WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of the date hereof among Sotheby's Holdings, Inc., a Michigan corporation ("Holdings"), Sotheby's, Inc., a New York corporation, Oatshare Limited, a company registered in England, Sotheby's, a company registered in England and Sotheby's Global Trading GmbH, a company organized in Switzerland (each a "Borrower" and collectively the "Borrowers"), the Lenders from time to time party thereto ("Lenders") and The Chase Manhattan Bank, a New York banking corporation, as Administrative Agent, Collateral Agent and Issuing Bank (such agreement, as amended, restated, supplemented or otherwise modified, the "Credit Agreement"), the Lenders have agreed to make Loans and issue Letters of Credit to or for the benefit of, the Borrowers;

WHEREAS, in order to induce the Collateral Agent and Lenders to enter into the Credit Agreement and other Loan Documents and to induce Lenders to make the Loans as provided for in the Credit Agreement, the Grantors have agreed to grant a continuing security interest in the Collateral to secure the Secured Obligations, pursuant to the Security Agreement dated as of the date hereof (such agreement as amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Credit Agreement, the Grantors are required to execute and deliver to the Collateral Agent, for itself and the ratable benefit of the Secured Parties, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in to the Credit Agreement or the Security Agreement.
2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent, on behalf of itself and the Secured Parties, a continuing first priority security interest in all of such Grantor's right, title and

interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its Trademarks referred to on Schedule I hereto;
- (b) all renewals of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and
- (d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. GRANT OF LICENSE TO USE TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), upon the occurrence and during the continuance of any Event of Default, to use, license or sub-license any Trademark now owned or hereafter acquired by such Grantor to the extent of the interest of such Grantor therein at such time, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licenses items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof.

4. GRANTORS REMAIN LIABLE. It is expressly agreed by each Grantor that, anything herein to the contrary notwithstanding, each Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks, and shall hold the Collateral Agent and the Lenders harmless from any and all costs, damages, liabilities and expenses that may be incurred in connection with the Collateral Agent's interest in such Trademarks or any other action or failure to act in connection with this Trademark Security Agreement. Each Grantor shall remain liable for any and all claims by any Person that the conduct of such Grantor's business or products or processes of such Grantor infringe any rights of such Person. Neither the Collateral Agent nor any Secured Party shall have any obligation or liability under any of the Trademark Licenses included in the Trademark Collateral by reason of this Trademark Security Agreement and the Security Agreement, the granting of a security interest in the Trademark Collateral to the Collateral Agent hereunder, the conditional assignment of the Trademark Collateral to the Collateral Agent hereunder, or the receipt by the Collateral Agent of any payment relating thereto, nor shall the Collateral Agent or any Lender be required or obligated in any manner to perform or fulfill any of the obligations of any Grantor thereunder, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it thereunder or the sufficiency of any performance by any party thereunder, or to present or file any claim, or to take any action to collect or enforce any claim for payment assigned to it hereunder.

5. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agent, on behalf of itself and the Secured Parties, pursuant to the Security

Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event there is any conflict between this Trademark Security Agreement and the provisions of the Security Agreement, the provisions of the Security Agreement shall prevail.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of separate counterparts, each of which shall collectively and separately constitute one agreement.
