AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This Amended and Restated Trademark Security Agreement ("Agreement"), dated as of April 17, 2001, is by and between LONDON FOG INDUSTRIES, INC., a Delaware corporation ("Debtor"), with its chief executive office at 1700 Westlake Avenue North, Seattle, Washington 98109 and CONGRESS FINANCIAL CORPORATION, a Delaware corporation ("Secured Party"), having an office at 1133 Avenue of the Americas, New York, New York 10036.

W I T N E S S E T H:

WHEREAS, Debtor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, service marks, trade names and trade dress and applications therefor described in Exhibit A hereto and made a part hereof; and

WHEREAS, Debtor, Pacific Trail, Inc. ("Pacific Trail") and The Scranton Outlet Corporation ("Scranton Outlet", and together with Pacific Trail and Debtor, collectively "Borrowers"), each commenced a case under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware and Debtor and each other Borrower has retained possession of its assets and has been authorized under the Bankruptcy Code (as defined in the Loan Agreement as hereinafter defined) to continue the management and operation of its business as debtor-in-possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code; and

WHEREAS, before the commencement of the Chapter 11 Cases (as defined in the Loan Agreement), Secured Party made loans and advances, and extended other credit accommodations, to Borrowers secured by the assets and properties of Borrowers as set forth in the Existing Financing Agreements (as defined in the Loan Agreement) as in effect immediately before the commencement of the Chapter 11 Cases; and

WHEREAS, before the commencement of the Chapter 11 Cases, in order to induce Secured Party to enter into the Existing Financing Agreements, Debtor granted a lien on all the existing Trademarks of Debtor pursuant to the Trademark Security Agreement, dated as of May 15, 1997, between Debtor and Secured Party, recorded with the United States Patent and Trademark Office on May 23, 1997 at Reel 1590, Frame 0331, as heretofore amended and as in effect immediately before the Effective Date (as defined in the Loan Agreement) (the "Existing Trademark Security Agreement"); and

WHEREAS, Borrowers thereafter requested Secured Party to provide a post-petition revolving credit facility and the Bankruptcy Court (as defined in the Loan Agreement) entered the Final Financing Order (as defined in the Loan Agreement) pursuant to which Lender made post-petition loans and advances, and extended other financial accommodations to Borrowers

secured by all assets and properties of Borrowers as set forth in the Final Financing Order and the Existing Financing Agreements; and

WHEREAS, Borrowers have requested that Lender enter into certain post-Effective Date financing arrangements with Borrowers upon the occurrence of the Effective Date pursuant to which Lender may make loans and provide other financial accommodations to Borrowers as set forth in the Amended and Restated Loan and Security Agreement, dated as of the date hereof, by and among Secured Party, Debtor and the other Borrowers (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement") and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, this Agreement (all of the foregoing, together with the Loan Agreement, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the "Financing Agreements"); and

WHEREAS, in order to induce Secured Party to enter into the Loan Agreement and the other Financing Agreements and to make loans and advances and provide other financial accommodations to Debtor pursuant thereto, Debtor has agreed to grant to Secured Party, and to confirm its prior grant to Secured Party of, certain collateral security as set forth herein;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party, and hereby confirms its prior grant to secured party of, a continuing security interest in and a general lien upon the following (being collectively referred to herein as the "Collateral"): (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of Debtor's trademarks, service marks, tradenames and trade dress and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, service marks, tradenames, trade dress and applications described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any trademarks, service marks, tradenames, trade dress and all renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); and (ii) all prints and labels on which such trademarks, service marks, tradenames and trade dress appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the

Trademarks; (c) all income, fees, royalties and other payments at any time due or payable with respect to the Trademarks, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements of the Trademarks; and (e) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by Debtor against third parties for past or future infringement of the Trademarks.

2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Debtor to Secured Party and/or its affiliates, including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under the Existing Trademark Security Agreement, this Agreement, the Loan Agreement, the other Financing Agreements or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Loan Agreement or after the commencement of any case with respect to Debtor under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Secured Party (all of the foregoing being collectively referred to herein as the "Obligations").

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Debtor hereby represents, warrants and covenants with and to Secured Party the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Trademarks indicated on Exhibit A as being registered in the United States or Canada are valid and subsisting and in full force and effect. Debtor owns the sole, full and, except as provided below in this Section 3(b), clear title to all of the existing Collateral, and the right and power to grant the security interest granted hereunder. Except as described in Section 3(n) hereof, Debtor shall, at Debtor's expense, (x) perform all acts and execute all documents necessary to maintain the existence of the Collateral consisting of registered Trademarks as registered trademarks or service marks, as the case may be, and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any affidavits of use, renewal affidavits and applications and (y) Debtor shall provide Secured Party with written confirmation that the necessary filings to maintain the existence, validity and subsistence of this Collateral have been made prior to the time that the

filings are due. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except (i) the security interests granted hereunder, pursuant to the Existing Trademark Security Agreement and pursuant to the Loan Agreement, (ii) the security interests permitted under the Loan Agreement, and (iii) the licenses permitted under Section 3(e) hereof.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the Loan Agreement. Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform all acts in the United States and Canada and execute all documents requested at any time by Secured Party to evidence, perfect, maintain, record or enforce the security interest in the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(e) As of the date hereof, Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder.

