NUNC PRO TUNC ASSIGNMENT

WHEREAS, Lerio Corporation, a corporation organized and existing under the laws of the State of Alabama, having a place of business at P.O. Box 2084, 1501 Telegraph Road, Mobile, Alabama 36610, hereinafter generally referred to as "Lerio", is the owner of the whole and entire right, title and interest in and to the United States trademark applications, United States trademark registrations, United States patent applications and United States patents listed on the attached Schedule A and the inventions described and claimed therein and goodwill associated therewith;

WHEREAS, effective March 1, 2000, Nursery Supplies, Inc., a New Jersey corporation having a place of business at 115 Orchard Drive, Chambersburg, Pennsylvania 17201, hereinafter generally referred to as "NURSERY SUPPLIES", did acquire all right, title and interest in and to said United States trademark applications, United States trademark registrations, United States patent applications and United States patents, and the inventions described and claimed therein, and goodwill associated therewith, including any choses in action;

AND WHEREAS, it is desired that assignment of said trademark applications, trademark registrations, patent applications and patents be made of record in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the full receipt and sufficiency of which are hereby acknowledged and intending to be legally bound hereby, Lerio hereby acknowledges that on March 1, 2000, Lerio sold, assigned, transferred and conveyed unto Nursery Supplies the whole and entire right, title and interest in and to

(1) the United States trademark applications and United States trademark registrations listed in Schedule A, and any registrations and applications for registration related thereto, whether in the United States or foreign countries ("Trademarks"), together with the goodwill of the business symbolized by the Trademarks, and all rights and privileges granted and secured thereby, including the right to sue and recover for any past infringement; and

(2) the United States patent applications and United States patents listed in Schedule A, and the inventions described and claimed therein, and all United States or foreign patents which may or have been granted on said inventions, including any and all reissues, continuations and divisions thereof, and all rights to damages or profits, due or accrued, arising out of past infringements of any and all of said patents, and accrued royalties due on any and all said patents and the right to sue for and recover the same, said trademark applications, trademark registrations, inventions, patent applications and patents to be held and enjoyed by Nursery Supplies for Nursery Supplies' own use and behoof, and for Nursery Supplies' legal representatives and assigns to the full end of the

term for which said applications, registrations, and patents were granted, as fully and entirely as the same would have been held by Lerio had this assignment and sale not been made; and for the aforesaid consideration Lerio did covenant, agree and undertake to execute whenever requested by Nursery Supplies, all assignments, lawful oaths and any other papers which Nursery Supplies may deem necessary or desirable for securing to Nursery Supplies or for maintaining for Nursery Supplies the trademark applications, trademark registrations, patent applications and patents assigned, and the choses in action therefore, all without further compensation to Lerio.
