash, credit, or otherwise upon any terms, grant other indulgences, extensions, renewals, compositions, or releases, and take or omit to take any other action with respect to the Collateral, any security therefor, any agreement relating thereto, any insurance applicable thereto, or any Person liable directly or indirectly in connection with any of the foregoing, without discharging or otherwise affecting the liability of any Grantor for the Obligations or under this Agreement or any other Loan Document and the Assigned Agreements or otherwise in respect of the Collateral, including any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, any Equipment, Inventory, Receivables, Related Contracts, Assigned Agreements or other Collateral.

The Agent shall give the Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-504(3) of the U.C.C.) of the Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or time within ordinary business hours and at such place or places as the Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Agent may (in its sole and absolute discretion) determine. The Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Agent may, without notice or publication adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Agent until the sale price is paid by the purchase or purchasers thereof, but the Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, any Lender Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Lender Party from any Grantor as a credit against the purchase price, and such Lender Party may upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor.

SECTION 6.2 Indemnity and Expenses.

(a) Each Grantor agrees to jointly and severally indemnify the Agent from and against any and all claims, losses and liabilities arising out of or resulting from this Agreement (including enforcement of this Agreement), except claims, losses or liabilities resulting from the Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction.

(b) Each Grantor will upon demand pay to the Agent the amount of any and all reasonable expenses, including the reasonable fees and disbursements of its counsel and of any experts and agents, which the Agent may incur in connection with

- (i) the administration of this Agreement,
- (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral,
- (iii) the exercise or enforcement of any of the rights of the Agent or the Lender Parties hereunder, or
- (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

ARTICLE VII MISCELLANEOUS PROVISIONS

SECTION 7.1 Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article X thereof.

SECTION 7.2 Amendments, etc.; Additional Grantors; Successors and Assigns.

(a) No amendment to or waiver of any provision of this Agreement nor consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Agent and, with respect to any such amendment, by the Grantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) Upon the execution and delivery by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Collateral Grantor" and shall be and become a Grantor, and each reference in this Agreement to "Grantor" shall also mean and be a reference to such Additional Collateral Grantor and (ii) the schedule supplements attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through VII hereto, as appropriate, and the Agent may attach such schedule supplements to such Schedules, and each reference to such Schedules shall mean and be a reference to such Schedules, as supplemented pursuant hereto.

(c) Any Grantor that becomes an Excluded Foreign Subsidiary after the date hereof shall, upon written request of such Grantor to the Agent and at the sole cost of such Grantor, be released from the terms hereof pursuant to documentation reasonably satisfactory to the Agent.

COTI: We are all earthlings.

Good morning, Mr. Sun.

On my pond.

Love the ocean.

Keep the park clean for the pigeons.

(I believe in) little things. Little things

I love trash.

Stand by your can.

No matter what your language.

One small voice.

The dirtiest town in the west.

Every bit of litter hurts.

Once is not enough.

Skin.

Be kind to your neighborhood monsters.

This song is for the birds.

Antarctica]

I don't want to live on the moon.

Todos un pueblo.

Let's make a dream.
