**COLLATERAL ASSIGNMENT AND
SECURITY AGREEMENT (PATENTS)**

THIS COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT (PATENTS) (this "Agreement"), dated as of April 4, 2001, executed by CHUTNEY TECHNOLOGIES, INC., a Georgia corporation (the "Grantor"), in favor of LIVEOAK EQUITY PARTNERS, L.P., as collateral agent ("Collateral Agent") for itself and the other lenders ("Lenders") party from time to time to that certain Security Agreement, dated as of April 4, 2001, by and among Grantor, Lenders, and Collateral Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"). Capitalized terms used in this Agreement shall have the meanings set forth in the Security Agreement unless specifically defined herein.

WITNESSETH:

WHEREAS, the Grantor owns certain patents which are registered in, or patent applications which have been filed in, the United States Patent and Trademark Office, and rights under certain patent licenses, all as more fully described on Schedule I attached hereto and by reference made part hereof; and

WHEREAS, the Lenders have made Loans to the Grantor pursuant to the Notes; and

WHEREAS, pursuant to the Security Agreement, the Grantor has collaterally assigned, mortgaged, pledged and hypothecated to the Collateral Agent, for its benefit and the ratable benefit of the Lenders, all of its right, title and interest in and to, and granted to the Collateral Agent, for its benefit and the ratable benefit of the Lenders, a security interest in, the property described therein, including, without limitation, (a) all of the Grantor's Patents (as herein defined), whether presently existing or hereafter acquired or arising, or in which the Grantor now has or hereafter acquires rights and wherever located; (b) all of the Grantor's Patent Licenses (as herein defined), whether presently existing or hereafter acquired or in which the Grantor now has or hereafter acquires rights and wherever located; and (c) all products and proceeds any of the foregoing, as security for all of the Secured Obligations; and

WHEREAS, the Grantor desires to secure its obligation to pay, duly and punctually, the indebtedness evidenced by the Notes and in furtherance of the Security Agreement, including, without limitation, for purposes of perfecting the security interests granted therein, the Lenders have required that the Grantor grant to the Collateral Agent, for its benefit and the ratable benefit of Lenders, a security interest in and a collateral assignment of the Property (as herein defined);

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. For purposes of this Agreement and in addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings herein specified (such meaning to be equally applicable to both the singular and plural forms of the terms defined):

“Patent License” means any written agreement now or hereafter in existence granting to the Grantor any right to practice any invention on which a Patent is in existence, including, without limitation, the agreements listed on Schedule I attached hereto.

“Patents” means all of the following: (i) all letters patent of the United States or any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or any other country, including, without limitation registrations, recordings and applications in the office or agency of the United States, any State thereof or any other country or any political subdivision thereof, including, without limitation, those referred to in Schedule I attached hereto, and (ii) all reissues, continuations, continuations-in-part or extensions thereof.

2. As security for all of the Secured Obligations, the Grantor hereby grants and conveys a security interest to the Collateral Agent, for its benefit and the ratable benefit of the Lenders, in, and collaterally assigns, pledges, mortgages and hypothecates to the Collateral Agent, for its benefit and the ratable benefit of the Lenders, all of the Grantor’s right, title and interest in, to and under the following (collectively, the “Property”):

(a) each Patent now or hereafter owned by the Grantor or in which the Grantor now has or hereafter acquires rights, to the extent each of the Patent Licenses does not prohibit assignment or the granting of a security interest in the rights thereunder, and wherever located, including, without limitation, each Patent referred to in Schedule I hereto and any renewals of registrations thereof; and

(b) each Patent License now or hereafter held by the Grantor or in which the Grantor now has or hereafter acquires rights, to the extent each of the Patent Licenses does not prohibit assignment or the granting of a security interest in the rights thereunder and wherever located, including, without limitation, the Patent Licenses, if any, referred to in Schedule I hereto; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third par-

ties for past, present or future infringement of any Patent or breach of Patent Licenses, if any, including, without limitation, any Patent or Patent License referred to in Schedule I hereto.

Notwithstanding the foregoing or anything else contained in this Agreement to the contrary, the assignment set forth above shall not be effective as a transfer of title to the Property unless and until the Collateral Agent exercises the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in and collateral assignment of the Property, and until such time the Grantor shall own, and may use and enjoy the Property in connection with its business operations, and exercise all incidents of ownership, including, without limitation, enforcement of its rights and remedies with respect to the Property, but with respect to all Property being used in the Grantor's business, only in a manner consistent with the preservation of the current substance, validity, registration and the security interest and collateral assignment herein granted in such Property, provided, however, that the foregoing shall not impose an obligation on Grantor to continue to use any of the Property in the Grantor's business to the extent that such Property is not necessary in the normal conduct of its business.

3. The Grantor does hereby further acknowledge and affirm that the representations, warranties and covenants of the Grantor with respect to the Property and the rights and remedies of the Collateral Agent with respect to the security interest in and collateral assignment of the Property made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. This Agreement shall terminate upon termination of the Security Agreement in accordance with Section 9.13 thereof. At any time and from time to time prior to such termination, the Collateral Agent may terminate its security interest in or reconvey to the Grantor any rights with respect to any or all of the Property. Upon termination of this Agreement and following a request from the Grantor, the Collateral Agent shall, at the expense of the Grantor, execute and deliver to the Grantor all deeds, assignments and other instruments as the Grantor may reasonably request (but without recourse or warranty by the Collateral Agent) in order to evidence such termination.

5. If at any time before the termination of this Agreement in accordance with Section 4, the Grantor shall obtain or acquire rights to any new Patent (including any Patent application), whether under a Patent License or otherwise, the provisions of Section 2 shall automatically apply thereto and the Grantor shall comply with the terms of the Security Agreement with respect to such new Patent. The Grantor authorizes the Collateral Agent to modify this Agreement by amending Schedule I to include any future Patents and Patent Licenses covered by Section 2 or by this Section 5.

6. The Grantor further agrees that (a) neither the Collateral Agent nor any Lender shall have any obligation or responsibility to protect or defend the Property and the Grantor shall, at its own expense protect, defend and maintain the same in accordance with the

terms and conditions set forth in the Security Agreement, (b) the Grantor shall forthwith advise the Collateral Agent promptly in writing upon detection of infringements of any of the Property being used in the Grantor's business and (c) if the Grantor fails to comply with the requirements of the preceding clause (a), the Collateral Agent or any Lender may do so in the Grantor's name or in its own name, but in any case at the Grantor's expense, and the Grantor hereby agrees to reimburse the Collateral Agent and the Lenders for all reasonable expenses, including attorneys' fees, incurred by the Collateral Agent and the Lenders in protecting, defending and maintaining the Property.

7. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF GEORGIA, EXCEPT TO THE EXTENT THAT PERFECTION (AND THE EFFECT OF PERFECTION AND NONPERFECTION) AND CERTAIN REMEDIES MAY BE GOVERNED BY THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF GEORGIA.

[Signatures on Following Pages]

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed under seal by its duly authorized officers as of the date first above written.
