**ASSIGNMENT AGREEMENT**

**BY AND BETWEEN**

**DALLOZ SAFETY, INC.**

**AND**

**DALLOZ INVESTMENT, INC.**

This ASSIGNMENT AGREEMENT (this "Agreement") is made and entered into as of this 1st day of January, 2000, between DALLOZ SAFETY, INC., a Delaware corporation with principal offices located at 2nd & Washington Streets, Reading, Pennsylvania 19603 ("Assignor"), and DALLOZ INVESTMENT, INC., a Delaware corporation with its principal office located at 300 Delaware Avenue, Suite 900, Wilmington, Delaware 19801 ("Assignee").

**BACKGROUND**

Assignee is an investment management and patent and trademark holding company organized under the applicable laws of Delaware. Assignor owns One Thousand (1,000) shares of the common stock of Assignee, constituting One Hundred Percent (100%) of the issued and outstanding shares of the common stock of Assignee. Assignor owns certain letters patent, patent registration certificates and patent applications, which are more particularly identified on Schedule 1 hereto (the "Patents"), and certain trademarks and tradenames, trademark registration certificates and trademark applications which are more particularly identified on Schedule 2 hereto (the "Trademarks"). Assignor desires to contribute and assign to Assignee all of Assignor's ownership, right, title and interest in and to the Patents and the Trademarks, including, without limitation, all goodwill of the business symbolized thereby, and all registrations and pending registrations associated therewith.

Assignee desires to accept such contribution and assignment from Assignor.

## AGREEMENT

In consideration of the mutual promises and covenants made herein and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1.     Assignment of Patents and Trademarks.     Assignor hereby contributes, assigns, transfers and conveys to Assignee all of Assignor's worldwide ownership right, title and interest, including without limitation all common law rights, in and to the Patents and the Trademarks, including, without limitation, all goodwill of the business symbolized thereby, all registrations, all applications for registration, and all pending registrations associated therewith, including without limitation the property as more particularly described on Schedules 1 and 2 attached hereto.

2.     Assignment of Reissues or Extensions.     In addition to the assignment of the Patents and Trademarks throughout the world and the underlying inventions and goodwill, Assignor contributes, assigns, transfers and conveys to Assignee all of its right, title, and interest in and to any reissues, divisions, continuations, continuations-in-part, or extensions thereof. This contribution and assignment also includes the right to apply for patents, inventor certificates and registrations in respect thereof and to claim priority in and to the underlying inventions pursuant to rights accorded to Assignor under the terms of the Paris International Convention and all other available international conventions and treaties; and the entire right, title and interest in any to any and all patents, patents of addition, utility models, patents of importation, revalidation patents, inventor certificates, certificates of registration and applications for trademarks which may be granted throughout the world with respect of said inventions and trademarks.

3. Assignment of Causes for Past Infringements. There is included in the contributions and assignments set out in Paragraphs 1 and 2 the right to bring suit in any court of competent jurisdiction to recover damages and profits for any past infringement of the Patents and Trademarks.

4. Acceptance of Assignment. Assignee hereby accepts the contributions assignments described in Paragraph 1 and 2 and assumes all liabilities and obligations in connection with such assignment.

5. Further Action by Assignor. Assignor hereby agrees to take whatever further action is deemed necessary or appropriate by Assignee to properly and completely effectuate the transfer of the Patents and the Trademarks to Assignee and to establish full custody of such Patents and Trademarks by Assignee. The parties acknowledge the possible need or appropriateness in certain registration offices for separate assignments relating solely to the specific Patents or the specific Trademarks on record in such registration offices. Accordingly, without limitation, Assignor agrees to execute assignments substantially in the respective forms attached hereto as Exhibit A and Exhibit B, or in such other reasonable or customary form, upon request of Assignee, in connection with separate assignments of individual Patents or individual Trademarks.

6. Representations and Warranties of Assignor. Assignor represents and warrants to Assignee that:

6.1 Assignor is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware.

6.2 Assignor has full corporate authority to execute this Agreement, and this Agreement and the terms and conditions hereof have been duly authorized by all

requisite corporate authority and will not result in a violation of any of the provisions of Assignor's corporate charter, bylaws or any agreement to which Assignor may be a party.

6.3 Assignor has not and will not convey, sell, transfer or pledge the Patents and Trademarks and that title to the Patents and Trademarks have not been wholly or partially transferred by the Assignor for the purpose of sale, security, or otherwise. The Assignor further warrants that no person, firm, corporation, or other entity, except the Assignee, has to date acquired any lien, right, title or claim to all or any part of the Patents and Trademarks.

7. Representations and Warranties of Assignee. Assignee represents and warrants to Assignor that:

7.1 Assignee is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware.

7.2 Assignee has full corporate authority to execute this Agreement, and this Agreement and the terms and conditions hereof have been duly authorized by all requisite corporate authority and will not result in a violation of any of the provisions of Assignee's corporate charter, bylaws or any agreement to which Assignee may be a party.

