W I T N E S S E T H:

WHEREAS, pursuant to a Secured Credit Agreement dated as of February 26, 1999 (as amended, restated, supplemented or otherwise modified from time to time, the "Secured Credit Agreement"), among Grantors and **First Source Financial LLP, an Illinois limited liability partnership ("FSF")**, FSF has extended Commitments to make Loans and other extensions of credit to Grantors;

WHEREAS, in connection with the Secured Credit Agreement, Grantors have executed and delivered to FSF a Security Agreement, dated as of February 26, 1999 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to an Assignment and Assumption Agreement dated as of December 27, 2000 and an Omnibus Acknowledgment and Agreement dated as of the date hereof, FSF has assigned its rights and obligations under the Secured Credit Agreement and the Security Agreement to Lender and Grantors have agreed to execute this Agreement to evidence such assignment;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce Lender to make Loans and other extensions of credit pursuant to the Secured Credit Agreement, Grantors agree, for the benefit of Lender, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the respective meanings provided or provided by reference in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt and complete payment, performance and observance of all of the Liabilities, each Grantor does hereby mortgage, pledge and grant to Lender a continuing security interest in, all of the following property of such Grantor (the "**Trademark Collateral**"), whether now or hereafter owned, acquired, existing or arising:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, other sources of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (each of the foregoing items in this clause (a) being called a "**Trademark**"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including those referred to in **Item A of Attachment 1** hereto;

(b) all Trademark licenses, including each Trademark license referred to in **Item B of Attachment 1** hereto;

(c) all reissues, extensions or renewals of any of the items described in **clauses (a) and (b)**;

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in **clauses (a) and (b)**; and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in **Item A and Item B of Attachment 1** hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

This Agreement has been executed and delivered by Grantors for the purpose of registering the security interest of Lender in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Lender under the Security Agreement. The Security Agreement (and all rights and remedies of Lender thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Security Interest. Upon payment in full of all Liabilities and the termination of all Commitments, Lender shall, at Grantors' expense, execute and deliver to Grantors all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.
