("NGI") (AWL and NGI each a "Grantor" or collectively, the "Grantors"), NEW ALENCO EXTRUSION, LTD., ALENCO EXTRUSION GA, LLC, ALENCO WINDOW GA, LLC, ALENCO WINDOW TN, LLC AND ALENCO TRANS, INC. (AWL and NGI and each of the above collectively, the "Borrowers") and FOOTHILL CAPITAL CORPORATION, a California corporation ("Foothill"), in light of the following:

A. The Borrowers and Foothill have entered into that certain Loan and Security Agreement, dated as of April 12, 2001 (as the same may hereafter be amended, supplemented or restated from time-to-time in accordance with the terms thereof, the "Loan Agreement") and other instruments, documents and agreements contemplated thereby or related thereto (collectively, together with the Loan Agreement, the "Loan Documents"); and

B. Each Grantor identified on Schedule A attached hereto is the owner of certain intellectual property in which such Grantor is granting a security interest to Foothill.

NOW THEREFORE, in consideration of the mutual promises, covenants, conditions, representations, and warranties hereinafter set forth and for other good and valuable consideration, the parties hereto mutually agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 **Definitions.** The following terms, as used in this Agreement, have the following meanings:

"Code" means the Texas Uniform Commercial Code, as amended and supplemented from time to time, and, any successor statute.

"Collateral" means:

(i) Each of the trademarks and rights and interest which are capable of being protected as trademarks, (including trademarks, service marks, designs, logos, indicia, tradenames, corporate names, company names, business names, fictitious business names, trade styles, and other source or business identifiers, and applications pertaining thereto), which are presently, or in the future may be, owned, created, acquired, or used (whether pursuant to a license or otherwise, unless the license expressly prohibits such Grantor from granting security interests in such license) by such Grantor, in whole or in part, and all trademark rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), and rights to renew and extend such trademarks and trademark rights, and all goodwill associated with said trademarks ;

(ii) All of each Grantor's right to the trademarks and trademark registrations listed on Schedule A, attached hereto, as the same may be updated hereafter from time to time and all goodwill associated with said trademarks;

(iii) All of each Grantor's right, title and interest to register trademark claims under any state or federal trademark law or regulation of any foreign country and to apply for, renew, and extend the trademark registrations and trademark rights, the right (without obligation) to sue or bring opposition or cancellation proceedings in the name of such Grantor or in the name of Foothill for past, present, and future infringements of the trademarks, registrations, or trademark rights and all rights (but not obligations) corresponding thereto in the United States and any foreign country, and the associated goodwill;

(iv) All general intangibles relating to the foregoing; and

(v) All proceeds of any and all of the foregoing (including, without limitation, license royalties and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty, or guaranty payable by reason of loss or damage to or otherwise with respect to the Collateral.

"Obligations" means all obligations, liabilities, and indebtedness of the Borrowers to Foothill, whether direct, indirect, liquidated, or contingent, and whether arising under this Agreement, the Guaranty, or any other of the Loan Documents, including all costs and expenses described in Section 12.8 hereof.

1.2 Construction. Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the term "including" is not limiting. The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement unless otherwise specified. Any reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Foothill or the Grantors, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by the Borrowers, Foothill, and their respective counsel, and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of Foothill and the Grantors.

2. GRANT OF SECURITY INTEREST.

Each Grantor hereby grants to Foothill a first-priority security interest in all of such Grantor's right, title, and interest in and to the Collateral to secure the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Each Grantor hereby represents, warrant, and covenant that:

3.1 Trademarks. A true and complete schedule setting forth all federal and state trademark registrations owned or controlled by such Grantor or licensed to such Grantor, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates is set forth on Schedule A.

3.2 Validity; Enforceability. Each of the trademarks is valid and enforceable, and each Grantor is not presently aware of any past, present, or prospective claim by any third party that any of the trademarks are invalid or unenforceable, or that the use of any trademarks violates the rights of any third person, or of any basis for any such claims.

3.3 Title. Each Grantor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the trademarks, and trademark registrations to which it owns, free and clear of any liens, charges, and encumbrances, including pledges, assignments, licenses, shop rights, and covenants by such Grantor not to sue third persons.

