made for the taking by condemnation or the power of eminent domain, or by any proceeding or purchase in lieu thereof, of the whole or any part of said real property.

FOR VALUABLE CONSIDERATION, receipt of which is acknowledged, Trustor, as debtor, irrevocably grants and assigns to Beneficiary, as secured party, a security interest in all personal property now or hereafter owned by Trustor or in which Trustor now or hereafter has any rights and which is now or hereafter located on or at, or affixed or attached to, or produced from, or used in connection with said real property, and all substitutions, replacements, additions, accessions, products and proceeds of or to said collateral, including but not limited to: All personal property described in Schedule "B" attached hereto and made a part hereof and all equipment, farm products, inventory, fixtures, crops growing or to be grown, timber standing or to be cut, and minerals or the like (including oil and gas), including, without limitation, all watering and irrigation apparatus, machinery, pumps, motors, generators, pipes and sprinklers and all proceeds from the sale or other disposal of the collateral. This is a security agreement pursuant to the Uniform Commercial Code and Beneficiary shall have all rights and remedies of a secured party with respect to said collateral under the Uniform Commercial Code, PROVIDED HOWEVER, that nothing in this LONG FORM DEED OF TRUST, ASSIGNMENT OF RENTS, SECURITY AGREEMENT AND FINANCING STATEMENT shall prevent Trustor from obtaining secured crop financing which may include the perfection of a lien by the crop lender on the crops growing or to be grown for a period not to exceed the beginning of the next crop year. If Trustor exercises its right to place a single crop lien on the crops grown or to be grown on the subject property hereunder, such crop lien shall automatically be a first superior lien to the lien on such crop created hereby without the need for any consent or subordination from Beneficiary.

Trustor warrants to Beneficiary that, except for the security interest created hereby, Trustor owns good title to said collateral and, as to said collateral hereafter acquired, Trustor will own good title to said collateral, free and clear of all liens, security interests, encumbrances and adverse claims of any kind whatsoever. Trustor agrees that all of said collateral which is erected on, affixed or attached to, or located in or on said real property shall be deemed to be real property and a part of said real property. No fixtures or equipment (including watering and irrigation apparatus) shall be removed from said real property without the prior written consent of Beneficiary, except that Trustor shall have the right, without such consent, to remove and dispose of free from the security interest hereof such fixtures and equipment as may from time to time become worn out or obsolete, provided that Trustor shall, simultaneously with or prior to such removal, replace such removed fixtures or equipment with replacement fixtures or equipment having a value, quality and utility at least equal to the removed fixtures or equipment. Trustor shall, at Trustor's expense, execute and deliver to Beneficiary such financing and continuation statements covering said collateral as Beneficiary may from time to time request. All agreements of Trustor herein, and all rights of Beneficiary herein, relating to said real property shall apply to said collateral whether or not expressly referred to herein. This Deed of Trust is a financing statement and covers goods included in said collateral which are or are to become fixtures and is to be recorded in the real estate records. FOR THE PURPOSE OF SECURING: (1) Payment and performance of each agreement of Trustor in this Deed of Trust, (2) payment of the entire indebtedness evidenced by the Promissory Note of even date herewith in the principal sum of TWO MILLION NINE HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$2,950,000.00), executed by Trustor to Beneficiary or order, and all modifications, amendments, replacements, substitutions, extensions and renewals thereof, and (3) payment of all sums advanced by Beneficiary to protect the security of this Deed of Trust, said real property or said collateral, with interest thereon at the rate per annum after default or maturity set forth in said Promissory Note.

