This Revolving Credit Loan and Security Agreement is made and entered into on April 2, 2001, by and among American Underwater Products, d/b/a Oceanic, a California corporation ("Oceanic"), Pelagic Pressure Systems, a California corporation ("Pelagic"), Hollis Industries, Inc., d/b/a Romi Enterprises, a California corporation ("Hollis"), and Ocean Pulse, Inc., d/b/a Aeris, a California corporation ("Aeris," and together with Oceanic, Pelagic, and Hollis, each a "Borrower," and jointly and severally, individually and collectively, "Borrowers") and Comerica Bank-California, a California banking corporation ("Bank"). Except as otherwise defined herein, initially capitalized terms used in this Agreement have the meanings assigned to them in Appendix A attached hereto.

Subject to the terms and conditions of, and in reliance upon the representations and warranties made in, this Agreement and the other Loan Documents, Bank shall make the Loans to Borrowers in an aggregate amount up to \$9,913,000 as set forth below.

In consideration of the mutual covenants and conditions hereof, the parties agree as follows:

1. AMOUNT AND TERMS OF CREDIT

1.1 Revolving Line of Credit Commitment.

1.1.1 Revolving Line of Credit. Subject to the terms and conditions of this Agreement, from time to time from the Closing Date to the Business Day immediately prior to the Maturity Date, Bank shall, upon Borrowers' request in accordance with this Agreement, make advances (each a "Revolving Loan," and collectively, the "Revolving Loans") to one or more Borrowers in an aggregate amount outstanding not to exceed at any one time the Maximum Revolving Amount, the proceeds of which shall be used by Borrowers only for working capital and the issuance of Letters of Credit (as defined below). Subject to the terms and conditions of this Agreement including the provisions of the LIBOR Addendum, amounts hereunder may be repaid and reborrowed at any time prior to the Maturity Date. Borrowers may prepay all or part of the outstanding Revolving Advances without premium or penalty.

1.1.2 Revolving Loan Sublimits. Notwithstanding anything contained in subsection 1.1.1 to the contrary, the aggregate outstanding amount of all Revolving Loans made to each individual Borrower hereunder shall not exceed any one time *the lesser of* (a) the Borrower Sublimit Amount applicable to that Borrower set forth on Table 1 below, or (b) the Maximum Revolving Amount *minus* the outstanding amount of all Revolving Loans made to each other Borrower hereunder.

1.1.3 Requests for Revolving Loans. Each request for a Revolving Loan shall be received by Bank no later than 2:00 p.m. Pacific time on the date on which the requested Revolving Loan is to be made, in form and substance satisfactory to Bank, specifying the amount of the Revolving Loan requested with respect to each Borrower and demonstrating to the satisfaction of Bank that Borrowers are entitled to borrow the amount of the Revolving Loan(s) being requested. Revolving Loans may be repaid and reborrowed, subject to the terms and conditions hereof including the provisions of the LIBOR Addendum, provided that the outstanding principal amount of all Revolving Loans, together with all accrued and unpaid interest thereon, shall be due and payable in full on the Maturity Date.

1.1.4 Letter of Credit Usage and Sublimit. Subject to availability of Revolving Loans and subject to the terms and conditions of this Agreement, from time to time from the Closing Date to the Business Day immediately prior to the Maturity Date, Bank shall issue for the account of one or more Borrowers such standby and commercial letters of credit (each a "Letter of Credit," and collectively, the "Letters of Credit") as Borrowers may request, which requests shall be made by delivering to Bank a duly executed letter of credit application on Bank's standard form; provided, however, that the outstanding and undrawn amounts under all such Letters of Credit (i) shall not at any time exceed \$500,000 in the aggregate (the "Letter of Credit Sublimit") and (ii) shall be deemed to constitute Revolving Loans for the purpose of calculating the availability of (a) Revolving Loans to all Borrowers under the Maximum Revolving Amount and (b) Revolving Loans made to each individual Borrower under applicable Borrower Sublimit Amount for that Borrower pursuant to subsection 1.1.2, above. Unless agreed to in writing by Bank, no Letter of Credit shall have an expiration date that is later than the Maturity Date. All Letters of Credit shall be in form and substance acceptable to Bank in its sole discretion and shall be subject to the terms and conditions of Bank's form application and letter of credit agreement and such other agreements as are required by Bank. Borrowers shall pay all usual issuance and other fees that Bank notifies Borrowers that will be charged to them for issuing and processing Letters of Credit for Borrowers.

1.1.5 Overadvances. If at any time for any reason, the amount of Obligations owed by Borrowers to Bank pursuant to subsections 1.1.1 and 1.1.4 of this Agreement is greater than the (a) the Maximum Revolving Amount or (b) the Borrower Sublimit Amount applicable to each Borrower under subsection 1.1.2, Borrowers shall immediately pay to Bank, in cash, the amount of such excess.

1.1.6 Revolving Note. The interest rate, payment terms, maturity date and certain other terms of the Revolving Loans shall be contained in a promissory note dated the date of this Agreement, as such may be amended or replaced from time to time.

1.2 Converting Non-Revolving Equipment Line of Credit Commitment.

1.2.1 Converting Non-Revolving Equipment Line of Credit. Subject to the terms and conditions of this Agreement, from time to time from the Closing Date to the Business Day immediately prior to the Maturity Date, Bank shall, upon Borrowers' request in accordance with this Agreement, make advances (each a "Converting Non-Revolving Loan," and collectively, the "Converting Non-Revolving Loans") to Borrowers in an aggregate amount not to exceed \$500,000, the proceeds of which shall be used by Borrowers only for the acquisition of Equipment. Subject to all of the limitations, terms and conditions contained herein or in the promissory note representing the Converting Non-Revolving Loans, Borrowers may, from time to time through the Maturity Date, borrow, repay any outstanding borrowings in part or in whole subject to the terms and conditions hereof including the provisions of the LIBOR Addendum, but may not reborrow any amount of the Converting Non-Revolving Loans so repaid. From and after the Maturity Date any amounts repaid may not be reborrowed.

1.2.2 Requests for Converting Non-Revolving Equipment Advances. Each request for a Converting Non-Revolving Loan made for Equipment acquisitions hereunder shall be in form and substance satisfactory to Bank, and shall be irrevocable upon receipt by Bank. Each such notice shall be received by Bank no later than 2:00 p.m. Pacific time on the date on which the requested Converting Non-Revolving Loan is to be made. The notice shall include a copy of the invoice for the Equipment to be financed. Converting Non-Revolving Loans shall only be used to purchase Equipment approved by Bank

from time to time, and shall be limited to 85% of the invoice amount for such Equipment approved by Bank, less any taxes, shipping and freight charges or discounts, warranty charges, installation expenses and other soft costs.

