**1. Representations and Warranties. Debtor represents and warrants as follows:**

**1.1** Each of the Trademarks, Patents and Copyrights is valid, enforceable and subsisting;

**1.2** The Schedules hereto are true and complete lists of all Collateral as of the date hereof.

**1.3** This Agreement creates a legal and valid lien on the Collateral, enforceable against Debtor and all third parties.

**1.4** This Agreement does not violate and is not in contravention of any other agreement to which Debtor is a party or any judgment or decree by which Debtor is bound and does not require any consent under any other agreement to which Debtor is a party or by which Debtor is bound.

**1.5** Debtor has the requisite corporate power and authority to execute, deliver and perform this Agreement, and this Agreement is the legal, valid and binding obligation of Debtor, enforceable in accordance with its terms.

**1.6** Debtor is the sole and exclusive owner of and has good and marketable title to the Collateral; none of the Collateral is subject to any mortgage, pledge, lien, security interest, lease, charge, setoff, defense, claim, license, shop right, work for hire claims, covenant not to sue, or other encumbrance, except the liens in favor of Secured Party; and there are no legal actions, administrative proceedings or claims pending or threatened relating to any of the Collateral.

1.7 In the five years preceding the date hereof, Debtor has not conducted business under any name other than its current name nor maintained any place of business or any assets in any jurisdiction other than the following: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_.

**2. Covenants. Debtor covenants and agrees as follows:**

2.1 Anything herein to the contrary notwithstanding, Debtor will remain liable under the Collateral to observe and perform all the conditions and obligations to be observed and performed by Debtor thereunder, all in accordance with and pursuant to the terms and provisions thereof. Secured Party will have no obligation or liability under any of the Collateral by reason of or arising out of this Agreement or the receipt by Secured Party of any payment relating to any of the Collateral pursuant hereto, nor will Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of Debtor under or pursuant to any of the Collateral, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by Debtor or the sufficiency of any performance by any party under any of the Collateral, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to Debtor or to which it may be entitled at any time or times.

2.2 Debtor will furnish to Secured Party from time to time, and not less frequently than upon each anniversary of execution of this Agreement, statements and schedules identifying and describing any change, including but not limited to additions and/or deletions in the Collateral, and such other reports in connection with the Collateral as Secured Party may reasonably request, all in reasonable detail.

2.3 Debtor (either itself or through its licensees) will: (a) continue to properly use and maintain each Trademark that is material to Debtor's business in full force and free from any claim of abandonment for non-use, (b) maintain, as in the past, the quality of products and services offered under such Trademark, (c) employ such Trademark with the appropriate notice of application or registration, and (d) not, and not permit any licensee or sublicensee thereof to, do any act or knowingly omit to do any act whereby such Trademark may become invalidated.

2.4 Debtor will not do any act, or omit to do any act, whereby any Patent or Copyright may become abandoned, part of the public domain or otherwise unenforceable.

2.5 Debtor will notify Secured Party immediately if Debtor knows or has reason to know that any application or registration relating to any Patent, Copyright or Trademark may become abandoned or otherwise unenforceable, or of any adverse determination or development, including but not by way of limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark

Office or Copyright Office or any court, regarding the ownership of any part of the Collateral, its right to register the same, or to keep, use, enforce and/or maintain the same.

2.6 If at any time after the date of this Agreement, Debtor obtains rights to any new or additional Collateral, or becomes entitled to the benefit of any application or registration for any re-issue, division, re-examination, continuation-in-part, continuation, renewal or extension of any Collateral or any improvements, adaptations or derivations on any Collateral, the provisions of this Agreement will automatically apply thereto and Debtor will give to Secured Party prompt written notice thereof. Debtor authorizes Secured Party to modify this Agreement by adding from time to time a Schedule D, which Schedule D will include any such future Collateral and applications, and Debtor will execute and deliver to Secured Party from time to time such supplemental assignments or other instruments as Secured Party may desire for the purpose of confirming and perfecting Secured Party's interest in such Collateral. In no event will Debtor, either itself or through any agent, employee, licensee or designee, file an application for the issuance of any Patent or the registration of any Trademark with the United States Patent and Trademark Office, or for any Copyright registration with the United States Copyright Office, or any office or agency of the United States or any State thereof or of any other country or any political subdivision thereof, unless it promptly informs Secured Party, and, upon request of Secured Party, executes and delivers any and all agreements, instruments, documents, and papers as Secured Party may request to evidence and perfect Secured Party's security interest in such Collateral for which registration has been applied and the good will and other intellectual property and related general intangibles of Debtor relating thereto or represented thereby, and Debtor hereby constitutes Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest and irrevocable until the Obligations are indefeasibly paid in full and this Agreement is terminated.

2.7 Debtor will take all necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any appropriate office or agency in any state or in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Collateral, including, without limitation, filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings.

