TRADEMARK ASSIGNMENT

THIS ASSIGNMENT is effective March 1, 2001 ("Effective Date"), from Crown Paper Co., a Virginia Corporation ("Assignor") to Royal Blue Papers, Inc., a Delaware Corporation, ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to certain United States trademarks;

WHEREAS, pursuant to the Amended and Restated Asset Purchase Agreement dated as of March 1, 2001, between Assignor, Assignee and Royal Blue Holdings LLC, a Delaware Limited Liability Company ("Purchase Agreement"), Assignor agreed to assign to Assignee the entirety of Assignor's right, title and interest in and to the Trademarks (as defined below); and

NOW, THEREFORE, for good and valuable consideration (including that recited in the Purchase Agreement), the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, transfer and convey to Assignee and its successors, assigns and nominees forever, without any restrictions, reservations or limitations, Assignor's entire right, title and interest in and to the following:

1. The trademarks and trademark applications listed on Schedule A attached hereto, together with the goodwill of Assignor's business relating thereto and/or symbolized thereby (the entirety of the above, collectively hereinafter as the "Trademarks");
2. Any and all other rights, privileges and priorities of Assignor provided under United States, state or foreign law with respect to the foregoing Trademarks, including, without limitation, common-law rights, and rights under the laws of unfair competition ("Related Rights");
3. Any and all rights of Assignor to sue at law or in equity for any infringement, unlawful imitation, impairment, distortion, dilution or other unauthorized use or conduct in derogation of the Trademarks and Related Rights occurring prior to the Effective Date, including the right to receive all proceeds and damages therefrom; and
4. Any and all rights to obtain renewals of registrations or other legal protections pertaining to the Trademarks and Related Rights.

Assignee, its successors and assigns, shall hold the rights to the foregoing for and during the existence of such Trademarks and Related Rights, and all renewals thereof, as fully and as entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor shall, without further consideration, comply with a reasonable request by Assignee, at Assignee's sole cost and expense, to execute promptly any additional documents and to take promptly any further action necessary to protect, secure and vest good, valid and marketable title to the Trademarks and Related Rights in Assignee and to record this Assignment with all appropriate authorities.

This Assignment may be executed in any number of counterparts and all counterparts so executed shall together constitute one and the same agreement, binding on and enforceable against the parties hereto.

IN WITNESS WHEREOF, the undersigned has caused this Assignment to be duly executed and delivered as of the date first above written.