8. Indemnification by Assignor. Assignor shall indemnify and hold harmless Assignee, its successors and assigns, at all times after the date of this Agreement, against:

8.1 Any and all damages or deficiencies resulting from any misrepresentation or breach of warranty, or from any other misrepresentation in or omission from any certificate or other instrument furnished or to be furnished to Assignee pursuant to this Agreement.

8.2 Any loss, damage, liability or expense resulting from, or arising out of any claim by any customer of Assignor relating to any act or omission by Assignor in connection with any services rendered by Assignor prior to this Agreement, under any of the Patents and Trademarks.

8.3 All actions, suits, proceedings, demands, assessments, judgments, costs and expenses, including attorney's fees, incident to any of the foregoing.

8.4 Assignor shall hold Assignee harmless for any damage, loss, or expense incurred by Assignee at any time after the execution of this Agreement with respect to any of the foregoing indemnities.

9. Authorization. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all United States Letters of Patent and Certificates of Registration assigned by this Agreement to Assignee, as the Assignee of the entire rights, titles and interests in and to the same, for Assignee's sole use and benefit; and for the use and benefit of Assignee's successors and assigns, to the full end of the term for which such Letters Patent and Certificates of Registration may be granted, as full and entirely as the same would have been held by Assignor had this assignment not been made. Assignor authorizes Assignee, or its legal representatives, to insert or complete any documents or forms needed to effect recordation or perfect Assignee's rights in the U.S. Patent and Trademark Office.

10. Breach of Agreement. If either party breaches a term of this Agreement, the other party shall notify such party in writing of such breach and such party shall have thirty (30) days after the date of its receipt of such notice within which to cure its breach. If such breach is not cured within said thirty (30) day period, the other party may, at its option, sue to enjoin such breach, sue for damages resulting from such breach, terminate this Agreement, or

exercise all such remedies. In the event that such suit is instituted, the breaching party shall be obligated to reimburse the nonbreaching party for its reasonable attorney's fees and court costs incurred. The provisions of this Section 10 are in addition to and not in limitation of those rights, remedies and duties provided elsewhere in this Agreement and by law.

11. Additional Documents. Assignor agrees to execute any and all other documents which are, in the opinion of the Assignee or its counsel, necessary to carry out the terms and conditions of this Agreement to the fullest extent the Assignor may do so without violating or being in default under any applicable law or under any other agreement to which the Assignor is a party.

12. Miscellaneous.

12.1 Severability. Should any part or provision of this Agreement be held unenforceable or in conflict with the law of any jurisdiction, the validity of the remaining parts or provisions will not be affected by such holding.

12.2 Applicable Law. The validity and effect of this Agreement is governed by and construed in accordance with the laws of the State of Delaware without regard to its conflict of laws principles.

12.3 Notice. Whenever this Agreement permits or requires that notice be given, such notice must be in writing and is deemed given when actually received or five (5) days after having been deposited in the United States Mail, registered or certified, return receipt requested, postage prepaid, and addressed:

If to Assignor, to:

Dalloz Safety, Inc.  
2<sup>nd</sup> & Washington Streets  
Reading, Pennsylvania 19603  
Attn: President

If to Assignee, to:

Dalloz Investment, Inc.  
300 Delaware Avenue  
Suite 900  
Wilmington, Delaware 19801  
Attn: President

or to such other address as either party shall designate in a notice to the other given as provided herein.

12.4 Successors. All the provisions hereof bind and inure to the benefit of Assignee, its successors, assigns, and representatives.

12.5 Terms of Assignment. The attached Letters of Patent and Certificates of Registration and other rights assigned by this Agreement are for the use and exploitation of Assignee, its successors and assigns, to the end of the term for which the Patents and Trademarks are granted or for which any reissues, divisions, continuations, continuations-in-part or extensions of the Patents and Trademarks are granted.

12.6 Headings. Paragraph headings included in this Agreement are for convenience only and are not to affect the interpretation of, or be taken into consideration in interpreting this Agreement.

12.7 Incorporation of Schedules. The attached Schedule 1 and 2 are expressly made part of this Agreement, is incorporated by reference, and shall be given the same force and effect as if said Schedules was included within the body of this Agreement.

12.8 Waiver; Modification. No change or modification of this Agreement will be valid or binding on the parties, nor will any waiver of any term or condition be deemed a waiver of any such term or condition in the future, unless such change or modification or waiver is in writing and signed by the parties.

12.9 Entire Agreement. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior negotiations, representations or agreements, whether written or oral.

Column 7: The identification of class normally means international class; the national class is used when the international classification system does not apply.

Column 9: Notifications of Reading or Lakeland means that the subject issue is handled directly from the U.S. and not from Billesholm. Please note