2.8 If any of the Collateral is infringed, misappropriated, diluted or otherwise used or returned without authorization by a third party, Debtor will promptly notify Secured Party after Debtor learns thereof and will take such actions as Secured Party will reasonably deem appropriate under the circumstances to protect such Collateral.

2.9 Debtor, at its sole cost and expense, will (a) appear in and defend any action arising out of, or in any manner connected with, any of the Collateral or the obligations or liabilities of Debtor thereunder, (b) continue to use consistent standards of quality in its manufacture of products sold under the Collateral and will allow Secured Party by its agents to

inspect such products and quality control records relating thereto to ensure Debtor's compliance with such quality standards, and (c) allow Secured Party by its agents reasonable access to the books and records of Debtor relating to the Collateral.

2.10 Debtor will not (a) sell, assign, pledge or otherwise transfer or encumber all or any part of its interest in any of the Collateral, (b) grant any license under any of the Collateral (other than licenses to marketing and distribution agents in the ordinary course of business consistent with past practices), or (c) enter into any agreement which is inconsistent with Debtor's obligations under this Agreement.

3. **Payment of Expenses by Secured Party.** At its option, Secured Party may discharge taxes, liens, security interests or such other encumbrances as may attach to the Collateral, may pay for the maintenance and preservation of the Collateral, as reasonably determined by Secured Party to be necessary. Debtor will reimburse Secured Party on demand for any payment so made or any expense incurred by Secured Party pursuant to the foregoing authorization, and the Collateral also will secure any advances or payments so made or expenses so incurred by Secured Party.

4. **Collections.** After the occurrence of an Event of Default, as defined below, if directed by Secured Party, whenever Debtor receives any payment with respect to any of the Collateral it will hold such payment in trust for Secured Party and forthwith will deliver to Secured Party the same in the form received by Debtor without commingling with any funds belonging to Debtor, and promptly will deposit the same in a special collateral account with Secured Party.

5. **Notification of Third Parties.** Secured Party, at any time after the occurrence of an Event of Default, and without notice to Debtor, may notify any persons who are indebted to Debtor with respect to any Collateral of the assignment thereof to Secured Party and may direct such persons to make payment directly to Secured Party of the amounts due. At the request of Secured Party after the occurrence of an Event of Default, Debtor will direct any persons who are indebted to Debtor with respect to any Collateral to make payment directly to Secured Party. Secured Party is authorized to give receipts to such persons for any such payments and such persons will be protected in making such payments to Secured Party.

6. **Further Assurances.** At the request of Secured Party, Debtor will join with Secured Party in executing one or more financing statements pursuant to the Uniform Commercial Code in form satisfactory to Secured Party and will pay the cost of filing this Agreement and all financing, continuation and termination statements in all public offices where filing is deemed necessary or desirable by Secured Party. Debtor will execute and deliver to Secured Party from time to time such further documents, supplemental assignments or other instruments, and take all further actions as Secured Party may consider necessary or desirable to create, perfect, confirm, preserve, continue or validate Secured Party's interest in the Collateral or to enable Secured Party to exercise or enforce its rights with respect to such interest. Debtor hereby authorizes Secured Party to execute and file on behalf of Debtor all

financing statements and documents deemed necessary or appropriate to perfect Secured Party's interest in the Collateral.

7. **Receivers.** Upon or at any time after the occurrence of an Event of Default, Secured Party may request the appointment of a receiver of the Collateral. Such appointment may be made without notice, and without regard to (i) the solvency or insolvency, at the time of application for such receiver, of the person or persons, if any, liable for the payment of the Obligations; and (ii) the value of the Collateral at such time. Such receiver will have the power to take possession, control and care of the Collateral and to collect all accounts resulting therefrom. Notwithstanding the appointment of any receiver, trustee, or other custodian, Secured Party will be entitled to the possession and control of any cash, or other instruments at the time held by, or payable or deliverable under the terms of this Security Agreement to Secured Party.

8. **Default.**

8.1 Upon the occurrence of (herein referred to as an "Event of Default"): (i) any Event of Default as defined in any of the documents evidencing any of the Obligations, or (ii) any default under any of such documents that do not have a defined set of "Events of Default," Secured Party may exercise any one or more of the rights and remedies granted pursuant to this Agreement or given to a secured party under applicable law, as it may be amended from time to time, including but not limited to the right to take possession and sell, lease or otherwise dispose of the Collateral and, at its option, operate, use or exercise any rights of ownership pertaining to the Collateral as Secured Party deems necessary to preserve the value and receive the benefits of the Collateral. Upon the occurrence of an Event of Default, Secured Party may, so far as Debtor can give authority therefor, enter upon any premises on which the Collateral or any part thereof may be situated and take possession of and remove the same therefrom. Secured Party may require Debtor to make the Collateral available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties.