(g) Secured Party may, in its discretion, pay any amount or do any act which Debtor fails to pay or do as required hereunder or as requested by Secured Party to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and collateral assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, reasonable attorneys' fees and legal expenses. Debtor shall be liable to Secured Party for any such payment, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with interest at the rate then

applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

(h) Within ten (10) days after filing, Debtor shall provide notice to Secured Party of the filing of any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States. If, after the date hereof, Debtor shall (i) obtain any registered trademark, service mark or tradename, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration used in the United States or any State thereof, political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Debtor shall promptly execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be requested by Secured Party to evidence the security interest in such Trademark in favor of Secured Party.

(i) Debtor has not abandoned any of the Trademarks and Debtor will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable, except upon Debtor's compliance with, and in the absence of Lender's objection pursuant to Section 3(n) hereof as to the affected Trademarks. Debtor shall notify Secured Party immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable. As of the date hereof, Debtor represents to Secured Party that there are Persons other than Debtor and Pacific Trail that own trademark and/or service mark applications and/or registrations for trademarks or common law rights to trademarks in countries other than the United States and Canada that may be identical to and/or confusingly similar to, certain of the Trademarks and which may infringe on the rights of Debtor to use such Trademarks in such countries but not in the United States and Canada. Debtor represents and warrants that the foregoing set of facts and circumstances do not impair the ability of Debtor to use and enjoy the benefits of any Trademarks in the United States and Canada and would have a de minimus impact, if any, on the fair market value of the Collateral. As of the date hereof, Debtor also represents to Secured Party that Debtor is not currently using certain Trademarks in countries other than the United States and Canada and that Debtor's trademark applications and/or registrations in respect of such Trademarks may be cancelled, invalidated, avoided or avoidable solely for such non-use. Debtor represents and warrants that the cancellation, invalidation or avoidance of such trademark applications and/or registrations would have a de minimus impact, if any, on the fair market value of the Collateral. The representations and warranties contained in this Section 3(i) shall not in any manner be deemed to constitute notice by Debtor pursuant to Section 3(n) hereof.

(j) Except as to registered Trademarks with respect to which Debtor has complied with Section 3(n) hereof and Lender has failed to object in accordance with Section 3(n) hereof, Debtor shall render any assistance, as Secured Party shall determine is necessary, to Secured

Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or, in Secured Party's good faith judgment, in any other country, to maintain such application and registration of the Trademarks as Debtor's exclusive property and to protect Secured Party's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition and cancellation proceedings. As of the date hereof, Debtor represents to Secured Party that there are Persons other than Debtor and Pacific Trail that own trademark and/or service mark applications and/or registrations for trademarks or common law rights to trademarks in countries other than the United States and Canada that may be identical to and/or confusingly similar to, certain of the Trademarks and which may infringe on the rights of Debtor to use such Trademarks in such countries but not in the United States and Canada. Debtor represents and warrants that the foregoing set of facts and circumstances do not impair the ability of Debtor to use and enjoy the benefits of any Trademarks in the United States and Canada and would have a de minimus impact, if any, on the fair market value of the Collateral. As of the date hereof, Debtor also represents to Secured Party that Debtor is not currently using certain Trademarks in countries other than the United States and Canada and that Debtor's trademark applications and/or registrations in respect of such Trademarks may be cancelled, invalidated, avoided or avoidable solely for such non-use. Debtor represents and warrants that the cancellation, invalidation or avoidance of such trademark applications and/or registrations would have a de minimus impact, if any, on the fair market value of the Collateral. The representations and warranties contained in this Section 3(j) shall not in any manner be deemed to constitute notice by Debtor pursuant to Section 3(n) hereof.

(k) To the best of Debtor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Secured Party, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured Party hereunder. Debtor shall promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by Secured Party, Debtor, at Debtor's expense, shall join with Secured Party in such action as Secured Party, in Secured Party's discretion, may deem advisable in its good faith judgment for the protection of Secured Party's interest in and to the Trademarks. So long as no Event of Default exists or has occurred and is continuing, Debtor may, subject to the terms and conditions of this Agreement and the other Financing Agreements, take such action at its sole cost and expense to halt the infringement of any of the Trademarks. Without limiting the other representations or warranties contained in this Section 3(k), as of the date hereof, Debtor hereby represents to Secured Party that Debtor is not currently using certain Trademarks in countries other than the United States and Canada and that Debtor's trademark applications and/or registrations in respect of such Trademarks may be cancelled, invalidated, avoided or avoidable solely for such non-use. Debtor represents and warrants that the cancellation, invalidation or avoidance of such trademark applications and/or registrations would have a de minimus impact, if any, on the fair market value of the Collateral. The representations and

warranties contained in this Section 3(k) shall not in any manner be deemed to constitute notice by Debtor pursuant to Section 3(n) hereof.

(l) Debtor assumes all responsibility and liability arising from the use of the Trademarks and Debtor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Loan Agreement.