A. To protect the security of this Deed of Trust, Trustor agrees:

1. To pay when due all indebtedness evidenced by said Promissory Note; to keep said real property in good condition and repair; not to remove or demolish any building, structure or improvement thereon; to complete or restore promptly and in good and workmanlike manner any building, structure or improvement which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to pay when due all debts that are now or may become liens against said real property, and not to suffer any lien of any kind to attach thereto which may take precedence over the lien of this Deed of Trust, and not to create any lien on said real property junior hereto unless the person entitled to the benefits thereof shall have agreed that the time for the payment of the indebtedness hereby secured and the manner of payment or amount thereof and the benefits of the security afforded hereby may, without consent of such person and without any obligation to give notice of any kind to such person, be modified, amended, replaced, substituted, extended, renewed, accelerated, suspended or refunded on any terms whatsoever without in any manner affecting the priority of the lien hereby created, as security for the payment of all indebtedness secured hereby; to comply with all laws affecting said real property or requiring any alterations or improvements to be made thereon; not to commit, suffer or permit any act upon said real property in violation of law or of any covenants, conditions or restrictions affecting said real property; not to commit or permit waste thereof, nor to do or suffer to be done any act whereby the value of any part of said real property may be lessened; to operate all lands, whether improved pastures, orchards, grazing, timber or crop lands, in a good and husbandmanlike manner in accordance with accepted principles of sound agricultural and forestry practices; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said real property may reasonably be necessary, and to take all reasonable precautions to control wind and water erosion; to fertilize improved pastures, if any, where necessary to maintain a good stand of desirable grasses; to protect orchards and timber, if any, by reasonable precautions against loss or damage by fire, including maintenance of appropriate fire breaks; and neither to remove nor permit the removal of any timber, oil, gas, mineral, stone, rock, clay, fertilizer, gravel or top soil without the prior written consent of Beneficiary. Beneficiary shall have the right to inspect said real property at such reasonable times and intervals as Beneficiary may desire to determine Trustor's compliance with the agreements in the Deed of Trust.

2. To provide, maintain and deliver to Beneficiary property insurance covering said real property and said collateral insuring against all risks of physical loss or damage, including war risks, if available, with loss payable to Beneficiary, in such amount for each risk and in such company and in such form as shall be satisfactory to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as

Initials  STLD01-848070-2

Beneficiary may determine, or, at the option of Beneficiary, the entire amount so collected or any part thereof may be released to Trustor, subject to such conditions and disbursement requirements as Beneficiary may impose. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3. To appear in and defend any action or proceeding purporting to affect the security of this Deed of Trust or the rights or powers of Beneficiary or Trustee and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees, in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear.

4. To pay when due all taxes and assessments affecting said real property, including assessments on appurtenant water stock, and all encumbrances, charges and liens, with interest, on said real property or any part thereof which appear to be prior or superior hereto, and all costs, fees and expenses of Trustee and this trust.

5. If Trustor fails to make any payment or to do any act in accordance with this Deed of Trust, then Beneficiary or Trustee, without notice to or demand upon Trustor and without releasing Trustor from any obligation hereunder, shall have the right, but no duty, to make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, including specifically, without limiting their general powers, the right to enter upon and take possession of said real property, to make additions, alterations, repairs and improvements to said real property which either of them may consider necessary or proper to keep said real property in good condition and repair, to appear and participate in any action or proceeding affecting or which may affect said real property, the security hereof, or the rights or powers of Beneficiary or Trustee hereunder, to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of either of them may affect or appears to affect the security hereof or may be prior or superior hereto, and in exercising such powers, to pay necessary expenses, including employment of attorneys or other necessary or desirable consultants. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary all amounts expended by Beneficiary and all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing rights and powers, including, without limitation, costs of evidence of title, court costs, appraisals, surveys and reasonable attorney's fees, together with interest thereon from the date of expenditure at the rate per annum after default or maturity set forth in said Promissory Note.

6. If said Promissory Note and this Deed of Trust, or either of them, are placed in the hands of an attorney for collection or foreclosure or other legal proceedings, Trustor shall pay all reasonable attorneys' fees for any services rendered by such attorney to Beneficiary in connection therewith and all expenses incurred, including costs of suit and evidence of title, together with interest thereon from the date of expenditure at the rate per annum after default or maturity set forth in said Promissory Note. Trustor shall pay the maximum charge allowed by law for any statement regarding the obligations secured hereby required of Beneficiary.

B. It is mutually agreed that:

1. All awards of damages or compensation now or hereafter made in connection with any taking by eminent domain or condemnation for public use of or injury to said real property or any part thereof, are hereby assigned and shall be paid to Beneficiary, who may apply or release such awards or compensation received by Beneficiary in the same manner and with the same effect as above provided for

Initials  STLD01-848070-2

disposition of proceeds of fire or other insurance. Trustor agrees to execute such further assignments of any such awards or compensation as Beneficiary may require.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to prompt payment when due of all other sums so secured or to declare a default for failure so to pay.

