ASSIGNMENT

THIS ASSIGNMENT, effective as of the 5th day of October, 2000, by Builderburg Group, Inc., a Vermont corporation, and Builderburg Partners Limited Partnership, a District of Columbia limited partnership, having their principal places of business at 186 Allen Brook Lane, Williston, Vermont 05495 ("Assignors");

WHEREAS, Hanley-Wood, LLC, a Delaware limited liability company, having its principal place of business at One Thomas Circle, N.W., Suite 600, Washington, D.C. 20005 ("Assignee"), wishes to acquire and Assignors wish to transfer to Assignee all right, title and interest Assignors own in and to certain "Proprietary Rights," as hereinafter defined.

NOW THEREFORE, in view of the payment of Ten Dollars (\$10.00), and other legally sufficient and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignors, each Assignor DOES HEREBY assign and transfer to Assignee all right, title and interest such Assignor owns in and to the following "Proprietary Rights:"

1. "Marks and Trade Dress", which shall mean any and all trademarks, service marks, trade names, and other terms, words, designations, titles, designs, colors, color combinations, product configurations and indicia used or intended to be used in connection with such Assignor's business; any and all applications filed and registrations received for any of the foregoing in the United States, the individual states thereof and jurisdictions foreign thereto, including without limitation those listed on attached Exhibit A; and the GOODWILL of the business in which the foregoing are used;
2. "Works," which shall mean any and all expressions of concepts and ideas created, used or published by or for such Assignor in connection with such Assignor's business, including without limitation any and all publications, plans, photographs, products and marketing, advertising and promotional materials in printed or other form, whether or not the same constitute "Works of Authorship" under the United States copyright laws; and any and all copyright applications filed and registrations received for any of the foregoing in the United States or elsewhere, including without limitation those listed on attached Exhibit B;
3. "Confidential Information," which shall mean any and all information developed or obtained by such Assignor relating to such Assignor's business comprising trade secrets, proprietary information, formulas, products, protocols, forms, procedures, methods for operating such Assignor's business, marketing and advertising practices and plans and financial data, whether or not any of the foregoing is embodied in written or otherwise recorded form;

- 2 -

4. "Inventions," which shall mean discoveries, concepts, developments and ideas relating to such Assignor's business, whether or not protectable under the patent or other laws, including without limitation designs, methods, formulas, techniques, articles of manufacture, processes and procedures, as well as improvements and know-how relating thereto; and any and all patent applications filed and patents obtained for any of the foregoing in the United States or in jurisdictions foreign thereto; and

5. Any and all other rights and privileges provided under the copyright, patent, trademark, unfair competition, trade secret and other laws of the United States, the individual states thereof and jurisdictions foreign thereto with respect to the foregoing; the material objects in which such rights and privileges are embodied; any and all rights to and under any and all licenses and other agreements and documents relating to any of the foregoing; and any and all rights of publicity and waivers of privacy rights of any and all persons whose names, images, likenesses and other identifying indicia are included in the subject matter to which the foregoing relates.

Any and all rights created by or arising from use of the Proprietary Rights shall, by virtue of this Assignment, inure to and remain the sole and exclusive property of Assignee; and each Assignor does hereby waive and renounce any and all claims to such rights.

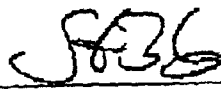

Each Assignor shall, without further consideration, execute any additional documents and take such further action as may be requested to protect, secure and vest in Assignee good, valid and marketable title to the Proprietary Rights.

Each Assignor does hereby authorize and empower Assignee to invoke and claim for any applications, registrations, patents or the like included within the Proprietary Rights, the benefits of any rights to which it may be entitled under international law or under the laws of any particular country, and to invoke and claim such rights without further written or oral authorization.

This instrument shall be binding upon and shall inure to the benefit of the parties, and their respective officers, directors, employees, agents, affiliates, attorneys, legal representatives, heirs, successors and assigns.