1.2.3 Conversion of Non-Revolving Equipment Loans. From time to time the Converting Non- Revolving Loans shall be converted to term loans as follows:

(1) On the date that is 12 months from the Closing Date, the then outstanding amount of all Converting Non-Revolving Loans shall be converted to a term loan payable in not more than 48 equal principal payments, due on the last day of each month, plus interest;

(2) On the Maturity Date, the then outstanding amount of all Converting Non-Revolving Loans shall be converted to a term loan payable in not more than 48 equal principal payments, due on the last day of each month, plus interest; and

(3) Notwithstanding anything contained in the forgoing to the contrary, the entire remaining outstanding principal amount of all Converting Non-Revolving Loans, together with all accrued and unpaid interest thereon, shall in any event be due and payable in full on May 31, 2007.

Subject to the terms and conditions of this Agreement including the provisions of any promissory note(s) LIBOR Addendum(s) entered into in connection with any conversion of Converting Non-Revolving Loans into a term loan(s) in accordance with the forgoing, Borrowers may prepay all or part of the outstanding amount of any such into term loan(s) without premium or penalty.

1.2.4 Converting Non-Revolving Note. The interest rate, payment terms, maturity date and certain other terms of the Converting Non-Revolving Loans and each term loan conversion thereof in accordance with subsection 1.2.3 hereof shall be contained in a promissory note dated the date of this Agreement, as such may be amended or replaced from time to time.

1.3 Term Loan Commitment.

1.3.1 Term Loan. Subject to the terms and conditions of this Agreement, Bank shall make available to Borrowers a term loan (the "Term Loan") on the Closing Date in the amount of \$913,000, the proceeds of which shall be used only for capital expenditures.

1.3.2 Term Loan Note. The interest rate, payment terms, maturity date and certain other terms of the Term Loan shall be contained in a promissory note dated the date of this Agreement, as such may be amended or replaced from time to time.

1.3.3 Term Loan Maturity. Notwithstanding anything contained in the forgoing to the contrary, the entire remaining outstanding principal amount of the Term Loan, together with all accrued and unpaid interest thereon, shall in any event be due and payable in full on May 31, 2005.

1.4 Loan Fees. In addition to any other amounts due or to become due under this Agreement concurrent with the execution hereof, Borrowers shall pay to Bank the following fees:

1.4.1 Revolving Credit Commitment Fee. In connection with the extension of the Revolving Loans, a fully earned and non-refundable fee of \$42,500, payable on the last day of each month commencing on April 30, 2001, in 12 equal payments of \$3,541.67 each.

1.4.2 Equipment Line Commitment Fee. In connection with the extension of the Converting Non-Revolving Loans, on the Closing Date, a fully earned and non-refundable fee of \$2,500.

1.4.3 **Annual Facility Fee.** Commencing on the first anniversary of the Closing Date, an annual facility fee in an amount equal to 0.25% of the Maximum Revolving Amount, payable on the last day of each month commencing on April 30, 2002, in 12 equal payments of \$1,770.84 each.

1.4.4 **Documentation Fee, Costs and Expenses.** In addition to any other amounts due, or to become due, concurrently with the execution hereof, Borrowers agree to pay to Bank a documentation fee in the amount of \$1,000 and all other costs and expenses incurred by Bank in the preparation of this Agreement, the other Loan Documents and the perfection of any security interest granted to Bank by Borrowers.

1.5 **Default Rate.** Notwithstanding anything to the contrary set forth herein, upon the occurrence and during the continuation of any Event of Default, all Obligations outstanding under this Agreement shall bear interest in accordance with subsection 9.1.5 of this Agreement.

1.6 **Bank's Books and Records.** The amount and date of each Loan hereunder, the amount from time to time outstanding, the applicable interest rate in respect of each Loan, and the amount and date of any repayment hereunder, shall be noted on Bank's books and records, which shall be conclusive evidence thereof, absent manifest error; provided, however, any failure by Bank to make any such notation, or any error in any such notation, shall not relieve Borrowers of their obligations to pay to Bank all amounts owing to Bank under or pursuant to this Agreement and each of the other Loan Documents, in each case, when due in accordance with the terms hereof or thereof.

1.7 **Payment Procedures.** All sums payable by Borrowers to Bank under or pursuant to this Agreement, or any other Loan Document, whether principal, interest, or otherwise, shall be paid, when due, directly to Bank at the office of Bank identified on the signature page of this Agreement, or at such other office of Bank as Bank may designate in writing to Borrowers from time to time, in immediately available United States funds, and without setoff, deduction or counterclaim. Bank may, in its discretion, charge any and all deposit or other accounts (including, without limitation, any account evidenced by a certificate of deposit or time deposit) of Borrowers maintained with Bank for all or any part of any Obligations then due and payable; provided, however, that such authorization shall not affect Borrowers' obligations to pay all Obligations, when due, whether or not any such account balances maintained by Borrowers with Bank are insufficient to pay any amounts then due.

1.8 **Payments on Non-Business Day.** Whenever any payment to Bank under the Loan Documents would otherwise be due (except by reason of acceleration) on a date that is not a Business Day, such payment shall instead be due on the next Business Day, and additional fees or interest, as the case may be, shall accrue and be payable for the period of such extension.

1.9 **Receipt of Payments by Bank.** Any payment by Borrowers of any of the Obligations made by mail will be deemed tendered and received by Bank only upon actual receipt thereof by Bank at the address designated for such payment, whether or not Bank has authorized payment by mail or in any other manner, and such payment shall not be deemed to have been made in a timely manner unless actually received by Bank on or before the date due for such payment, time being of the essence. Borrowers expressly assume all risks of loss or liability resulting from non-delivery or delay of delivery of any item of payment transmitted by mail or in any other manner. Acceptance by Bank of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and any failure to pay the entire amount then due shall constitute and continue to be an Event of Default hereunder, and at any time thereafter, and until the entire amount then due has been paid in full, Bank shall be entitled to exercise any and all rights and remedies conferred upon and otherwise available to Bank hereunder or any of the other Loan Documents upon the occurrence and during the continuance of any such Event of Default. Prior to the occurrence of any Event of Default hereunder, Borrowers shall have the right to direct the application of any and all payments made to Bank by Borrowers hereunder to the respective Obligations. Borrowers waive the right to direct the application of any and all payments received by Bank from and on behalf of Borrowers at any time or times after the occurrence and during the continuation of any Event of Default hereunder. Borrowers further agree that after the occurrence and during the

continuation of any Event of Default hereunder, or prior to the occurrence of any Event of Default hereunder if Borrowers have failed to direct such application, Bank shall have the continuing exclusive right to apply and to reapply any and all payments received by Bank at any time or times hereafter, whether as voluntary payments, proceeds from any Collateral, offsets, or otherwise, against the Obligations in such order and in such manner as Bank may, in its sole discretion, deem advisable, notwithstanding any entry by Bank upon any of its books and records. Borrowers hereby expressly agree that, to the extent that Bank receives any payment or benefit of or otherwise upon any of the Obligations, and such payment or benefit, or any part thereof, is subsequently invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid to a trustee, receiver, or any other party under any provision of the Bankruptcy Code or under any other state or federal law, common law, or equitable cause, then to the extent of such payment or benefit, the Obligations, or part thereof, intended to be satisfied shall be revived and continued in full force and effect as if such payment or benefit had not been made by Borrowers or received by Bank, and, further, any such repayment by Bank shall be added to and be deemed to be part of the Obligations.

