## **COLLATERAL ASSIGNMENT OF SECURITY INTEREST IN TRADEMARKS**

WHEREAS EXPERIENT HOLDINGS, INC., a Delaware corporation (“Experient”) entered into a Security Agreement dated December 14, 2000, as amended (the “Security Agreement”) with Ivor Massey, Jr., CMB Capital, LLC, Clay M. Biddinger and Triad, LC (the “Secured Parties”);

WHEREAS in the Security Agreement, and in connection with all other extensions of credit to Experient from Triad, LC or other Secured Parties which amended the Security Agreement and added Triad, LC as a Secured Party, Experient granted to the Secured Parties security interests in the intellectual property of Experient, including Experient’s trademarks. For the purposes of this Collateral Assignment of Trademarks, the term “trademark” includes service marks and trade dress, and means any word, symbol, device, slogan or any combination thereof used to distinguish or identify goods or services, and all associated registrations, applications and the goodwill of the business conducted under such Trademarks, including the applications for trademark registration filed with the United States Patent & Trademark Office listed in Exhibit A hereto (collectively, hereinafter referred to as the “Trademarks.”).

WHEREAS Experient and the Secured Parties desire to enable the Secured Parties to record and perfect their security interests;

WHEREAS Ivor Massey, Jr., has assigned his rights as a Secured Party to Triad, LC in accordance with the terms of the Security Agreement;

NOW, THEREFORE, in consideration of the foregoing, in furtherance of the parties' prior agreements, and for other good and valuable consideration, the receipt and sufficiency of which Experient and Secured Parties each acknowledge, the parties hereby enter into this Collateral Assignment of Trademarks including the contingent joint power of attorney contained herein:

1. Experient warrants that it is the owner of all right, title and interest in the Trademarks, including all associated applications, registrations and the goodwill of the business conducted under such Trademarks. Experient further warrants that it is the owner of all right, title and interest in the applications for Trademark registration that are also identified in Exhibit A as “Intent-to-Use” Applications.
2. Experient hereby grants to the Secured Parties, their successors, assigns and legal representatives, as additional security in the Trademarks, this Collateral Assignment of, and the security interest in, all of Experient’s rights, title and interest in and to all of the Trademarks listed in Exhibit A hereto, including all associated goodwill of the business conducted under such Trademarks, and, which includes, without limitation all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits, the right to sue for past, present and future infringement suits), all rights corresponding thereto throughout the world and all

relating registrations thereof, now or hereafter existing. To the extent that the security interests in certain of the Trademarks listed in Exhibit A are not presently assignable due to their status as Intent-to-Use applications, Experient agrees to assign security interests in such trademarks at a later date and take all actions (including continued prosecution and filing of a Statement of Use or Amendment to Allege Use) necessary to complete acts necessary for assignment. Without limiting the effect of the foregoing, however, until the Secured Parties exercise their rights upon the occurrence or existence of an "Event of Default" as that term is defined in the Security Agreement and the expiration of any applicable cure period, Experient shall retain title to the Trademarks, subject to this Collateral Assignment, and the Secured Parties shall hold only security interests in and the contingent right to full ownership of the Trademarks.

3. Experient hereby appoints the Secured Parties as its attorney-in-fact and grants to the Secured Parties a joint contingent, limited power of attorney:

a. to modify and amend Exhibit A to include any after-acquired Trademarks and associated applications and registrations in the event that any such Trademark is used and/or acquired by Experient to identify and/or distinguish its goods or services while the Security Agreement remains in effect.

b. to execute, through any of its duly appointed officers, on behalf of Experient, or any of its successors-in-interest, the "Experient Assignment of Trademarks" appended hereto as Exhibit B, the terms of which are incorporated herein.

4. The Secured Parties acknowledge and agree that the foregoing contingent power of attorney extends to it the authority to execute the Assignment appended at Exhibit B, to seize the trademarks and applications for registration, and to seize the incidents of the goodwill associated with the trademarks only upon the occurrence of an Event of Default as defined in the Security Agreement and the expiration of any applicable cure period. In the event that the Secured Parties exercise the Assignment on the basis that an Event of Default occurred as defined under the Security Agreement and it thereafter transpires that in fact no such Event of Default occurred, the Secured Parties shall immediately assign back to Experient all rights, title, interest, applications, registrations and goodwill acquired by virtue of the initial assignment to the Secured Parties.

5. Upon execution of this Collateral Assignment by all parties, the Secured Parties or their designee may record the same with the United States Patent & Trademark Office, Assignment Branch, and with such other federal and state agencies as is necessary or appropriate to memorialize and perfect its security interest in the Trademarks. The Secured Parties shall ensure that this Collateral Assignment is recorded and indexed as evidencing a security interest and not an assignment.

6. The Secured Parties agree that, in the event that all obligations under the Security Agreement are satisfied and discharged by Experient or its successors or assigns, the Secured

Parties shall execute releases of their security interests when and as requested by Experient or its successors or assigns and the contingent joint power of attorney granted hereunder shall automatically expire.

7. The Secured Parties and Experient each agree to execute such other documents and take such additional steps as may be reasonably necessary to secure and perfect the Secured Parties' rights under the Security Agreement and to otherwise effectuate the purposes of this Collateral Assignment.

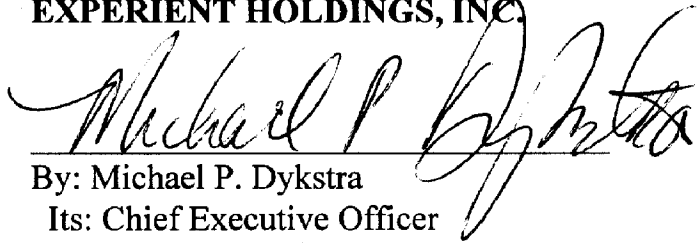

8. This Collateral Assignment shall be binding upon any assigns, successors-in-interest, insurers and re-insurers of the parties.

9. This Collateral Assignment is intended only to memorialize or effectuate the rights and remedies available to the parties under the Security Agreement, and it does not amend, revise or rescind any provision of the Security Agreement.

IN WITNESS WHEREOF, the parties agree to the foregoing this 9<sup>th</sup> day of April, 2001.

WHEREAS, Experient Holdings, Inc. a Delaware corporation, (“Experient”) has entered into a Security Agreement dated December 14, 2000 (“Security Agreement”) with Ivor Massey, Jr., CMB Capital, LLC, and Clay M. Biddinger (the “Secured Parties”);

WHEREAS, Experient and the Secured Parties desire to enable the Secured Parties to record and perfect its security interest in the Trademarks and to effectuate the Secured Parties’ ability to exercise their rights under the Security Agreement upon the occurrence of an Event of Default as defined therein;

WHEREAS, pursuant to the Security Agreement, Experient and Secured Parties have also entered into a Collateral Assignment of Security Interest in Trademarks dated March 29, 2001, under which Secured Parties are authorized to execute this Assignment as Experient’s attorney-in-fact upon the occurrence of an Event of Default as defined by the Security Agreement;
