If creditors representing 3/4 in amount of the outstanding debt of the corporation held by all of such creditors or class of creditors, or if the holders of 3/4 of the outstanding shares of the corporation held by such shareholders or class of shareholders, agree to a compromise or arrangement, or a reorganization of this corporation as a consequence of a compromise or arrangement, then the compromise or arrangement and the reorganization, if sanctioned by the court to which the application has been made, shall be binding on all of such creditors or class of creditors, or on all of such shareholders or class of shareholders and also on this corporation.