3. Without affecting the liability of any person, including Trustor, for the payment of any indebtedness secured hereby or the lien of this Deed of Trust upon said real property for the full amount of the indebtedness then remaining unpaid, Beneficiary may from time to time and without notice do any one or more of the following: substitute or release any person now or hereafter liable for payment of such indebtedness or any part thereof; extend the time or otherwise alter the terms of payment of any such indebtedness; accept additional security therefor of any kind; or substitute or release any property or any portion thereof securing such indebtedness without, as to the remainder of the security, in any way impairing or affecting the liens and priority herein created.

4. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of the Deed of Trust and said Promissory Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said real property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

5. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and said Promissory Note to Trustee for cancellation, and upon payment of Trustee's fees, Trustee shall reconvey, without warranty, the real property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6. Trustor absolutely and irrevocably assigns and transfers to Beneficiary all rents, issues, profits, royalties, bonuses, income and other benefits derived from or produced by said real property (all of the foregoing are herein the "rents and profits"). Trustor hereby gives to and confers upon Beneficiary the right, power and authority to collect said rents and profits. Trustor irrevocably appoints Beneficiary its true and lawful attorney-in-fact, at the option of Beneficiary at any time and from time to time, either with or without taking possession of said real property, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in the name of Trustor or Beneficiary, for all said rents and profits and apply the same to the indebtedness secured hereby. Trustor shall, nevertheless, have the right to collect and retain said rents and profits as the same become due and payable but only before the occurrence of a default under this Deed of Trust and as long as no such default exists. The assignment of said rents and profits is intended to be a present and absolute assignment from Trustor to Beneficiary and not merely the creation of a security interest. Beneficiary's right to collect said rents and profits is not contingent upon Beneficiary's taking possession of said real property. Upon the occurrence of a default under this Deed of Trust, and as long as any such default shall remain uncured, Beneficiary may, without notice, either in person, by agent or by a receiver appointed by a court, and without regard to the value of said real property, or any part thereof, in its own name sue for or otherwise collect said rents and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and

collection, including attorneys' fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The collection of said rents and profits, or the entering upon and taking possession of said real property, or the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to such notice of default.

7. The occurrence of any of the following shall be a default under this Deed of Trust: failure to pay any indebtedness secured hereby when due; failure to perform any agreement of Trustor herein when due; Trustor commences a voluntary case under the federal Bankruptcy Code as now or hereafter in effect, or any successor thereto; an involuntary case under such Bankruptcy Code is commenced against Trustor and is not controverted or, if controverted, is not dismissed within sixty (60) days after the commencement of such case; a receiver, trustee, custodian or similar official is appointed for, or takes charge of, said real property, said collateral, or all or substantially all of the property of Trustor; Trustor commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, insolvency, liquidation or similar law of any jurisdiction now or hereafter in effect relating to Trustor; any such proceeding is commenced against Trustor and is not controverted or, if controverted, is not dismissed within sixty (60) days after commencement; Trustor is adjudicated insolvent or bankrupt; any order of relief or other order approving any such case or proceeding is entered; Trustor makes a general assignment for the benefit of creditors; or there has occurred a breach of, or a default under, said Promissory Note or any other provision of this Deed of Trust. Upon the occurrence of a default under this Deed of Trust, and as long as any such default exists, Beneficiary shall have the right to declare all indebtedness secured hereby to be immediately due and payable, and such indebtedness shall thereupon become immediately due and payable, without any presentment, demand, protest or notice of any kind, all of which are expressly waived by Trustor. **Any prepayment penalty that exists, as set forth in the Promissory Note, shall be applicable upon default under this Deed of Trust.**

