INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT

08-06-2001

U.S. Patent & TMO/TM Mail Rept Dt #26

THIS ASSIGNMENT (the "Assignment") is made and entered into this 27th day of May, 2001, by Triton Systems, Inc., a Massachusetts corporation ("Assignor"), and TriBond, Inc., a Delaware corporation ("Assignee").

W I T N E S S E T H :

WHEREAS, Assignor and Assignee have entered into a Contribution Agreement dated as of May 29, 2001 (the "Agreement"), providing for the contribution by Assignor of assets owned by Assignor including certain intellectual property developed under contracts with the United States government ("Government") as identified on Exhibit A ("Government Contracts") pursuant to which the Government retains in perpetuity certain rights as described on Exhibit A ("Government Interest");

WHEREAS, Assignor agrees in Section 2.1 of the Agreement to irrevocably assign to Assignee, subject to the Government Interest, Assignor's entire right, title and interest in and to the Intellectual Property as defined below;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound:

DEFINITIONS

The following definitions shall apply to this Assignment:

"Intellectual Property" shall mean all Copyrights, Trademarks, Patents, and Trade Secrets, and any and all other confidential or proprietary information.

"Copyrights" shall mean all United States and foreign works of authorship, software (in object and source code formats), databases, and semiconductor chip/mask works, including any United States and foreign registrations for, or applications to register, any of the foregoing, including the registrations and applications (if any) listed in attached Schedule 3.

"Trademarks" shall mean all United States and foreign trademarks, service marks, logos, designs, slogans, trade names, domain names, package designs, product designs, and assumed names, including any United States and foreign registrations for, or applications to register, any of the foregoing, including the registrations, applications, and domain names (if any) listed in attached Schedule 2.

"Patents" shall mean all United States and foreign inventions, improvements, technical information, technologies, and know-how, including all United States and foreign patents or patent applications relating thereto, including the patents and applications (if any) listed in attached Schedule 1, and including all reissues, continuations, continuations-in-part, revisions, extensions, and reexaminations.

“Trade Secrets” shall mean all United States and foreign proprietary processes, technologies, methods, formulas, inventions, improvements, technical information, technologies, and know-how, including without limitation the design, development, manufacture, and use thereof.

COPYRIGHTS

1. Assignor hereby sells, assigns and transfers to Assignee, subject to the Government Interest, all of Assignor’s right, title and interest in and to the Copyrights, including but not limited to renewal rights therein, the right to obtain registrations of the Copyrights in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee’s sole name;

2. Assignee hereby accepts the foregoing assignment and expressly assumes all liabilities, debts and obligations associated with the Copyrights to the limited extent set forth in the Agreement; provided, however, that Assignee does not agree to assume any liability, debt, or obligation that may constitute a Retained Liability (as defined in the Agreement);

3. Assignor agrees that, if applicable, it will reasonably assist Assignee in acquiring and maintaining copyright protection for, and confirming Assignee’s title to, the Copyrights, at Assignee’s sole expense;

TRADEMARKS

4. Assignor hereby sells, assigns and transfers to Assignee all of Assignor’s right, title and interest in and to the Trademarks, together with the goodwill of the business(es) that is/are symbolized by the Trademarks, including but not limited to renewal rights therein, the right to obtain registrations of the Trademarks in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee’s sole name;

5. Assignee hereby accepts the foregoing assignment and expressly assumes all liabilities, debts and obligations associated with the Trademarks to the limited extent set forth in the Agreement; provided, however, that Assignee does not agree to assume any liability, debt, or obligation that may constitute a Retained Liability (as defined in the Agreement);

6. Assignor shall cooperate with Assignee, at Assignee’s sole expense, in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties’ intent and/or Assignor’s obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee’s sole discretion, to consolidate, confirm, vest and/or record Assignee’s full and complete ownership of the Trademarks with, for example, the U.S. Patent and Trademark Office or equivalent foreign offices, or with domain name registrars;

PATENTS

7. Assignor hereby sells, assigns and transfers to Assignee, subject to the Government Interest, all of Assignor's right, title and interest in and to the Patents, including but not limited to renewal rights therein, the right to obtain patent or equivalent protection therein in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present, or future infringements or violations thereof, all in Assignee's name;

8. Assignee hereby accepts the foregoing assignment and expressly assumes all liabilities, debts and obligations associated with the Patents to the limited extent set forth in the Agreement; provided, however, that Assignee does not agree to assume any liability, debt, or obligation that may constitute a Retained Liability (as defined in the Agreement);

9. Assignor shall cooperate with Assignee, at Assignee's sole expense, in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Patents with, for example, the U.S. Patent and Trademark Office or equivalent foreign offices;

TRADE SECRETS

10. Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Trade Secrets, including but not limited to the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future misappropriations or violations thereof, all in Assignee's sole name;

11. Assignee hereby accepts the foregoing assignment and expressly assumes all liabilities, debts and obligations associated with the Trade Secrets to the limited extent set forth in the Agreement; provided, however, that Assignee does not agree to assume any liability, debt, or obligation that may constitute a Retained Liability (as defined in the Agreement);

12. Assignor agrees that, if applicable, it will reasonably assist Assignee in acquiring and maintaining any available protections for, and confirming Assignee's title to, the Trade Secrets, at Assignee's sole expense;

GENERAL

13. Assignor represents, covenants and warrants with and to Assignee that the rights, titles, and interests herein sold, assigned and transferred to Assignee, that Assignor, subject to the

Government Interest, has the right to convey the same rights, titles, and interests, and that, to the best of Assignee's knowledge, Assignee's use of the Intellectual Property being conveyed to Assignee herein does not infringe the rights of any third parties;

14. This Assignment shall inure to the benefit of Assignee and its successors and assigns and shall be binding upon Assignor and its successors and assigns;

15. This Assignment and all questions relating to its validity, interpretation, performance and enforcement shall be governed by and construed in accordance with the laws of the State of Delaware;

16. This Assignment and the Agreement contain the entire agreement and understanding of the parties relating to the subject matter hereof, and merge and supersede all prior and contemporaneous discussions, agreements and understandings of every nature between the parties relating to the subject matter hereof. This Assignment may not be changed or modified, except by an agreement in writing signed by each of the parties; and

17. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties to this Assignment have duly executed it as of the date set forth above.