8.2 Debtor further agrees that, in the event of any disposition of the Collateral upon an Event of Default, Debtor will duly execute, acknowledge and deliver all documents necessary or advisable to record title to the Collateral in any transferee or transferees thereof, including, without limitation, valid, recordable assignments of registrations and/or applications for registration of all Trademarks, Copyrights and Patents. Debtor hereby irrevocably appoints Secured Party as its attorney-in-fact, with full power of substitution, to execute, deliver, and record such documents on Debtor's behalf upon the occurrence of an Event of Default. For the purposes of enabling Secured Party to exercise its rights and remedies upon an Event of Default, Debtor hereby grants to Secured Party an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to Debtor) to use, assign, license or sublicense any of the Collateral, now owned or hereafter acquired by Debtor, and wherever the same may be located.

8.3 The net proceeds arising from the disposition of the Collateral after deducting expenses incurred by Secured Party will be applied to the Obligations in the order determined by Secured Party. If any excess remains after the discharge of all of the Obligations, the same will be paid to Debtor or as required by law. If after exhausting all of the Collateral, there should be a deficiency, Debtor will be liable therefor to Secured Party; provided, however, that nothing contained herein will obligate Secured Party to proceed against the Collateral prior to making a claim against Debtor or any other party obligated under the Obligations or prior to proceeding against any other collateral for the Obligations.

8.4 Whenever notice is required by law to be sent by Secured Party to Debtor of any sale, lease or other disposition of the Collateral, five days written notice sent to Debtor's address set forth herein for notices will be reasonable.

8.5 The rights and remedies provided herein are cumulative and are not exclusive of any other rights or remedies provided by applicable law.

9. **Enforcement Actions.** Secured Party may, but will in no way be obligated to, bring suit in its own name to enforce the Collateral and any license thereunder. If Secured Party elects to bring any such suit in its own name, Debtor will at the request of Secured Party do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement and Debtor will promptly, upon demand, reimburse and indemnify Secured Party for all costs and expenses incurred by Secured Party in the exercise of its rights under this Section.

10. **Obligations, Indemnifications, and Expenses.** If Debtor fails to comply with any of its obligations hereunder, Secured Party may, but will not be obligated to, do so at the expense of Debtor. To the extent that Secured Party incurs any costs or expenses in protecting or enforcing its rights in the Collateral or observing or performing any of the conditions or obligations of Debtor hereunder, including but not limited to reasonable attorneys' fees and the costs and expenses of litigation, such costs and expenses will be due on demand, will be included in the indebtedness secured hereby and will bear interest from the incurring or payment thereof at the highest Default Rate as defined in any of the Obligations. Debtor will indemnify and hold Secured Party harmless against (a) all expenses, liabilities, losses and damages that Secured Party may incur under the Collateral or under or by reason of this Agreement, and (b) all claims and demands whatsoever that may be asserted against Secured Party by reason of this Agreement or any act of Secured Party under this Agreement or under any of the Collateral.

11. **Secured Party's Power of Attorney.** Debtor hereby irrevocably constitutes and appoints Secured Party, and any officer thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Debtor or in its name, from time to time in Secured Party's discretion for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, Debtor hereby gives

Secured Party the power and right, on behalf of Debtor, either before or after an Event of Default, and without notice to or assert by Debtor, to do the following:

11.1 to receive payment of, endorse, and receipt for, any and all monies, claims and other amounts due and to become due at any time in respect of or arising out of the Collateral;

11.2 to commence and prosecute any suits, actions or proceeding at law or in equity in any court of competent jurisdiction to collect any of the Collateral and to enforce any other right in respect of the Collateral;

11.3 to settle, compromise or adjust any suit, action or proceeding described above, and, in connection therewith, to give such discharges or releases as Secured Party may deem appropriate; and

11.4 generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all purposes, and to do, at Secured Party's option, at any time, or from time to time, all acts and things which Secured Party deems necessary to protect or preserve the Collateral and Secured Party's security interest and rights therein in order to effect the intent of this Agreement, all as fully and effectively as Debtor might do.

Debtor hereby ratifies all that such attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest, will be irrevocable and will terminate only upon payment in full of the Obligations and the termination of all financing arrangements relating thereto and this Agreement. The powers conferred upon Secured Party hereunder are solely to protect Secured Party's interests in the Collateral and will not impose any duty upon it to exercise any such powers. Secured Party will have no obligation to preserve any rights of any third parties in the Collateral or to perform any duties or obligations of any Debtor under or with respect to any of the Collateral. Secured Party will be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it, any of its affiliates nor any of its agents will be responsible to Debtor for any action taken or omitted to be taken in good faith or in reliance on the advice of counsel except for its own gross negligence or willful misconduct.

## 12. General.

12.1 Waiver. No delay or omission on the part of Secured Party to exercise any right or power arising from any default or Event of Default will impair any such right or power or be considered a waiver of any such right or power or a waiver of any such default or Event of Default or an acquiescence therein nor will the action or non-action of Secured Party in case of such Default or Event of Default impair any right or power arising as a result thereof or affect any subsequent default or any other default of the same or a different nature.