8. Upon the occurrence of a default under this Deed of Trust, and as long as any such default exists, Beneficiary shall have the right to commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof; exercise and enforce any or all of the rights and remedies available to a secured party under the Uniform Commercial Code; or deliver to Trustee a written declaration of default and demand for sale pursuant to the power of sale herein. If Beneficiary elects to foreclose this Deed of Trust by such power of sale, Beneficiary shall deposit with Trustee this Deed of Trust, said Promissory Note and evidence of expenditures secured hereby and a written notice of default and election to sell, which notice Trustee shall cause to be recorded as may then be required by law. Trustee shall, without demand on Trustor, after recordation of such notice of default and election to sell and after lapse of such time as may then be required by law, and after notice of sale has been given as may then be required by law, sell said real property (and said collateral, if requested by Beneficiary, as agent for Beneficiary) at the time and place of sale fixed by Trustee in said notice of sale, either as a whole or in separate parcels or items as determined solely by Beneficiary and in such order as Beneficiary may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said real property (or said collateral) by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time and place fixed by the preceding postponement. Trustor waives, and relinquishes to Beneficiary, all rights to direct the order in which said real property and said collateral shall be sold or to require that said real property or said collateral be sold in separate parcels or items. Trustee shall deliver to such purchaser Trustee's deed and, if applicable, bill of sale conveying the property so sold, but without any covenant or warranty, express or implied. The

Initials  STLD01-848070-2

recitals in such deed or bill of sale of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at such sale. After deducting all costs, fees and expenses of Trustee and this Trust, including cost of evidence of title in connection with the sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under this Deed of Trust, not then repaid, with accrued interest at the rate per annum after default or maturity set forth in said Promissory Note; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

9. Upon the occurrence of a default under this Deed of Trust, and as long as any such default exists, Beneficiary, as a matter of right and without notice to Trustor or anyone claiming under Trustor, and without regard to the adequacy of the security or the then value of said real property or the interest of Trustor therein, shall have the right to have a receiver of said real property appointed by any court having jurisdiction, and Trustor hereby irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases. Every right, power and remedy granted to Trustee or Beneficiary shall be cumulative and not exclusive, and each such right, power and remedy may be exercised from time to time and as often and in such order as may be deemed expedient by Trustee or Beneficiary, and the exercise of any such right, power or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy.

10. Beneficiary may from time to time substitute in such manner as may be provided by law a successor or successors to any Trustee named herein or acting hereunder, which successor Trustee shall thereupon succeed, without conveyance from the predecessor, to all of Trustee's powers, duties, authority and title; or, in the absence of any such law providing for the substitution of trustees in deeds of trust, Beneficiary may, with like effect, make such substitution from time to time by instrument in writing executed and acknowledged by Beneficiary and recorded in the county or counties in which said real property is situated. Said instrument shall contain the name of the original Trustor, Trustee and Beneficiary, the book and page where this Deed of Trust is recorded, and the name of the new Trustee.

11. Trustor hereby waives the right to assert any statute of limitations as a bar to the enforcement of this Deed of Trust or to any action brought to enforce said Promissory Note or any obligation secured by this Deed of Trust. Notwithstanding the existence of any other liens in said real property or security interests in said collateral held by Beneficiary or by any other party, Beneficiary shall have the right to determine the order in which any or all of the said real property or said collateral shall be subjected to the remedies provided herein. Beneficiary shall have the right to determine the order in which the indebtedness secured hereby is satisfied from the proceeds realized upon the exercise of the remedies provided herein. Trustor, any party who consents to this Deed of Trust, and any party who now or hereafter acquires a lien or security interest in said real property or said collateral and who has actual or constructive notice of this Deed of Trust hereby expressly waives and relinquishes any and all rights to demand or require the marshaling of liens or the marshaling of assets by Beneficiary in connection with the exercise of any of the remedies provided herein or permitted by applicable law. Trustor expressly waives and relinquishes any and all rights and remedies Trustor may have or be able to assert by reason of laws relating to the rights and remedies of sureties or guarantors.

12. The invalidity of any provision of this Deed of Trust shall not affect the remaining provisions of this Deed of Trust or any part thereof and this Deed of Trust shall be construed as if such invalid provision, if any, had not been inserted herein.

13. The trust hereby created shall be irrevocable by Trustor.

14. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their respective heirs, personal representatives, successors and assigns. The term Beneficiary means the original Beneficiary hereunder or any future owner and holder, including pledgees, of said Promissory Note. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine or the neuter and the singular number includes the plural. All obligations of each Trustor hereunder are joint and several.