3.4 Notice. Each Grantor has used and will continue to use proper statutory notice in connection with its use of each of its material trademarks.

3.5 Quality. Each Grantor has used and will continue to use consistent standards of high quality (which may be consistent with such Grantor's past practices) in the manufacture, sale, and delivery of products and services sold or delivered under or in connection with the trademarks, including, to the extent applicable, in the operation and maintenance of its merchandising operations, and will continue to maintain the validity of the trademarks.

3.6 Perfection of Security Interest. Except for the filing of financing statements in the State of Texas and filings with the United States Patent and Trademark Office necessary to perfect the security interests created hereunder, no authorization, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either for the grant by each Grantor of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Grantor or for the perfection of or the exercise by Foothill of its rights hereunder to the Collateral in the United States.

4. AFTER-ACQUIRED TRADEMARK RIGHTS.

If any of the Borrowers shall obtain rights to any new trademarks, the provisions of this Agreement shall automatically apply thereto. The Borrowers shall give prompt notice in writing to Foothill with respect to any such new trademarks, or renewal or extension of any trademark registration, and Foothill may, from time to time, amend Schedule A to this Agreement to reflect such after acquired trademarks. The Borrowers shall bear any expenses incurred in connection with future trademark registrations.

5. LITIGATION AND PROCEEDINGS.

Each Grantor shall commence and diligently prosecute in its own name, as the real party in interest, for its own benefit, and its own expense, such suits, administrative proceedings, or other action for infringement or other damages as are in its reasonable business judgment necessary to protect the Collateral. Each Grantor shall provide to Foothill any

information with respect thereto requested by Foothill. Foothill shall provide at Grantor's expense all necessary cooperation in connection with any such suits, proceedings, or action, including, without limitation, joining as a necessary party. Following Grantor's becoming aware thereof, such Grantor shall notify Foothill of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office, or any United States, state, or foreign court regarding such Grantor's claim of ownership in any of the trademarks, its right to apply for the same, or its right to keep and maintain such trademark rights.

6. INDEMNIFICATION.

Each Grantor assumes all responsibility and liability arising from the use of the trademarks, and each Grantor hereby indemnifies and holds Foothill harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of each Grantor's operations of its business from the use of the trademarks. In any suit, proceeding or action brought by Foothill under any license for any sum owing thereunder, or to enforce any provisions of such license, each Grantor will indemnify and hold Foothill harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder, arising out of a breach of such Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from each Grantor, and all such obligations of each Grantor shall be and remain enforceable against and only against such Grantor and shall not be enforceable against Foothill.

7. POWER OF ATTORNEY.

Each Grantor grants Foothill power of attorney, having the full authority, and in the place of such Grantor and in the name of such Grantor, from time to time following an Event of Default in Foothill's discretion, to take any action and to execute any instrument which Foothill may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, as may be subject to the provisions of this Agreement: to endorse such Grantor's name on all applications, documents, papers, and instruments necessary for Foothill to use or maintain the Collateral; to ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral; to file any claims or take any action or institute any proceedings that Foothill may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce Foothill's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

8. RIGHT TO INSPECT.

Each Grantor grants to Foothill and its employees and agents the right to visit the Grantors' plants and facilities which manufacture, inspect, or store products sold under any of the trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours.

9. EVENTS OF DEFAULT.

Any of the following events shall be an Event of Default:

9.1 Loan Agreement. An Event of Default shall occur as defined in the Loan Agreement;

10.1 Notification. Foothill may notify licensees to make royalty payments on license agreements directly to Foothill;

10.2 Sale. Foothill may sell or assign the Collateral and associated goodwill at public or private sale for such amounts, and at such time or times as Foothill deems advisable. Any requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to such Grantor five (5) days prior to such disposition. Such Grantor shall be credited with the net proceeds of such sale only when they are actually received by Foothill, and such Grantor shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Foothill shall also give notice of the time and place by publishing a notice one time at least five (5) days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held. To the maximum extent permitted by applicable law, Foothill may be the purchaser of any or all of the Collateral and associated goodwill at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Obligations as a credit on account of the purchase price of any collateral payable by Foothill at such sale.