2. CREATION OF SECURITY INTEREST

2.1 Grant of Security Interest. The Borrowers hereby grant to Bank a continuing security interest in all presently existing and hereafter acquired or arising Collateral in order to secure prompt repayment of any and all Obligations and in order to secure prompt performance by each Borrower of each of its covenants and duties under the Loan Documents. Borrowers acknowledge and agree that Bank may place a "hold" on any Deposit Account pledged as Collateral to secure the Obligations. Notwithstanding termination of this Agreement, Bank's security interest in the Collateral shall remain in effect for so long as any Obligations are outstanding or any loan facility is in place.

2.2 Negotiable Collateral. In the event that any Collateral, including proceeds, is evidenced by or consists of Negotiable Collateral, Borrowers, immediately upon the request of Bank, shall (a) endorse or assign such Negotiable Collateral to Bank, (b) deliver physical possession of such Negotiable Collateral to Bank, and (c) mark conspicuously all of its records pertaining to such Negotiable Collateral with a legend, in form and substance satisfactory to Bank (and in the case of Negotiable Collateral consisting of Chattel Paper that is tangible chattel paper, immediately mark all such Chattel Paper with a conspicuous legend in form and substance satisfactory to Bank), indicating that the Negotiable Collateral is subject to the security interest granted hereby.

2.4 **Right to Inspect.** Bank (through any of its officers, employees, or agents) shall have the right, upon reasonable prior notice, from time to time during Borrowers' usual business hours (or at any time and without notice required if an Event of Default has occurred and is continuing) but no more than once a year (unless an Event of Default has occurred and is continuing), to inspect Borrowers' Books and to make copies thereof and to check, test, and appraise the Collateral in order to verify Borrowers' financial condition or the amount, condition of, or any other matter relating to, the Collateral.

2.5 **Bailees and Other Third Parties in Possession.** In the event that any Collateral is in the possession of a third party, Borrowers shall join with Bank in notifying such third party of Bank's security interest and obtaining an acknowledgment from such third party that it is holding such Collateral for the benefit of Bank.

complete in all respects as of the Closing Date and at, and as of, the date of the making of each Loan or issuance of each Letter of Credit made thereafter (except to the extent that such representations and warranties relate solely to an earlier date):

Each Borrower is a corporation, duly organized and existing and in good standing under the laws of the state of California, which shall survive at least five years beyond the maturity of any Loans hereunder. Each Borrower is authorized and in good standing to do business in the state of its incorporation; each Borrower has the appropriate powers and adequate authority, rights and franchises to own its property and to carry on its business as now conducted, and is duly qualified and in good standing in each state in which the character of the properties owned by it therein or the conduct of its business makes such qualification necessary; and each Borrower has the power and adequate authority to execute, deliver and perform this Agreement and the other Loan Documents. No Borrower is in default under any agreement, contract, indenture, instrument or undertaking to which that Borrower is a party or by which it may be bound, which default could result in a Material Adverse Change.

4.4 Litigation. There is no litigation or other proceeding pending or threatened against or affecting any Borrower which if determined adversely to that Borrower or its interest could result in a Material Adverse Change, and no Borrower is in default with respect to any order, writ, injunction, decree or demand of any court or other governmental or regulatory authority.

8.3 **Breach of Other Covenants.** Failure of Borrowers or any Guarantor to observe or perform any other term or condition of this Agreement (other than those terms and conditions described in Sections 8.1 and 8.2 hereof), and such failure continues for 30 days after the earlier of (a) Borrowers' or such Guarantor's discovery of such failure and (b) Bank's dispatch of notice to such Borrowers or such Guarantor of such failure.

8.4 **Breach of Warranty.** Any of Borrowers' or any Guarantor's representations or warranties made herein or in any statement or certificate at any time given in writing pursuant hereto or in connection herewith shall be false or misleading in any material respect, or if any such representation, warranty, statement or certification is withdrawn.

8.5 Breach Under any Other Loan Document. Any default or event of default, as the case may be, in the observance or performance by any Borrower, any Guarantor or any other Person (excluding Bank) of any term or condition of any other Loan Document or any other document, instrument or agreement with or in favor of Bank entered into by or binding upon any Borrower, any Guarantor or any such other Person, and the continuation thereof beyond any applicable period of grace or cure provided with respect thereto.

8.6 Default under Agreements with Other Persons. Any default by any Borrower or any Guarantor in the payment of any Indebtedness (other than Indebtedness owing to Bank) in an aggregate amount in excess of \$100,000, or in the observance or performance of any conditions, covenants or agreements related or given with respect thereto or any other agreement, the failure to perform under which could constitute a Material Adverse Change and, in each such case, continuation thereof beyond any applicable grace or cure period with respect thereto, except to the extent that certain intellectual property agreements or equipment financing agreements prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this Agreement or any other Loan Document constitutes an assignment; provided, however, that any such default could not constitute a Material Adverse Change.

8.7 Judgments. One or more judgments or decrees for the payment of money in excess of the sum of \$250,000, in the aggregate, or any writ or warrant of attachment or similar process is entered, filed or rendered against any Borrower or any Guarantor, and such judgment(s) or decree(s) shall remain unvacated, unbonded or unstayed, by appeal or otherwise, for a period of 45 consecutive days after the date of entry.

8.8 Ownership. If there shall be (a) any voluntary change in the management, ownership or control of any Borrower or any Guarantor, by any reason, which could constitute a Material Adverse Change, or (b) any change in the management, ownership or control of any Borrower or any Guarantor, whether by reason of the incapacity, death, resignation, termination or otherwise of Mr. Robert R. Hollis.