(m) Debtor shall promptly pay Secured Party for any and all expenditures made by Secured Party pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

(n) If Debtor has ceased using and wishes to abandon any registered Trademarks or, in the case of any Trademarks registered in any country other than the United States or Canada, if Debtor determines that it would not be in the best interests of Debtor to comply with the use requirements of the trademark law of such country and wishes not to take such action to use such Trademark in such country, Debtor shall notify Secured Party of such intention, in writing, at least ten (10) business days prior to Debtor's failure to take any action otherwise required under Section 3(b) hereof, and if Secured Party has not objected to Debtor's intentions within five (5) business days after Secured Party's receipt of the notice by Debtor, Debtor shall be relieved of its Obligations under Section 3(b) hereof as to the registered Trademarks covered by its notice to Secured Party under this provision.

4. EVENTS OF DEFAULT

All Obligations shall become immediately due and payable, without notice or demand, at the option of Secured Party, upon the occurrence of any Event of Default, as such term is defined in the Loan Agreement (each an "Event of Default" hereunder).

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party, whether provided under this Agreement, the Loan Agreement, the other Financing Agreements, applicable law or otherwise, Secured Party shall

have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary or affiliate of Debtor or for such other reason as Secured Party may determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its commercially reasonable discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and reasonable attorneys' fees and legal expenses. Debtor agrees that Secured Party has no obligation to preserve rights to the Trademarks against any other parties.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to Secured Party for any of the Obligations remaining unpaid after the

application of such proceeds, and Debtor shall pay Secured Party on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement.

(f) Debtor shall supply to Secured Party or to Secured Party's designee, Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Agreements and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York (without giving effect to principles of conflicts of laws.)

(b) Debtor and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York in New York County and the United States District Court for the Southern District of New York and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Agreements or in any way connected or related or incidental to the dealings of Debtor and Secured Party in respect of this Agreement or the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Debtor in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Debtor shall appear in answer to such process, failing which

Debtor shall be deemed in default and judgment may be entered by Secured Party against Debtor for the amount of the claim and other relief requested.

(d) DEBTOR AND SECURED PARTY EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTOR AND SECURED PARTY IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. DEBTOR AND SECURED PARTY EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTOR AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Secured Party shall not have any liability to Debtor (whether in tort, contract, equity or otherwise) for losses suffered by Debtor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment binding on Secured Party that the losses were the result of acts or omissions of Secured Party constituting gross negligence or willful misconduct. In any such litigation, Secured Party shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Financing Agreements.

7. ACKNOWLEDGMENT AND RESTATEMENT

(a) Debtor hereby acknowledges, confirms and agrees that Debtor is indebted to Secured Party in respect of the Pre-Effective Date Obligations (as defined in the Loan Agreement) for loans, advances and letter of credit accommodations to Debtor and the other Borrowers under the Existing Trademark Security Agreement and the other Existing Financing Agreements, together with all interest accrued and accruing thereon (to the extent applicable), and all fees, costs, expenses and other charges relating thereto, all of which are unconditionally owing by Debtor and the other Borrowers to Secured Party without offset, defense, or counterclaim of any kind, nature or description whatsoever. Debtor hereby ratifies, assents, adopts and agrees to pay all of the Pre-Effective Date Obligations.

(b) Debtor hereby acknowledges, confirms and agrees that Secured Party has and shall continue to have valid, enforceable and perfected first priority security interests in and liens

(c) Debtor hereby acknowledges, confirms and agrees that:

(i) the Existing Trademark Security Agreement has been duly executed and delivered by Debtor and is in full force and effect as of the date hereof;

(ii) the agreements and obligations of Debtor contained in the Existing Trademark Security Agreement constitute legal, valid and binding obligations of the Debtor enforceable against it in accordance with the terms thereof, and Debtor has no valid defense, offset or counterclaim to the enforcement of such obligations; and

(iii) Secured Party is entitled to all of the rights, remedies and benefits provided for in the Existing Trademark Security Agreement.

(d) Except as otherwise stated in Section 7(b) hereof and in this Section 7(d) of this Agreement, as of the date hereof, the terms, conditions, agreements, covenants, representations and warranties set forth in the Existing Trademark Security Agreement are hereby amended and restated in their entirety, and as so amended and restated, replaced and superseded, by the terms, conditions agreements, covenants, representations and warranties set forth in this Agreement, except that nothing herein shall impair or adversely affect the continuation of the liability of Debtor for the obligation heretofore owed to Secured Party or the security interests and liens heretofore granted, pledged and/or assigned to Secured Party heretofore owed to Secured Party. The amendment and restatement contained herein shall not, in any manner, be construed to constitute payment of, or impair, limit, cancel or extinguish, or constitute a novation in respect of, the indebtedness and other obligations and liabilities of Debtor evidenced by or arising under the Existing Trademark Security Agreement and any of the other Existing Financing Agreements, and the liens and security interests securing such indebtedness and other obligations and liabilities shall not in any manner be impaired, limited, terminated, waived or released.

Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by Secured Party of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which Secured Party would otherwise have on any future occasion, whether similar in kind or otherwise.
