LONG FORM STANDING WITH CHARTER DOCUMENTS

NORAC, INC.
With the Previous or Alternate Name

Note: Long form standings with charter documents may reflect two dates for filed amendments. The system processing date, which is the date of entry into the State's data base, is always shown immediately to the right of the amendment description. If shown alone, the system processing date also constitutes the filing date for the amendment. If an amendment was reviewed and stamped filed prior to the system processing date, a second date called the back-stamp date is shown at the far right margin. In cases where the two dates are shown, the date at the far right margin date is the actual filing date for the amendment.
