**Bill of Sale and Assignment  
(Intellectual Property)**

THIS BILL OF SALE is executed as of March 13, 2001, by Tri Valley Growers, a California nonprofit agricultural cooperative and Debtor and Debtor-in-Possession under Case No. 00-44089-J-11 in the United States Bankruptcy Court for the Northern District of California, Oakland Division ("Grantor"), in favor of Del Monte Corporation, a New York corporation ("Grantee").

WHEREAS, Grantor is engaged, among other things, in the business of the production and sale of processed fruits, vegetables, beans, tomatoes and other products under the "S&W," "Grower's Reserve" and related brands (the "S&W Business");

WHEREAS, Grantor desires to assign to Grantee the intellectual property used in connection with the S&W Business;

NOW, THEREFORE, FOR VALUE RECEIVED, receipt of which is hereby acknowledged, Grantor does hereby grant, bargain, sell, convey, assign, transfer and set over unto Grantee, absolutely and not as security, all of Grantor's right, title and interest in and to the following, whether now existing or hereafter arising, acquired or created:

a. All interests of Grantor in the copyrights, patents, trademarks, trade names, logos, trade secrets, inventions, know how, product specifications, UPC codes, domain names, packaging designs, market research, recipes, labels, advertising, other confidential information and other intellectual property, foreign or domestic, utilized in the S&W Business (together with pending applications for any of the foregoing), including but not limited to, those identified in Schedule 1 hereto (collectively, the "Intellectual Property");

b. All goodwill of Grantor's business symbolized by, incorporated in or associated with the Intellectual Property and all customer lists and other records of Grantor relating to the distribution of products or provision of services bearing or covered by the Intellectual Property;

c. All claims by Grantor against any individual, corporation, partnership, association, trust, government or political subdivision or agent or instrumentality thereof, or other entity or organization for past, present or future infringement of the Intellectual Property; and

d. All proceeds of the foregoing, including whatever is receivable or received when Grantor's property and assets, wherever located and whether or not reflected in its books and records, are sold, collected, exchanged, licensed or otherwise disposed of, whether such

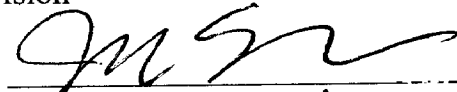

disposition is voluntary or involuntary, including rights to payment and return premiums and insurance proceeds under insurance with respect to any Intellectual Property, and all rights to payment with respect to any cause of action affecting or relating to the Intellectual Property. For purposes of clarification, this provision shall not apply to accounts receivable existing prior to the Closing.

The Grantor will cause to be promptly and duly taken, executed, acknowledged or delivered all such further acts, conveyances, documents and assurances as the Grantee may from time to time reasonably request in order to carry out more effectively the intent and purposes of this Bill of Sale.

IN WITNESS WHEREOF, Grantor has executed this Bill of Sale and Assignment as of the day and year first above written.