15. If Trustor, or any successor or assign, sells, conveys, alienates, leases (other than to tenants in the ordinary course of business with no option to purchase), assigns, transfers or encumbers, or contracts to sell, convey, alienate, lease (other than to tenants in the ordinary course of business with no option to purchase), assign, transfer or encumber, all or any part of said real property or any interest in said real property, or if more than forty-nine percent (49%) of the capital or voting stock or partnership or other beneficial interest of Trustor is sold, conveyed, alienated, assigned, transferred, or encumbered, whether any of the foregoing events occurs in any manner, directly or indirectly, whether voluntary, involuntary or by operation of law, without the prior written consent of Beneficiary, then, and in any such event, all indebtedness secured by this Deed of Trust shall become immediately due and payable at the election of Beneficiary, without notice. Trustor shall give reasonable written notice to Beneficiary of any transfer of said real property or other event described in this paragraph prior to any such transfer or event. Trustor shall furnish in writing to Beneficiary all reasonable information concerning any transfer of said real property or other such event that is requested by Beneficiary, including, without limitation, the name and address of the transferee, financial statements of the transferee, a full description of the business of the transferee, and the complete terms of the transfer.

16. (a) As used in this Deed of Trust, the following definitions shall apply:

(1) "Environmental Laws" shall mean all federal, state and local laws, ordinances, rules and regulations now or hereafter in force, as amended from time to time, in any way relating to or regulating human health or safety, or industrial hygiene or environmental conditions, or protection of the environment, or pollution or contamination of the air, soil, surface water or groundwater, and includes the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. section 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. section 6901, et seq., the Clean Water Act, 33 U.S.C. section 1251, et seq., the Hazardous Substance Account Act, California Health and Safety Code section 25100, et seq., the Medical Waste Management Act, California Health and Safety Code section 25015, et seq., and the Porter-Cologne Water Quality Control Act, California Water Code section 13000, et seq.

(2) "Hazardous Substances" shall mean any substance or material described as a toxic or hazardous substance, waste or material or a pollutant or contaminant, or words of similar import, in any of the Environmental Laws, and includes asbestos, petroleum (including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof), petroleum products, polychlorinated biphenyls, urea formaldehyde, radon gas, radioactive matter, medical waste, and chemicals which may cause cancer or reproductive toxicity.

(3) "Person" shall mean any natural person, any organization or legal entity of any kind, and any government or governmental agency or authority of any kind, including the U.S.

Initials  STLD01-848070-2

(4) "Release" shall mean any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or disposing into the environment, including continuing migration, of Hazardous Substances into or through soil, surface water or groundwater.

(b) Trustor shall not use, produce, process, manufacture, generate, treat, handle, store, or dispose of any Hazardous Substances in, on or under said real property, or use said real property for any such purposes, or Release any Hazardous Substances into any air, soil, surface water or groundwater comprising said real property, or permit any Person using or occupying said real property or any part thereof to do any of the foregoing. The preceding sentence shall not prohibit the ordinary use of Hazardous Substances normally used in the operation or maintenance of properties similar to said real property, provided the amount of such Hazardous Substances does not exceed the quantity necessary for the normal operation and maintenance of said real property in the ordinary course of business and the use, storage and disposal of such Hazardous Substances strictly comply with all applicable Environmental Laws. Trustor shall comply, and shall cause all persons using or occupying said real property or any part thereof to comply, with all Environmental Laws applicable to said real property, or the use or occupancy thereof, or any operations or activities therein or thereon. Trustor shall obtain all permits, licenses and approvals required by all applicable Environmental Laws for the use and occupancy of, and all operations and activities in, said real property, comply fully with all such permits, licenses and approvals, and keep all such permits, licenses and approvals in full force and effect. Immediately after Trustor obtains any information indicating that any Hazardous Substances may be present or any Release or threatened Release of any Hazardous Substances may have occurred in, on or under said real property (or any nearby real property which could migrate to said real property) or that any violation of any Environmental Laws may have occurred at said real property, Trustor shall give written notice thereof to Beneficiary with a reasonably detailed description of the event, occurrence or condition in question. Trustor shall immediately furnish to Beneficiary copies of all written communications received by Trustor from any Person (including notices, claims or citations that any Release or threatened Release of any Hazardous Substances or violation of any Environmental Laws has actually or allegedly occurred) or given by Trustor to any Person concerning any past or present Release or threatened Release of any Hazardous Substances in, on or under said real property (or any nearby real property which could migrate to the said real property) or any past or present violation of any Environmental Laws at said real property. If Beneficiary obtains any information that Beneficiary believes in good faith indicates a reasonable possibility that any Hazardous Substances may be present or any Release or threatened Release of any Hazardous Substances may have occurred in, on or under said real property (or any nearby real property which could migrate to said real property) or any violation of any Environmental Laws may have occurred at said real property, then Trustor shall, at the expense of Trustor, promptly after a request by Beneficiary, have a qualified environmental engineer investigate the presence, Release or threatened Release of such Hazardous Substances and the existence of such violation of Environmental Laws and prepare and submit to Beneficiary a written report containing the findings and conclusions resulting from such investigation. The environmental engineer who will prepare the report, the scope of the investigation to be undertaken (which may include soil and groundwater sampling) and the methodology to be used shall be subject to the prior written approval of Beneficiary. Beneficiary (and its representatives) shall have the right, at all reasonable times and after reasonable prior notice (except no such notice shall be required in an emergency) to inspect said real property and every part thereof and to review all books,

