Date Signed

Termination of Security Agreements

This TERMINATION OF SECURITY AGREEMENTS is made as of February 28, 2001 by kinkos.com, inc., a Delaware corporation previously known as Kinko's Merger Corporation (the "Pledgor"), and Kinko's, Inc., a Delaware corporation (the "Secured Party").

WHEREAS, under the Standby Loan Agreement, dated as of November 16, 2000 (the "Standby Loan Agreement"), the Secured Party agreed to make available to a predecessor in interest to the Pledgor, also named kinkos.com, inc. ("PredecessorCo"), a revolving credit facility upon the terms and conditions set forth therein (capitalized terms used herein without definition have the meanings given to them in the Standby Loan Agreement);

WHEREAS, (i) on December 28, 2000, PredecessorCo merged with and into the Pledgor, then known as Kinko's Merger Corporation, pursuant to an Agreement and Plan of Merger, dated as of December 21, 2000, (ii) the surviving corporation in the merger was the Pledgor, which immediately changed its name to "kinkos.com, inc." and is a wholly-owned subsidiary of Kinko's, and (iii) as a result of such merger, the Pledgor succeeded to and assumed all the rights and obligations of PredecessorCo, including PredecessorCo's rights and obligations under the Standby Loan Agreement;

WHEREAS, to secure the obligations of the Pledgor under the Standby Loan Agreement (the "Obligations"), the Pledgor and the Secured Party entered into a certain Security Agreement dated as of November 16, 2000 (the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Pledgor agreed to grant to the Secured Party, for its benefit, a perfected security interest in the Collateral (as defined in the Security Agreement);

WHEREAS, the Pledgor and the Secured Party entered into a Trademark and Patent Security Agreement, dated as of November 16, 2000, in order to evidence the grant of a security interest in the Trademark Collateral and in the Patent Collateral (as defined in the Trademark and Patent Security Agreement) (the Security Agreement and the Patent and Trademark Agreement, together, the "Security Agreements"); and

WHEREAS, the Secured Party and the Pledgor wish to terminate the Security Agreements.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The parties hereto hereby agree that the term of the Security Agreements shall end as of midnight on February 28, 2001 (Pacific Standard Time), and that neither party shall have any obligation to the other after such date (the "Termination Date"); provided that such termination shall not affect any rights or obligations of the parties under the Security Agreements accrued prior to the Termination Date.

2. The Secured Party hereby releases its security interest in the Collateral, including but not limited to, the Trademark Collateral set forth in Schedule I hereto and the Patent Collateral set forth in Schedule II hereto.

3. The Secured Party hereby reassigns, grants and conveys to the Pledgor and the Pledgor hereby receives and accepts all of its respective rights, title and interest in and to the Collateral.

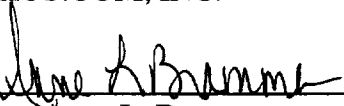

4. The parties hereto hereby agree to execute such documents as may be required to implement this Termination of Security Agreements.

5. In the event that the Pledgor fails to execute or deliver any instrument or document within ten (10) days after a request by the Secured Party, the Pledgor hereby irrevocably appoints the Secured Party its true and lawful attorney-in-fact to execute and deliver such instrument or document in Pledgor's name and stead, which appointment shall be deemed a power coupled with an interest.

6. This Termination of Security Agreements may be executed in any number of counterparts, and by different parties on separate counterparts, each of which shall be an original with the same effect as if the signatures thereto and hereto were upon the same instrument, but all such counterparts shall together constitute one and the same instrument. The parties hereto further agree that a facsimile signature may be relied upon and treated with the same force and effect as an original signature.

IN WITNESS WHEREOF, the Secured Party and the Pledgor have caused this Termination of Security Agreements to be executed and delivered by their respective duly authorized officers as of the date set forth above.

KINKOS.COM, INC.

Trademark Registrations and applications

Application Serial No. 75/846393 (LIVEPRINT) business services, namely, providing business marketing communication products, including design and layout advice, over a global computer network, filed November 10, 1999, based on use since February 1999.

Application Serial No. 75/846390 (LIVEPRINT.COM) business services, namely providing business marketing communication products, including design and layout advice, over a global computer network, filed November 10, 1999 based on use since February 1999;

Application Serial No. 75/846391 (LIVEIDEAS) business services, namely, providing information and access to resources related to business and marketing communications over a global computer network, filed November 10, 1999 based on use since February 1999;

Application Serial No. 75/846375 (LIVEDESIGNER) computer software which allows a user to generate graphics and images for use in designing stationery, corporate logos, marketing brochures, pamphlets and other business marketing materials and business services, namely, providing customers the ability to design business marketing communication products over a global computer network, filed November 10, 1999 based on use since July 26, 1999.

Each of these applications currently is under an initial refusal of registration. Responses were filed on October 4, 2000 in the applications to register the marks LIVEPRINT, LIVEPRINT.COM and LIVEIDEAS. A response to the refusal of registration of the mark LIVEDESIGNER is due December 22, 2000.

Application Serial No. 75/846376 LIVEAFFILIATE, business services, namely providing customers an opportunity to earn referral fees by establishing a cross-

marketing and referral relationship over a global computer network, filed November 10, 1999 and intentionally abandoned on October 4, 2000.
