TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of July 17, 2001, is made between LYNCHBURG FOUNDRY COMPANY, a Virginia corporation (the "Grantor"), and THE BANK OF NOVA SCOTIA, as collateral agent (together with its successor(s) thereto in such capacity, the "Collateral Agent") for each of the Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the First Amended and Restated Term Loan Agreement, dated as of July 17, 2001 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Term Loan Agreement"), among the Borrower, the "Lenders" thereunder, SunTrust Bank, as the Documentation Agent, Bank One, Michigan, as the Syndication Agent and Scotia Capital, as the administrative and collateral agent, such Lenders and the Borrower have agreed to refinance a portion of the outstanding term loans made by such Lenders to the Borrower;

WHEREAS, pursuant to the Fourth Amendment dated as of July 17, 2001 (the "Revolving Credit Amendment") to the Five-Year Credit Agreement dated as of November 5, 1999, as amended (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Revolving Credit Agreement"), among the Borrower, the "Lenders" thereunder, Scotia Capital, as administrative and collateral agent, and the other agents thereunder, such Lenders and the Borrower have agreed to refinance the outstanding revolving loans, swingline loans, letters of credit and available credit thereunder extended by such Lenders to the Borrower;

WHEREAS, in connection with the Term Loan Agreement and the Revolving Credit Amendment, the Grantor has executed and delivered a Pledge and Security Agreement, dated as of July 17, 2001 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to clause (e) of Section 4.5 of the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Collateral Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Secured Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges, hypothecates, charges, mortgages and collaterally assigns to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, and hereby grants to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of the Grantor's right, title and interest in and to the following property, whether now or hereafter existing or acquired by the Grantor (the "Trademark Collateral"):

(a) all of its trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired including those referred to in Item A of Schedule 1 attached hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as the "Trademark");

(b) all Trademark licenses for the grant by or to the Grantor of any right to use any Trademark, including each Trademark license referred to in Item B of Schedule 1 attached hereto; and

(c) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license.

Notwithstanding the foregoing, "Trademark Collateral" shall not include any general intangibles or other rights arising under any contracts, instruments, licenses or other documents relating to any of the foregoing Trademark Collateral as to which the grant of a security interest would (i) constitute a violation of a valid and enforceable restriction in favor of a third party on such grant, unless and until any required consents shall have been obtained or (ii) give any other party to such contract, instrument, license or other document the right to terminate its obligations thereunder unless and until any required consents shall have been obtained.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Collateral Agent in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. Upon (i) a Permitted Asset Sale of Trademark Collateral and (ii) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (A) such terminated Trademark Collateral (in the case of clause (i)) or (B) all terminated Trademark Collateral (in the case of clause (ii)). Upon any such termination, the Collateral Agent will, at the Grantor's sole expense, deliver to the Grantor, without any representations, warranties or recourse of any kind whatsoever, all terminated Trademark Collateral held by the Collateral Agent hereunder, and execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Credit Document. This Agreement is a "Credit Document" executed pursuant to the Term Loan Agreement and the Revolving Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Articles X thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