records and files of Trustor relating to any past or present Release or threatened Release of any Hazardous Substances in, on or under said real property or any past or present violation of any Environmental Laws at said real property, and Trustor shall give Beneficiary access to said real property for such purposes. Trustor shall promptly furnish in writing to Beneficiary all information concerning any past or present Release or threatened Release of any Hazardous Substances in, on or under said real property or any past or present violation of any Environmental Laws at said real property that is requested from time to time by Beneficiary. Trustor acknowledges that all inspections and reviews undertaken by Beneficiary are solely for the benefit and protection of Beneficiary and agrees that Beneficiary shall have no duty to Trustor with respect to Hazardous Substances or Environmental Laws as a result of any such inspections or reviews.

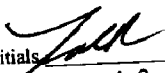

(c) If any Release or threatened Release of any Hazardous Substances in, on or under said real property exists or occurs, Trustor shall immediately give written notice of the condition to Beneficiary, and Trustor shall promptly clean up and remove all Hazardous Substances and restore said real property (the "Remediation Work"). Trustor shall comply with the orders and directives of all Persons having jurisdiction over said real property or the Remediation Work. Trustor shall submit to Beneficiary, for Beneficiary's prior written approval, complete plans and specifications for all Remediation Work to be done by Trustor before any Remediation Work is performed, except in an emergency. Such plans and specifications shall be prepared by a qualified environmental engineer approved in writing by Beneficiary, and in compliance with all applicable Environmental Laws and other applicable laws, ordinances, rules and regulations. Trustor shall obtain all required permits, licenses and approvals for the Remediation Work, prosecute the Remediation Work diligently, and complete the Remediation Work in a timely manner. Trustor shall pay for all Remediation Work, including the cost of plans and specifications, utilities, permits, fees, taxes and insurance premiums in connection therewith. Trustor shall, on demand, pay to Beneficiary all direct costs and reimburse Beneficiary for all expenses incurred by Beneficiary in connection with any review, approval or inspection by Beneficiary relating to the Remediation Work, together with interest thereon from the date of expenditure until paid at the annual interest rate after maturity set forth in said Promissory Note. Under no circumstances shall Beneficiary be liable to Trustor for any damage, loss, cost or expense incurred by Trustor on account of any plans and specifications for the Remediation Work, the performance of any Remediation Work or any delay in completion of any Remediation Work. Trustor shall furnish to Beneficiary, promptly upon receipt or preparation, copies of all reports, studies, analyses, investigations, contracts, correspondence, claims, complaints, pleadings and other information and communications received or prepared by Trustor at any time in connection with any Remediation Work, or any past or present Release or threatened Release of any Hazardous Substances in, on or under said real property (or any nearby real property which could migrate to said real property), or any past or present violation of any Environmental Laws at said real property, or the necessity for or adequacy of any Remediation Work.

