## CORPORATION AGREEMENT

THIS AGREEMENT is made and entered into as of the 9th day of April, 1987 between P.H. GLATFELTER COMPANY, a Pennsylvania corporation (the "Purchaser"), and ECUSTA CORPORATION, a Delaware corporation (the "Corporation").

WHEREAS, the holders (individually, the "Shareholder" and collectively, the "Shareholders") of all the issued and outstanding capital stock of the Corporation (the "Stock"), are simultaneously with the execution hereof entering into a Stock Purchase Agreement providing for the sale of the Stock to the Purchaser, and

WHEREAS, the Corporation desires that the Purchaser purchase and the Shareholders sell the Stock, and

WHEREAS, the Corporation desires to enter into this Agreement in order to induce the Purchaser to purchase the Stock from the Shareholders.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows:

1. Definitions

For purposes of this Agreement, the following defined terms shall have the meanings set forth in this Article. The Article and Section numbers and Schedule references used herein refer to Articles and Sections of this Agreement and Schedules annexed hereto unless otherwise specifically described.

1.01 "Associate" means any agent or business partner of a Shareholder, any member of the immediate family of a Shareholder, or any corporation, partnership, firm, association or business organization, entity or enterprise which directly or indirectly controls, is controlled by, or is under common control with, a Shareholder or an agent, business partner or member of the immediate family of a Shareholder, alone or with others.

1.02 "Balance Sheet" means the consolidated balance sheet of the Corporation as of July 31, 1986 referred to in Section 3.08.

1.03 "Balance Sheet Date" means July 31, 1986.

1.04 "Closing" shall have the meaning ascribed to such term in the Stock Purchase Agreement.

1.05 "Code" means the Internal Revenue Code of 1986, as amended.

1.06 "Corporation" means Ecusta Corporation, a Delaware corporation.

1.07 "Financial Statements" shall have the meaning ascribed to such term in Section 3.08.

Ecusta → PHG

Corporation and its Subsidiaries are carried reflect the customary inventory valuation policy of the Corporation and its subsidiaries, consistently applied, of stating inventory at the lower of cost or market, and such valuation policy is in accordance with generally accepted accounting principles.

3.21 Accounts Receivable. All notes and accounts receivable of the Corporation and its Subsidiaries have arisen in the ordinary course of business and are collectible under their respective terms and conditions in the aggregate recorded amounts thereof less (a) with respect to notes and accounts receivable shown on the January 31 Statements, the applicable reserves in respect thereof shown thereon, and (b) with respect to notes and accounts receivable acquired subsequent to January 31, 1987, the applicable reserves set up on its books in respect thereof, which reserves are not in excess of an amount in the same proportion to the notes and accounts receivable acquired by it subsequent to January 31, 1987 as the applicable reserves shown on the January 31 Statements bear to the aggregate recorded amounts of the notes and accounts receivable shown on the January 31 Statements. No counterclaims or offsetting claims with respect to such accounts receivable are pending or, to the best of the Corporation's knowledge, threatened.

3.22 Patents, Trademarks and Related Contracts. The Corporation and its Subsidiaries in their own name or as assignee own, or are licensed to use, all patents and copyrights and all trade names, trademarks, technology, service marks, inventions,

processes, know-how, formulae, designs, trade secrets, proprietary or confidential information (collectively, the "Proprietary Names") now used by them or the use of which is necessary for the conduct of their businesses as now conducted and, except as specifically set forth in Schedule 3.22(A), no other party has any right or claim thereto and neither the Corporation nor any of its Subsidiaries is required to pay any royalty thereunder. Schedule 3.22(A) sets forth a list of all U.S. and foreign patents, patent registrations and applications, copyrights, trade names, trademarks, service marks, inventions, processes, know-how, formulae, designs, trade secrets, and proprietary or confidential information owned by the Corporation and its Subsidiaries, and true and correct copies of all such property which exists in writing have been furnished to the Purchaser. To the extent such property is not described or contained in writing, the Corporation has provided the Purchaser with accurate descriptions thereof. No director, officer or employee of the Corporation or any of its Subsidiaries owns, directly or indirectly, in whole or in part, any such patents, copyrights or Proprietary Names. The Corporation and its Subsidiaries have protected by way of service mark or trade name or application or registration therefor, trademark, trademark registration or application, copyright, copyright registration or application, patent, patent application or registration or otherwise, the names or designs set forth in Schedule 3.22(A) hereto except as specifically set forth in Schedule 3.22(A).

TRADEMARK  
REEL: 002338 FRAME: 0476

Except as specifically set forth in Schedule 3.22(B), the Corporation and its Subsidiaries are not licensors in respect of any service mark or trade name or registration or application therefor, trademark, trademark registration or application, copyright, copyright registration or application, patent, patent registration or application comprising part of the businesses of the Corporation or its Subsidiaries.

No infringement of any U.S. or foreign patent or patent right, copyright or Proprietary Name has occurred or results from or is in any way involved in connection with the operations of the Corporation and its Subsidiaries, by the use by the Corporation and its Subsidiaries of their equipment or manufacturing processes, the manufacture, performance, sale and/or use by the Corporation and its Subsidiaries of their products and services, the receipt or use of the Corporation's and each Subsidiary's products and services by its customers for the purposes for which sold, the labelling and sale by the Corporation and its Subsidiaries of its products, the promotion and advertising by the Corporation and its Subsidiaries of their products and services or any publication of the Corporation and its Subsidiaries. No claim or, to the best of the Corporation's knowledge, threat of patent, copyright or Proprietary Name infringement has been made in respect of any of the foregoing matters and neither the Corporation, any of its Subsidiaries nor any Shareholder is aware of the existence of any copyright, Proprietary Name, patent or patent application anywhere which

poses or may pose an infringement question or issue in any such regard. Neither the Corporation nor any of its Subsidiaries nor any Shareholder has any information or other reason to know or suspect that any of the patents, copyrights or Proprietary Names listed in Schedule 3.22(A) have been, are being, or will be infringed by others. All of the agreements, commitments, contracts, understandings, licenses, assignments, indemnities and the like listed or described in Schedule 3.22(A) and 3.22(B) are legally valid and binding and in full force and effect, and there are no defaults thereunder. None of the rights of the Corporation or any Subsidiary thereunder will be impaired by the consummation of the transactions contemplated by this Agreement, and all of the rights of the Corporation and the Subsidiaries thereunder will be enforceable by such Corporation or Subsidiary after the Closing without the consent or agreement of any other party except consents and agreements specifically listed in Schedule 3.22(A).

3.23 Industry Developments. Except as specifically set forth in Schedule 3.23, to the best of the Corporation's knowledge there are no new developments in any business conducted by the Corporation or any Subsidiary, nor any new or improved materials, products, processes or services useful in connection with the business, as presently conducted, of the Corporation or any Subsidiary or its customers or suppliers, which may adversely affect the properties, assets, operation, financial condition, business or prospects of the Corporation or such Subsidiary.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the date first above written.