8.9 ERISA Compliance. Failure by any Borrower or any Guarantor, to meet the minimum funding requirements under ERISA with respect to any pension plan established or maintained by it; the occurrence of any "reportable event", as defined in ERISA, which could constitute grounds for termination by the PBGC of any pension plan or for the appointment by the appropriate United States District Court of a trustee to administer such pension plan, and such reportable event is not corrected and such determination is not revoked within thirty (30) days after notice thereof has been given to the plan administrator or such Borrower, any such Guarantor, as the case may be; or the institution of any proceedings by the PBGC to terminate any such pension plan or to appoint a trustee by the appropriate United States District Court to administer any such pension plan.

8.10 Insolvency; Receiver or Trustee. Any Borrower or any Guarantor shall become insolvent; or admit its inability to pay its debts as they mature; or make an assignment for the benefit of creditors; or applies for, consents to or acquiesces in the appointment of a trustee, receiver liquidator, conservator or custodian for it or for a substantial part of its property or business.

8.11 Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against any Borrower or any Guarantor and, if instituted against it, shall not be dismissed within 30 days thereafter.

8.12 Security Interest. This Agreement or any other Loan Document ceases to be in full force and effect (including the failure of this Agreement or any other Loan Document to create a valid and perfected security interest or lien on the Collateral, to the fullest extent perfection can be obtained by filing, notification to third parties, possession or control as requested by Bank from time to time in accordance with the provisions of Article 2, Article 3, Section 5.12, Section 5.15.2, Section 6.2, and Section 9.2 of this Agreement) at any time and for any reason.

8.13 Revocation of Guarantee or Subordination Agreement. Any guarantee or subordination agreement required hereunder is breached or becomes ineffective, or any Guarantor or any subordinated creditor disavows or attempts to revoke or terminate such guarantee or subordination agreement, or any Guarantor that is a natural person shall die.

8.14 Cessation of Business. Any Borrower or any Guarantor that is not a natural person shall voluntarily suspend its business.

8.15 Material Adverse Change. Any change which, in the opinion of Bank, has resulted or could result in a Material Adverse Change.

8.16 Attachments. If any material portion of any Borrower's or any Guarantor's properties or assets is attached, seized, subjected to a writ or distress warrant, or is levied upon, or comes into the possession of any third Person and such attachment, seizure, writ or distress warrant or levy has not been removed, discharged or rescinded within 10 days, or if any Borrower or any Guarantor is enjoined, restrained, or in any way prevented by court order from continuing to conduct all or any material part of its business affairs, or if a judgment or other claim becomes a lien or encumbrance upon any material portion of such Borrower's or such Guarantor's assets, or if a notice of lien, levy, or assessment is filed of record with respect to any Borrower's or Guarantor's assets by the United States Government, or any department, agency, or instrumentality thereof, or by any state, county, municipal, or governmental agency, and the same is not paid within 10 days after such Borrower or such Guarantor receives notice thereof, provided that none of the foregoing shall constitute an Event of Default where such action or event is stayed or an adequate bond has been posted pending a good faith contest by such Borrower or such Guarantor (provided that no credit extensions will be required to be made during such cure period).

8.17 Other Defaults. Any Borrower or any Guarantor shall commit or do or fail to commit or do any act or thing which would constitute an event of default under any of the terms of any other agreement, document or instrument executed or to be executed by it concerning the obligation to pay money in an aggregate amount in excess of \$100,000, except to the extent that certain intellectual property agreements or equipment financing agreements prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this Agreement or any other Loan Document constitutes an assignment; provided, however, that in any event such default could not constitute a Material Adverse Change.

9. BANK'S RIGHTS AND REMEDIES

9.1 Rights and Remedies. Upon the occurrence and during the continuation of an Event of Default, Bank may, at its election, without notice of its election and without demand, do any one or more of the following, all of which are authorized by Borrowers:

9.1.1 Declare all Obligations, whether evidenced by this Agreement, by any of the other Loan Documents, or otherwise, immediately due and payable; provided, however, that upon the occurrence of an Event of Default described in Section 8.11, all Obligations shall become immediately due and payable without any action by Bank;

9.1.2 Cease advancing money or extending credit to or for the benefit of Borrowers under this Agreement, under any of the other Loan Documents, or under any other agreement between Borrowers and Bank; provided, however, that Bank shall have no duty to make advances while any Event of Default exists notwithstanding any cure period provided for herein;

9.1.3 Terminate this Agreement and any of the other Loan Documents as to any future liability or obligation of Bank, but without affecting Bank's rights and security interests in the Collateral and without affecting the Obligations;

9.1.4 Demand that Borrowers (i) deposit cash with Bank in an amount equal to the amount of any Letters of Credit remaining undrawn, as collateral security for the repayment of any future drawings under such Letters of Credit, and Borrowers shall forthwith deposit and pay such amounts, and (ii) pay in advance all Letters of Credit fees scheduled to be paid or payable over the remaining term of the Letters of Credit;

9.1.5 Increase the rate of interest applicable to all Obligations outstanding under this Agreement to a rate equal to the then applicable interest rate plus 3%, which interest, in any case, shall be payable upon demand;

9.1.6 Settle or adjust disputes and claims directly with account debtors for amounts, upon terms and in whatever order that Bank reasonably considers advisable;

9.1.7 Without notice to or demand upon Borrowers or any Guarantor, make such payments and do such acts as Bank considers necessary or reasonable to protect its security interest in the Collateral. Borrowers agree to assemble the Collateral if Bank so requires, and to deliver or make available to Bank all or any portion of the Collateral and any and all certificates of title and other documents relating thereto as Bank may designate. Borrowers authorize Bank to enter the premises where the Collateral is located, to take and maintain possession of the Collateral, or any part of it, and to pay, purchase, contest, or compromise any encumbrance, charge, or lien which in Bank's determination appears to be prior or superior to its security interest and to pay all expenses incurred in connection therewith. With respect to any of Borrowers' owned premises, Borrowers hereby grant Bank a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of Bank's rights or remedies provided herein, at law, in equity, or otherwise;

9.1.8 Without notice to Borrowers, set off and apply to the Obligations any and all (i) balances and deposits of Borrowers held by Bank, or (ii) indebtedness at any time owing to or for the credit or the account of any Borrower held by Bank;

9.1.9 Ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell (in the manner provided for herein) the Collateral. Bank is hereby granted a license or other right, solely pursuant to the provisions of this Section 9.1, to use, without charge, Borrowers' labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks, service marks, and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and, in connection with Bank's exercise of its rights under this Section 9.1, Borrowers' rights under all licenses and all franchise agreements shall inure to Bank's benefit;

9.1.10 Sell the Collateral at either a public or private sale, or both, by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Borrowers' premises) as Bank determines is commercially reasonable, and apply any proceeds to the Obligations in whatever manner or order Bank deems appropriate; provided, however, that Bank shall have no obligation to clean-up or otherwise prepare the Collateral for sale;

9.1.11 Bank may credit bid and purchase at any public sale, or at any private sale as permitted by law;

9.1.12 in addition to any other rights, relief or remedies afforded Bank, to the extent permitted by applicable law without notice or consent and completely without regard to the adequacy of any security for the Obligations, Bank may have a receiver appointed as a matter of right, who may be an employee of Bank and may serve without bond, and all fees of such receiver and his or her attorney shall become part of the Obligations secured by this Agreement and payable from the disposition of the Collateral, payable upon demand with interest at the rate applicable to Loans hereunder until repaid, and such receiver, in addition to any other rights to which he shall be entitled, shall be authorized to sell,

foreclose or conduct a complete foreclosure on all Collateral contemplated by this Agreement for the benefit of Bank, pursuant to provisions of applicable law; and

9.1.13 Any deficiency that exists after disposition of the Collateral as provided above shall be paid immediately by Borrowers.

9.2 **Power of Attorney.** Each Borrower hereby irrevocably makes, constitutes, and appoints Bank (and any of Bank's designated officers, employees or agents) as Borrower's true and lawful attorney to, upon the occurrence and during the continuance of an Event of Default: (a) send requests for verification of Accounts or notify account debtors of Bank's security interest in the Accounts; (b) endorse Borrower's name on any checks or other forms of payment or security that may come into Bank's possession; (c) sign Borrower's name on any invoice or bill of lading relating to any Account, drafts against account debtors, schedules and assignments of Accounts, verifications of Accounts, and notices to account debtors; (d) dispose of any Collateral; (e) make, settle, and adjust all claims under and decisions with respect to Borrower's policies of insurance; (f) settle and adjust disputes and claims respecting the accounts directly with account debtors, for amounts and upon terms which Bank determines to be reasonable; and (g) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of Borrower where permitted by law; (h) to modify or amend, in its sole discretion, without first obtaining Borrower's approval of or signature to such modification or amendment, Exhibits A, B, and C to this Agreement, as appropriate, to include reference to any right, title or interest in any Copyrights, Patents or Trademarks acquired by Borrower after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents or Trademarks in which Borrower no longer has or claims to have any right, title or interest; and (i) to transfer the Intellectual Property Collateral into the name of Bank or a third party to the extent permitted under the Code; provided, however, that Bank or any of its designees or attorneys-in-fact may exercise such power of attorney to sign the name of Borrower on any of the documents described in Section 2.3, and to do any and all things necessary in the name and on behalf of Borrower in order to perfect, or continue the perfection of, Bank's security interests in the Collateral, regardless of whether an Event of Default has occurred or is continuing. Each Borrower agrees that neither Bank, nor any of its designees or attorneys-in-fact, will be liable for any act of commission or omission, or for any error of judgment or mistake of fact or law with respect to the exercise of the power of attorney granted under this Section 9.2, other than as a result of its or their gross negligence or willful misconduct. The appointment of Bank as attorney in fact for each Borrower and each and every one of Bank's rights and powers granted under this Section 9.2, being coupled with an interest, shall be irrevocable until all of the Obligations have been indefeasibly paid in full, Bank's obligation to provide advances hereunder has been terminated, and all Borrowers' duties hereunder have been performed in full.

9.3 **Accounts Collection.** At any time during the term of this Agreement, Bank may notify any Person owing funds to Borrowers of Bank's security interest in such funds and verify the amount of such Account. Borrowers shall collect all amounts owing to Borrowers for Bank, receive in trust all payments as Bank's trustee, and immediately deliver such payments to Bank in their original form as received from the account debtor, with proper endorsements for deposit.

9.4 **Payment of Expenses by Bank.** If Borrowers fail to pay any amounts or furnish any required proof of payment due to third persons or entities, as required under the terms of this Agreement, then Bank may do any or all of the following after reasonable notice to Borrowers: (a) make payment of the same or any part thereof; (b) set up such reserves under the Revolving Facility as Bank deems necessary to protect Bank from the exposure created by such failure; or (c) obtain and maintain insurance policies of the type discussed in Section 5.3 hereof, and take any action with respect to such policies as Bank deems prudent. Any amounts so paid or deposited by Bank shall be immediately due and payable, and shall bear interest at the rate applicable to the Loans from time to time, and shall be secured by the Collateral. Any payments made by Bank shall not constitute an agreement by Bank to make similar payments in the future or a waiver by Bank of any Event of Default under this Agreement.

9.5 **No Obligation to Pursue Others.** Bank shall have no obligation to attempt to satisfy the Obligations by collecting them from any third Person which may be liable for them or any portion thereof, and Bank may release, modify or waive any collateral provided by any other Person as security for the Obligations or any portion thereof, all without affecting Bank's rights against Borrowers. Each Borrower waives any right it may have to require Bank to pursue any third Person for any of the Obligations.

9.6 **Compliance with Other Laws.** Bank may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral, and Bank's compliance therewith will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

9.7 **Warranties.** Bank may sell the Collateral without giving any warranties as to the Collateral. Bank may specifically disclaim any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

9.8 **Sales on Credit.** If Bank sells any of the Collateral upon credit, Borrowers will be credited only with payments actually made by the purchaser, received by Bank and applied to the indebtedness of the purchaser. In the event that the purchaser fails to pay for the Collateral, Bank may resell the Collateral and Borrowers will be credited with the proceeds of such sale.

9.9 **No Marshaling.** Bank shall be under no obligation to marshal any assets in favor of Borrowers, or against or in payment of the Obligations or any other obligation owned to Bank by Borrowers or any other Person.

9.10 **Government Consents.** Upon the exercise by Bank of any power, right, privilege, or remedy pursuant to this Agreement which requires any consent, approval, registration, qualification, or authorization of any federal, state, local or other governmental authority, each Borrower agrees to execute and deliver, or will cause the execution and delivery of, all applications, certificates, instruments, assignments, and other documents and papers that Bank or any purchaser of the Collateral may be required to obtain for such governmental consent, approval, registration, qualification, or authorization.

9.11 **Bank's Liability for Collateral.** So long as Bank complies with its obligations under the Code, Bank shall not in any way or manner be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage thereto occurring or arising in any manner or fashion from any cause; (c) any diminution in the value thereof; or (d) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other person whomsoever. All risk of loss, damage or destruction of the Collateral shall be borne by Borrowers.

9.12 **Waiver of Defaults.** No Event of Default shall be waived by Bank except in a written instrument specifying the scope and terms of such waiver and signed by an authorized officer of Bank, and such waiver shall be effective only for the specific time(s) and purpose(s) given. No single or partial exercise of any right, power or privilege hereunder, nor any delay in the exercise thereof, shall preclude other or further exercise of Bank's rights. No waiver of any Event of Default shall extend to any other or further Event of Default. No forbearance on the part of Bank in enforcing any of Bank's rights or remedies hereunder or any of the other Loan Documents shall constitute a waiver of any of its rights or remedies. Each Borrower expressly agrees that this Section may not be waived or modified by Bank by course of performance, estoppel or otherwise.

9.13 **Remedies Cumulative.** Bank's rights and remedies under this Agreement, the Loan Documents, and all other agreements shall be cumulative and not alternative. Bank shall have all other rights, powers and remedies not inconsistent herewith as provided under the Code, by law, or in equity against Borrowers or any other person, including but not limited to Bank's rights of setoff or banker's lien. No exercise by Bank of one right or remedy shall be deemed an election, and no waiver by Bank of any Event of Default on Borrowers' part shall be deemed a continuing waiver. No delay by Bank shall constitute a waiver, election, or acquiescence by it. No waiver by Bank shall be effective unless made in a

written document signed on behalf of Bank and then shall be effective only in the specific instance and for the specific purpose for which it was given.

9.14 **Demand; Protest.** Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees at any time held by Bank on which any Borrower may in any way be liable.

10. **MISCELLANEOUS PROVISIONS**

10.1 **Other Loan(s).** Any loan made by Bank to any Borrower prior to or after the date of this Agreement and other obligations outstanding from Borrowers to Bank are subject to the terms and conditions of this Agreement unless otherwise agreed in writing by Borrowers and Bank. The interest rate, payments of principal and interest and other the terms contained in any note(s) evidencing any such prior loan(s) shall remain in full force and effect, and each Borrower ratifies and reaffirms the continuing effectiveness of any such prior note(s) and agrees to continue to make payments in accordance with the terms thereof.

10.2 **Failure or Indulgence Not Waiver.** No failure or delay on the part of Bank or any holder of notes issued hereunder, in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. All rights and remedies existing under this Agreement or any note (s) issued in connection with a Loan that Bank may make hereunder, are cumulative to, and not exclusive of, any rights or remedies otherwise available.

10.3 **Amendment and Waiver.** At all times during the effectiveness of this Agreement or any other Loan Document, (a) no waiver of any provision of this Agreement or any Loan Document, nor consent to any departure by Borrowers, therefrom, shall in any event be effective unless the same shall be in writing and signed by Bank, and (b) no amendment or modification of any provision of this Agreement or any other Loan Document shall in any event be effective unless the same shall be in writing and signed by Borrowers and Bank, and then in each case any such waiver, consent, amendment or modification shall be effective only in the specific instance(s) and for the specific time(s) and purpose(s) for which given.

10.4 **Construction, Interpretation.**

10.4.1 Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Bank or Borrowers, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties hereto.

10.4.2 Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the term "including" is not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement. An Event of Default shall "continue" or be "continuing" until such Event of Default has been waived in writing by Bank. Section, subsection, clause, schedule, and exhibit references are to this Agreement unless otherwise specified. Any reference in this Agreement or in the Loan Documents to this Agreement or any of the Loan Documents shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, and supplements, thereto and thereof, as applicable. All accounting terms shall have the meanings applied under GAAP unless otherwise specified. All section titles appear as a matter of convenience only and shall not affect the interpretation of this Agreement.

10.4.3 Each covenant hereunder shall be given independent effect so that if a particular action or condition is not permitted by any such covenant, the fact that it would be permitted by an exception to, or would be otherwise within the limitations of, another covenant shall not avoid the occurrence of any Event of Default.

10.5 **Cumulative Effect, Conflict of Terms.** The provisions of the other Loan Documents are hereby made cumulative with the provisions of this Agreement. Except as otherwise provided in any of the other Loan Documents by specific reference to the applicable provision of this Agreement, if any provision contained in this Agreement is in direct conflict with, or inconsistent with, any provision in any of the other Loan Documents, the provision contained in this Agreement shall govern and control.

10.6 **Counterparts; Entire Agreement.** This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. This Agreement, together with the other Loan Documents constitute the entire understanding among the parties hereto with respect to the subject matter hereof and supersedes any prior agreements, written or oral, with respect thereto.

10.7 **Bank's Expenses and Attorney's Fees.** If, at any time or times regardless of whether an Event of Default then exists, Bank pays or incurs legal or accounting expenses or any other costs or expenses in connection with (a) the negotiation and preparation of this Agreement or any of the other Loan Documents, any amendment of or modification of this Agreement or any of the other Loan Documents, (b) the administration of this Agreement or any of the other Loan Documents and the transactions or the Collateral contemplated hereby and thereby, (c) any litigation, contest, dispute, suit, proceeding or action (whether instituted by Bank, Borrowers, or any other person) in any way relating to the Collateral, this Agreement or any of the other Loan Documents or Borrowers' affairs, (d) any attempt to enforce any rights of Bank against Borrowers, any Guarantor, or any other person which may be obligated to Bank by virtue of this Agreement or any of the other Loan Documents, whether or not suit is filed, or (e) any attempt to inspect, verify, protect, preserve, restore, collect, sell, liquidate or otherwise dispose of or realize upon the Collateral, then all such legal and accounting expenses (including all reasonable attorneys' fees) together with all other costs and expenses of Bank shall be payable by Borrowers without demand after notice, and Borrowers shall promptly pay all such amounts payable to Bank under this Section 10.7, and all such amounts shall be secured by the Collateral and shall bear interest from the date of such notice until paid in full at the rate applicable to the Loans from time to time. If suit is brought to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and court costs in addition to any other remedy or recovery awarded by the court.

10.8 **Taxes and Fees.** Should any tax (other than a tax based upon the net income of Bank) or recording or filing fee become payable in respect of this Agreement or any of the Loan Documents, any of the Collateral, or any amendment, modification or supplement hereof or thereof, Borrowers agree to pay such taxes (or reimburse Bank therefor), together with any interest or penalties thereon, and agree to hold Bank harmless with respect thereto.

10.9 **Successors and Assigns; Participation.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, however, that Borrowers may not assign this Agreement or any rights or duties hereunder without Bank's prior written consent and any prohibited assignment shall be absolutely void. No consent to an assignment by Bank shall release Borrowers from the Obligations. Bank may assign this Agreement and its rights and duties hereunder and no consent or approval by Borrowers is required in connection with any such assignment. Bank reserves the right to sell, assign, transfer, negotiate, or grant participations in all or any part of, or any interest in Bank's rights and benefits hereunder. In connection with any such assignment or participation, Bank may disclose all documents and information which Bank now or hereafter may have relating to Borrowers or Guarantors or their respective financial condition and business activities. To the extent that Bank assigns its rights and obligations hereunder to a third Person, Bank thereafter shall be released from such assigned obligations to Borrowers and such assignment shall effect a novation between Borrowers and such third Person.

10.10 Applicable Law. This Agreement, the other Loan Documents and any and all other agreements and instruments required by Bank in connection therewith shall be governed by and construed according to the internal laws of the state of California, except to the extent that the Code provides for the application of the laws of another state and except to the extent expressed to the contrary in any of the Loan Documents. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

10.11 Notices. All notices and other communications provided for herein or in any document contemplated hereby, given hereunder or required by law to be given, shall be in writing (unless expressly provided to the contrary). If personally delivered, such notices shall be effective when delivered, and in the case of mailing, such notices shall be effective 2 Business Days after sending by first class mail, postage prepaid, in each case addressed to the parties as set forth on the signature page of this Agreement, or to such other address as a party shall have designated to the other in writing in accordance with this Section. The giving of at least 5 days' notice before Bank shall take any action described in any notice shall conclusively be deemed reasonable for all purposes; provided, that this shall not be deemed to require Bank to give such 5 days' notice, or any notice, if not specifically required to do so in this Agreement.

10.12 Further Action. Borrowers shall, from time to time, upon written request of Bank, promptly make, execute, acknowledge and deliver, or cause to be made, executed, acknowledged and delivered, all such further and additional instruments, and promptly take all such further action as may be required to carry out the intent and purpose of this Agreement and the other Loan Documents, and to provide for the Loans under and payment of the Notes, according to the intent and purpose herein and therein expressed.

10.13 Severability. In case any one or more of the obligations of Borrowers under this Agreement, any Note, or any of the other Loan Documents shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining obligations of Borrowers shall not in any way be affected or impaired thereby, and such invalidity, illegality or unenforceability in one jurisdiction shall not affect the validity, legality or enforceability of the obligations of Borrowers under this Agreement, the Notes or any of the other Loan Documents in any other jurisdiction.

10.14 Reliance on and Survival of Various Provisions. All terms, covenants, agreements, representations and warranties of Borrowers made herein or in any of the Loan Documents, or in any certificate, report, financial statement or other document furnished by or on behalf of Borrowers in connection with this Agreement or any of the Loan Documents, shall be deemed to have been relied upon by Bank, notwithstanding any investigation heretofore or hereafter made by Bank or on Bank's behalf, and those covenants and agreements of Borrowers set forth in this Agreement (together with any other indemnities of Borrowers contained elsewhere in this Agreement or in any of the Loan Documents) shall survive the termination of this Agreement and the repayment in full of the Indebtedness.

10.15 Effective Upon Execution. This Agreement shall become effective upon the execution hereof by Bank and Borrowers and shall remain effective until the Indebtedness under this Agreement and each of the Notes shall have been repaid and discharged in full and no commitment to extend any credit hereunder (whether optional or obligatory) remains outstanding.

10.16 Confidentiality. In handling any confidential information, Bank shall exercise the same degree of care that it exercises with respect to its own proprietary information of the same types to maintain the confidentiality of any non-public information thereby received or received pursuant to this Agreement, except that disclosure of such information may be made: (a) to the subsidiaries or Affiliates of Bank in connection with their present or prospective business relations with Borrowers; (b) to prospective transferees or purchasers of any interest in the Loans, provided that they have entered into a comparable confidentiality agreement in favor of Borrowers and have delivered a copy to Borrowers; (c) as required by law, regulations, rule or order, subpoena, judicial order or similar order; (d) as may be required in

10.19 Suretyship Waivers and Consents. Each Borrower agrees that it is jointly and severally, directly, and primarily liable to Bank for payment in full of the Obligations and that such liability is independent of the duties, obligations and liabilities of the other Borrower. The Loan Documents are a primary and original obligation of each Borrower, are not the creation of a surety relationship, and are an absolute, unconditional, and continuing promise of payment and performance which shall remain in full force and effect without respect to future changes in conditions, including any change of law or any invalidity or irregularity with respect to the Loan Documents. Each Borrower acknowledges that the obligations of such Borrower undertaken herein might be construed to consist, at least in part, of the guaranty of obligations of persons or entities other than such Borrower (including any other Borrower party hereto) and, in full recognition of that fact, each Borrower consents and agrees that Bank may, at any time and from time to time, without notice or demand, whether before or after any actual or purported termination, repudiation, or revocation of this Agreement by any one or more Borrowers, and without affecting the enforceability or continuing effectiveness hereof as to each Borrower: (a) supplement, restate, modify, amend, increase, decrease, extend, renew, accelerate, or otherwise change the time for payment or the terms of the Obligations or any part thereof, including any increase or decrease of the rate(s) of interest thereon; (b) supplement restate, modify, amend, increase, decrease or waive, or enter into or give any agreement, approval, or consent with respect to, the Obligations or any part thereof, or any of the Loan Documents or any additional security or guaranties, or any condition covenant, default, remedy, right, representation or term thereof or thereunder; (c) accept new or additional instruments, documents or agreements in exchange for or relative to any of the Loan Documents or the Obligations or any part thereof; (d) accept partial payments on the Obligations; (e) receive and hold additional security or guaranties for the Obligations or any part thereof; (f) release, reconvey, terminate, waive, abandon, fail to perfect, subordinate, exchange, substitute, transfer, or enforce any security or guaranties, and apply any security and direct the order or manner of sale thereof as Bank in its sole and absolute discretion may determine; (g) release any Person from any personal liability with respect to the Obligations or any part thereof; (h) settle, release on terms satisfactory to Bank or by operation of applicable laws, or otherwise liquidate or enforce any Obligations and any security therefor or guaranty thereof in any manner, consent to the transfer of any security and bid and purchase at any sale; or (i) consent to the merger, change, or any other restructuring or termination of the corporate or partnership existence of any Borrower or any other Person, and correspondingly restructure the Obligations, and any such merger, change, restructuring, or termination shall not affect the liability of any Borrower or the continuing effectiveness hereof, or the enforceability hereof with respect to all or any part of the Obligations.

10.19.1 Upon the occurrence and during the continuance of any Event of Default, Bank may enforce this Agreement independently as to each Borrower and independently of any other remedy or security Bank at any time may have or hold in connection with the Obligations, and it shall not be

necessary for Bank to marshal assets in favor of any Borrower or any other Person or to proceed upon or against or exhaust any security or remedy before proceeding to enforce this Agreement. Each Borrower expressly waives any right to require Bank to marshal assets in favor of any Borrower or any other Person or to proceed against any other Borrower or any Collateral provided by any Person, and agrees that Bank may proceed against Borrowers or any Collateral in such order as it shall determine in its sole and absolute discretion.

10.19.2 Bank may file a separate action or actions against any Borrower, whether action is brought or prosecuted with respect to any security or against any other person, or whether any other person is joined in any such action or actions. Each Borrower agrees that Bank and any Borrower and any Affiliate of any Borrower may deal with each other in connection with the Obligations or otherwise, or alter any contracts or agreements now or hereafter existing between any of them, in any manner whatsoever, all without in any way altering or affecting the continuing efficacy of this Agreement.

10.19.3 Bank's hereunder shall be reinstated and revived, and the enforceability of this Agreement shall continue, with respect to any amount at any time paid on account of the Obligations which thereafter shall be required to be restored or returned by Bank, all as though such amount had not been paid. The rights of Bank created or granted herein and the enforceability of this Agreement at all times shall remain effective to cover the full amount of all the Obligations even though the Obligations, including any part thereof or any other security or guaranty therefor, may be or hereafter may become invalid or otherwise unenforceable as against any Borrower and whether or not any other Borrower shall have any personal liability with respect thereto.

10.19.4 To the maximum extent permitted by applicable law and to the extent that a Borrower is deemed a guarantor, each Borrower expressly waives any and all defenses now or hereafter arising or asserted by reason of (a) any disability or other defense of any other Borrower with respect to the Obligations, (b) the unenforceability or invalidity of any security or guaranty for the Obligations or lack of perfection or continuing perfection or failure of priority of any security for the Obligations, (c) the cessation for any cause whatsoever of the liability of any other Borrower (other than by reason of the full payment and performance of all Obligations), (d) any failure of the to marshal assets in favor Bank of any Borrower or any other person, (e) any failure of Bank to give notice of sale or other disposition of collateral to any Borrower or any other Person or any defect in any notice that may be given in connection with any sale or disposition of collateral, (f) any failure of Bank to comply with applicable law in connection with the sale or other disposition of any collateral or other security for any Obligation, including any failure of Bank to conduct a commercially reasonable sale or other disposition of any collateral or other security for any Obligation, (g) any act or omission of Bank or others that directly or indirectly results in or aids the discharge or release of any Borrower or the Obligations or any security or guaranty therefor by operation of law or otherwise, (h) any law which provides that the obligation of a surety or guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation, (i) any failure of Bank to file or enforce a claim in any bankruptcy or other proceeding with respect to any Person, (j) the election by Bank of the application or non-application of Section 1111(b)(2) of the Bankruptcy Code, (k) any extension of credit or the grant of any lien under Section 364 of the Bankruptcy Code, (l) any use of cash collateral under Section 363 of the Bankruptcy Code, (m) any agreement or stipulation with respect to the provision of adequate protection in any bankruptcy proceeding of any Person, (n) the avoidance of any lien in favor of Bank for any reason, or (o) any action taken by Bank that is authorized by this section or any other provision of any Loan Document. Until such time as all of the Obligations have been fully, finally, and indefeasibly paid in full in cash: (i) each Borrower hereby waives and postpones any right of subrogation it has or may have as against any other Borrower respect to the Obligations; and (ii) in addition, each borrower also hereby waives and postpones any right to proceed or to seek recourse against or with respect to any property or asset of any other Borrower. Each borrower expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Agreement or of the existence, creation or incurring of new or additional Obligations.

10.19.5 In the event that all or any part of the Obligations at any time are secured by any one or more deeds of trust or mortgages or other instruments creating or granting liens on any interests in real property, each Borrower authorizes Bank, upon the occurrence of and during the continuance of any Event of Default, at its sole option, without notice or demand and without affecting the obligations of any Borrower, the enforceability of this Agreement, or the validity or enforceability of any Liens of Bank, to foreclose any or all of such deeds of trust or mortgages or other instruments by judicial or nonjudicial sale.

10.19.6 Without limiting the generality of any other waiver or other provision set forth in this Agreement, each Borrower waives all rights and defenses that such Borrower may have because the Obligations are secured by Real Property. This means, among other things:

- (1) Bank may collect from any Borrower without first foreclosing on any real or personal property collateral pledged by any other Borrower to secure the Obligations.
- (2) If Bank forecloses on any Real Property collateral pledged by any Borrower:
 - (a) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price.
 - (b) Bank may collect from any Borrower even if Bank, by foreclosing on the Real Property collateral, has destroyed any right that Borrower may have to collect from any other Borrower.

This is an unconditional and irrevocable waiver of any rights and defenses each Borrower may have because the Obligations are secured by Real Property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d, or 726 of the Code of Civil Procedure.

10.19.7 To the fullest extent permitted by applicable law, to the extent that a Borrower is deemed a guarantor, each Borrower expressly waives any defenses to the enforcement of this Agreement or any rights of Bank created or granted hereby or to the recovery by Bank against any Borrower or any other Person liable therefor of any deficiency after a judicial or nonjudicial foreclosure or sale, even though such a foreclosure or sale may impair the subrogation rights of Borrowers and may preclude Borrowers from obtaining reimbursement or contribution from other Borrowers. To the fullest extent permitted by applicable law, each Borrower expressly waives any suretyship defenses or benefits that it otherwise might or would have under applicable law. WITHOUT LIMITING THE GENERALITY OF ANY OTHER WAIVER OR OTHER PROVISION SET FORTH IN THIS SECTION, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EACH BORROWER WAIVES ALL RIGHTS AND DEFENSES ARISING OUT OF AN ELECTION OF REMEDIES BY BANK, EVEN THOUGH THAT ELECTION OF REMEDIES, SUCH AS A NONJUDICIAL FORECLOSURE WITH RESPECT TO SECURITY FOR THE OBLIGATIONS, HAS DESTROYED SUCH BORROWER'S RIGHTS OF SUBROGATION AND REIMBURSEMENT AGAINST THE OTHER BORROWERS BY THE OPERATION LAW, INCLUDING BUT NOT LIMITED TO SECTION 580d OF THE CODE OF CIVIL PROCEDURE, OR OTHERWISE.

10.19.8 Borrowers and each of them warrant and agree that each of the waivers and consents set forth herein are made after consultation with legal counsel and with full knowledge of their significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which Borrowers otherwise may have against any other Borrower, Bank or others, or against Collateral. If any of the waivers or consents herein are determined to be contrary to any applicable law or public policy, such waivers and consents shall be effective to the maximum extent permitted by law.