(d) Trustor shall indemnify and defend Beneficiary (and its directors, officers, employees, agents and representatives) against and hold Beneficiary (and its directors, officers, employees, agents and representatives) harmless from all claims, demands, liabilities, losses, damages, costs and expenses in any way arising from, relating to or connected with the existence, location, nature, use, generation, manufacture, storage, disposal, handling, or past, present or future Release or threatened Release of any Hazardous Substances in, on or under said real property, or any past, present or future violation of any Environmental Laws at said real property, or any breach of any representation or warranty made by Trustor in this Deed of Trust, or any failure to perform any obligation of Trustor in accordance with this Deed of Trust. The foregoing indemnification shall include all expenses of

investigation and monitoring, costs of containment, abatement, removal, disposal, repair, cleanup, restoration and remedial work, penalties, fines, attorneys' fees and disbursements, and other response costs. If Trustor fails to perform any obligation of Trustor in accordance with this Deed of Trust, Beneficiary shall have the right, but no obligation, to perform such obligation on behalf of Trustor. Trustor shall, on demand, pay to Beneficiary all sums expended by Beneficiary in the performance of any such obligations of Trustor, together with interest thereon from the date of expenditure until paid at the annual interest rate after maturity set forth in said Promissory Note. If any event of default occurs under this Deed of Trust, Beneficiary shall have the right, but no obligation, at the expense of Trustor, to have a comprehensive environmental assessment of said real property, including soil and groundwater sampling and in scope satisfactory to Beneficiary, prepared by an engineer selected by Beneficiary, in order to ascertain whether any Hazardous Substances are present or any Release or threatened Release of Hazardous Substances has occurred in, on or under said real property (or any nearby real property which could migrate to said real property) or any violation of any Environmental Laws exists at said real property. Trustor shall, on demand, pay to Beneficiary all sums expended by Beneficiary in connection with any such comprehensive environmental assessment, together with interest thereon from the date of expenditure until paid at the annual interest rate after maturity set forth in said Promissory Note.

(e) The obligations of Trustor under this paragraph 16 are separate from and in addition to the obligations to pay the indebtedness evidenced by said Promissory Note and to perform the other obligations under this Deed of Trust. The liability of Trustor under this paragraph 16 shall not be limited to or measured by the amount of the indebtedness owed under said Promissory Note or this Deed of Trust or the value of said real property. Trustor shall be fully and personally liable for all obligations of Trustor under this paragraph 16 and a separate action may be brought and prosecuted against Trustor under this paragraph 16. The liability of Trustor under this paragraph 16 shall not be subject to any limitations set forth in said Promissory Note or elsewhere in this Deed of Trust on personal liability for the payment of the indebtedness evidenced by said Promissory Note, or the remedies of Beneficiary for enforcement of the obligations under said Promissory Note or this Deed of Trust, or the recourse of Beneficiary for satisfaction of such obligations. Trustor agrees that no action for the enforcement of or recovery of damages under this paragraph 16 shall constitute an action within the meaning of California Code of Civil Procedure section 726, which shall not apply to this paragraph 16, and no judgment against Trustor in any action pursuant to this paragraph 16 shall constitute a money judgment or a deficiency judgment within the meaning of California Code of Civil Procedure sections 580a, 580b, 580d or 726. This paragraph 16 and the obligations of Trustor hereunder shall survive, and remain in full force and effect after, any reconveyance of this Deed of Trust or any foreclosure of this Deed of Trust (whether by judicial action, exercise of the power of sale, deed in lieu of foreclosure, or otherwise) with respect to any past, present or future Release or threatened Release of any Hazardous Substances in, on or under said real property, or any past, present or future violation of any Environmental Laws at said real property which occurred, or the onset of which occurred, before such reconveyance or foreclosure, and Beneficiary shall have the right to enforce this paragraph 16 after any such reconveyance or foreclosure. This paragraph 16 shall not affect, impair or waive any rights or remedies of Beneficiary or any obligations of Trustor with respect to Hazardous Substances created or imposed by Environmental Laws (including Beneficiary's rights of reimbursement or contribution under Environmental Laws). The remedies in this paragraph 16 are cumulative and in addition to all remedies provided by law.

17. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending
