If the receiving party is not an individual, then, if it is a U.S. entity, the state under whose laws it is organized should be set out, if it is a foreign entity, the country under whose laws it is organized should be set out. Thus a U.S. corporation would indicate its state of incorporation, while a foreign corporation would indicate its country of incorporation (this data is optional). A designation of domestic representative must be contained in a document separate from the assignment document. Enter application number(s) as 74105889. **(Do not enter a slash, space or comma between the series code and the serial number)**. If an application has matured into a trademark registration, enter the seven digit trademark registration number(s) against which the document is to be recorded. Enter registration numbers as 1714456. **Do not enter both the application number and the registration number for the same property.** Enter application numbers in the space designed for application number(s) and enter registration number(s) in the designated space. Enter property numbers in the designated boxes. Enter an "X" in the appropriate box indicating additional numbers are attached. Enter additional numbers on the Recordation Form Cover Sheet Continuation.

**Number of Properties** - Enter the total number of applications and registrations identified for recordation including properties indicated on any attached formatted Recordation Form Cover Sheet Continuation(s).

**Total Fee Enclosed and Deposit Account Number** - A fee is required for each application and patent property against which the document is to be recorded. Enter the Total Fee Enclosed, if payment is made by other than deposit account. If payment is by deposit account, enter the total amount authorized to be charged to the deposit account or merely the "amount due." Enter the deposit account number for authorized charges. Enter an "X" in the Yes or No box indicating authorization to "charge additional fees" to the deposit account.
