ASSIGNMENT OF ALL INTELLECTUAL PROPERTY RIGHTS

Effective this 2nd day of December, 1997.

WHEREAS, Oreck Corporation, a corporation organized under the laws of the State of Delaware, USA, having a business address of 100 Plantation Road, New Orleans, Louisiana 70123 (herein the Assignor) is the owner of intellectual property rights relating to its business of the design, manufacture, promotion, distribution, sale, maintenance and repair of vacuum cleaners, floor polishing/shampooing machines, extractors/carpet cleaners, air filters, water filters, and other cleaning and environmental products including parts and accessories therefor; its business of the development, manufacture, packaging, promotion, distribution and sale of chemical products, including without limitation its floor care, cleaning, disinfecting, polishing, odor control, and air freshener products; and its business of licensing its intellectual property rights to others;

WHEREAS, Oreck Holdings, LLC, a limited liability corporation organized under the laws of the State of Delaware, USA, having a business address of 100 Plantation Road, New Orleans, Louisiana 70123 is interested in acquiring all of the intellectual property rights of Assignor;

NOW, THEREFORE, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to the Assignee all right, title and interest in and to all intellectual property rights relating to its products and services and its business for the United States, its territories, and possessions, and throughout the world, including the right to sue for past infringement thereof; including, without limitation:

A. All inventions; all patent rights; all patent applications, including any and all divisions, continuations, and substitutions of such applications including all patent applications listed on the attachment hereto entitled "Patent and Design Rights;" the right to claim priority on such applications by virtue of the International Convention for the Protection of Industrial Property; and all patents, including any and all reissues, renewals, extensions and confirmations of such patents, including all patents listed on the attachment hereto entitled "Patent and Design Rights."

B. All design rights; all design applications including any and all divisions, continuations, and substitutions of such applications including all design applications listed on the attachment hereto entitled "Patent and Design Rights;" the right to claim priority on such applications by virtue of the International Convention for the Protection of Industrial Property; and all design patents, all design registrations, all utility models, and all reissues, renewals, extensions and confirmations thereof, including all design patents, design registrations and utility models listed on the attachment hereto entitled "Patent and Design Rights."

C. All trade secrets and all know-how associated with Assignor's products, services and its business.

D. All trademark and trade dress rights whether acquired by use, registration or otherwise; all trademarks; all trade dress associated with its products and product packaging; all trademark applications, including all trademark applications listed on the attachment hereto entitled "Trademarks;" the right to claim priority on such applications by virtue of the International Convention for the Protection of Industrial Property; all trademark registrations, including all trademark registrations listed on the attachment hereto entitled "Trademarks;" together with the goodwill of the business associated with such trademarks and trade dress.

E. All trade name rights whether acquired by use, registration or otherwise; and all trade names, together with the goodwill of the business associated with such trade names.

F. All copyright interests and all copyright registrations.

Assignor further agrees to carry out in good faith the intent and purpose of this assignment and to execute such further assignment documents and related documents, as may be reasonably requested by Assignee to evidence any or all of the assignments herein made and to record Assignee as the owner of the rights herein assigned including, without limitation, authorizations to record documents relating to title, powers of attorney, appointments of local representative, certificates of nationality, documents relating to corporate capacity, documents relating to signatory authority, documents relating to the authority to make the herein described assignment; the powers of attorney and authorizations for recordation of any change of name or merger involving Assignor or its predecessors.

Without diminishing the right to have documents executed by Assignor, Assignor hereby grants to Assignee an irrevocable, good and sufficient power of attorney to execute on behalf of Assignor such documents as Assignee may reasonably require to evidence any or all of the assignments herein made and to record Assignee as the owner of the rights herein assigned, including, without limitation, assignment documents identifying specific intellectual property rights herein assigned, including the patent applications, patents, design applications, design patents, trademark applications and trademark registrations set forth on the attachments hereto.

Assignor hereby further authorizes any official of any country whose duty it is to record assignments relating to patent applications, patents, design applications, design patents, design registrations, utility models, trademark applications, trademark registrations, and trademark renewals and title thereto, to record such intellectual property rights herein assigned as the property of the Assignee.

Without diminishing the right to have documents executed by Assignor, Assignor hereby further grants to Assignee a special and sufficient power of attorney to ask on Assignor's

behalf for the annulment, cancellation, and/or withdrawal of any trademark application, including any registration issuing thereon, and any trademark registration, including renewals thereof, herein assigned.

Assignor agrees to cooperate, at Assignee's expense, by providing such assistance and documents and things as Assignee may reasonably request in connection with the filing and prosecution of any applications relating to the intellectual property rights herein assigned and maintaining, enforcing, and defending any rights in the intellectual property rights herein assigned.
