1. **Incorporation of Loan Agreement.** The Loan Documents and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms in this Agreement, including the Exhibits, which have an initial capital letter where not required by the rules of grammar, and which are not otherwise defined herein, are used herein as defined in the Loan Agreement.

2. **Collateral Assignment of Intellectual Property.** To secure the full and timely payment and performance of all of each Borrower's Liabilities, each Borrower hereby grants and conveys to Lender a first position priority security interest and lien in and to all of such Borrower's right, title and interest in and to all of its now owned or existing and hereafter acquired or arising (collectively the "Intellectual Property Collateral"):

- (E) the goodwill of such Borrower's business connected with and symbolized by the Trademarks, Patents, Copyrights and Licenses.

This Assignment is made for collateral purposes only. Each Borrower acknowledges and agrees that upon the occurrence and continuance of an Event of Default, and upon written notice to such Borrower, the Intellectual Property Collateral shall be immediately conveyed to Lender without any further action by any party, and Lender shall have the power to use and/or sell the Intellectual Property Collateral. Borrowers covenant and agree to execute and deliver to Lender all agreements, instruments, documents and other written matter that Lender may request, in form and substance acceptable to Lender, to perfect and maintain perfected Lender's security interest and lien in and to the Intellectual Property Collateral and to consummate the transactions contemplated by this Paragraph 2; provided, however Lender shall not require Borrowers to execute and deliver to Lender any agreements, instruments, documents or other written matter necessary to perfect and maintain perfected Lender's security interest and lien in and to the Intellectual Property Collateral outside of the United States.

3. Restrictions on Future Agreements.

A. Borrowers agree that until the Liabilities shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, Borrowers will not, without Lender's prior written

consent, enter into any document, instrument or agreement, which is inconsistent with Borrowers' obligations under this Assignment. Borrowers further agree that they will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Lender under this Assignment.

B. Except as set forth on Exhibit "D", Borrowers hereby represent and warrant to the Bank that neither Borrower has granted any license to any Person in connection with all Trademarks. Borrowers hereby covenant unto the Bank that until the Liabilities shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, neither Borrower shall grant any license to any third party in connection with all the Trademarks.

4. **New Trademarks, Patents, Copyrights and Licenses.** Borrowers represent and warrant that the Trademarks, Patents, Copyrights and Licenses listed on Exhibits "A", "B", "C" and "D" respectively constitute all of the trademarks, trademark registrations, patents, patent registrations, copyrights, applications therefor and Licenses now owned by Borrowers, other than registrations of trademarks, patents and copyrights outside of the United States (the "Foreign Registrations"). If, prior to payment of the Liabilities in full, Borrowers shall (i) obtain rights to any new trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, application for copyright registration or Licenses, other than Foreign Registrations, or (ii) become entitled to the benefit of any trademark, trademark registration, trademark application, copyright, application for copyright registration or License renewal, other than Foreign Registrations, the provisions of Paragraph 2 above shall automatically apply thereto and Borrowers shall provide Lender with immediate notice thereof. Borrowers hereby authorize Lender to modify this Assignment by amending Exhibits "A", "B", "C" and "D" to include any future trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, applications for copyright registration and Licenses, other than Foreign Registrations.

5. **Royalties; Terms.** Each Borrower hereby agrees that the use by Lender of all Intellectual Property Collateral after an Event of Default as described above shall be without any liability for royalties or other related charges from Lender to Borrowers. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to Lender of the Liabilities in full and the termination of the Loan Documents.

6. **Lender's Right to Inspect.** Lender shall have the right to inspect each Borrower's premises and to examine each Borrower's books, records and operations, including, without limitation, each Borrower's quality control processes. Upon an Event of Default, Borrowers agree that Lender shall have the right to establish such additional product quality controls as Lender, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by Borrowers under the Trademarks, Patents, Copyrights or Licenses. Each Borrower agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents, Copyrights or Licenses; (ii) to maintain the quality of any and all products produced in connection with the Intellectual Property Collateral consistent with the quality of said products as of the date hereof except for changes deemed appropriate in Borrowers' reasonable business judgment; and (iii) not to adversely change or alter the quality of said products in any way, except for changes deemed appropriate in Borrowers' reasonable business judgment, without Lender's written consent.

7. **Nature and Termination of Lender's Security Interest.** This Assignment is made for collateral purposes only. Except as otherwise provided in Paragraphs 3, 6, 8 and 13 hereof, nothing contained herein shall be deemed to limit in any way Borrowers' right to use the Trademarks, Patents,

Copyrights or Licenses or to grant to Lender any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Borrowers.** Borrowers shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, deemed appropriate in Borrowers' reasonable business judgment, until the Liabilities shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as Borrowers' deem appropriate in their reasonable business judgment, and (iii) to preserve and maintain all Intellectual Property Collateral as Borrowers' deem appropriate in their reasonable business judgment. Any expenses incurred in connection with such applications shall be borne by Borrowers. Borrowers shall not abandon any Intellectual Property Collateral, without the consent of Lender.

9. **Lender's Right to Sue.** Upon an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of either Borrower to enforce the Trademarks, Patents, Copyrights and Licenses. If Lender shall commence any such suit, Borrowers shall, at the request of Lender, do any and all acts and execute any and all instruments, documents and agreements required by Lender to enforce such Intellectual Property Collateral, and Borrowers shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights and remedies under this Paragraph 9.

10. **Waivers.** Lender's failure at any time or times hereafter to require strict performance by Borrowers of any provision of this Assignment shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lender of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Borrowers contained in this Assignment and no Event of Default by Borrowers shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by an officer of Lender and directed to Borrowers specifying such suspension or waiver.

11. **Severability.** The provisions of this Assignment are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Assignment in any jurisdiction.

12. **Modification.** This Assignment cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Lender's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Borrowers hereby authorize Lender to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as Borrowers' true and lawful attorney-in-fact, with power, upon an Event of Default and commencement by Lender of any of its rights and remedies whatsoever, whether pursuant to this Assignment, the Loan Documents, at law, in equity or otherwise, to (a) endorse Borrowers' name on all applications, documents, papers and instruments necessary or desirable for Lender in connection with selling the Intellectual Property Collateral, (b) take any other actions with respect to the Intellectual Property Collateral as Lender decides in its sole and absolute discretion, (c) assign,

pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as Lender may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Borrowers agree to indemnify Lender for any infringement claims or other similar claims filed or asserted against Lender from the use of any of the Intellectual Property Collateral. Borrowers hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been paid in full and all financing arrangements between either or both Borrowers and Lender have been terminated. Borrowers acknowledge and agree that this Assignment is not intended to limit or restrict in any way the rights and remedies of Lender under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Assignment shall be binding upon Borrowers and their respective successors and assigns, and shall inure to the benefit of Lender, its nominees, successors and assigns.

15. **Joint and Several.** All references to Borrowers shall mean Thermos Company and Thermos L.L.C. both individually and collectively, and jointly and severally, and all representations, warranties, duties, covenants, agreements and obligations of Borrowers shall be the individual and collective representations, warranties, duties, covenants, agreements and obligations of each of Thermos Company and Thermos L.L.C..

16. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Loan Agreement and shall be effective as set forth in the Loan Agreement.

17. **Governing Law.** This Assignment shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of the State of Illinois.

IN WITNESS WHEREOF, Borrowers' duly authorized officers have executed this Assignment as of the date first set forth above.
